The syllabus of M. A. Sanskrit (Final) class is bifurcated into two semesters, namely, Semester-III and Semester-IV, with effect from the Academic Session 2009-2010. There are four optional Groups (Group-A : Veda; Group-B : Grammar; Group-C : Indian Philosophy; Group-D : Sanskrit Literature) in each Semester out of which the student/examinee can opt any one Group for the both semesters. Four papers are prescribed for study in each Group per Semester. Besides, one compulsory paper is prescribed in each Semester (In Semester-III: Paper-XI *Palibhasa Sahityam Cha*, and in Semester- IV: Paper-XVI *Prakritabhasa Sahityam Cha*) for the students/examinees of all the four Groups. Thus the **total number of papers** prescribed for **Semester-III** is **five** (1+4 = 5). In the same way the **total number of papers** prescribed for **Semester-IV** also is **five** (1+4 = 5). With effect from the academic session **2012-2013** each paper in the 3rd and the 4th semester carries **Eighty (80)** marks. Besides, **each paper** has been assigned **Twenty (20)** marks (10 Marks for Two Handwritten Assignments + 5 Marks for One Class Test + 5 Marks for Attendance) for **Internal Assessment**. In this way the syllabus of M.A. (Sanskrit) Final Course consists of Two Semesters (IIIrd & IVth), Ten (5+5 = 10) papers and One Thousand (500+500 = 1000) marks. The time for examination in each paper will be three (3) hours. The examinee/candidate can attempt his/her paper through any one medium out of Sanskrit, Hindi and English. But he/she will have to write the answer of the question(s), pertaining to the specific Unit as prescribed in the syllabus and as per instructions in the question paper through **Sanskrit** medium only otherwise no marks will be awarded for that particular answer.
