

**DST Research Project
Department of Electronic Science
Kurukshetra University, Kurukshetra**

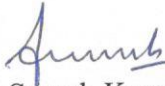

No. ELS/SKP/84

Dated: 14/07/14

Research Fellowship

Applications are invited for a Junior Research Fellow (JRF) in the Department of Electronic Science under research project entitled “**Synthesis and characterization of II-VI semiconductor nanostructures for optoelectronic and photovoltaic applications**” sponsored by Department of Science and Technology (SERB-DST, New Delhi). The duration of the job is co-terminus with project. For JRF, M.Sc. (Electronic Science)/M.Sc.(Physics with specialization in Electronics/Solid State Physics)/M.Tech. (Nanoscience & Nanotechnology/Technology) with at least 55% marks (50% for SC/ST) are required. Preference will be given to NET/GATE qualified candidates. Salary will be given as per DST norms.

Applications should reach to the undersigned within 15 days of this advertisement. No TA/DA will be paid, if called for interview.
