

Office of Internal Quality Assurance Cell
KURUKSHETRA UNIVERSITY KURUKSHETRA
(Established by the State Legislature Act XII of 1956)
(‘A+’ Grade, NAAC Accredited)

No. IQAC/18/335
Dated: 21.07.2018

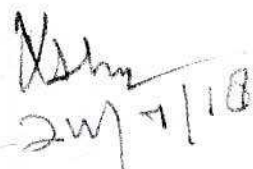

The Committee of Internal Quality Assurance Cell (IQAC) in its meeting held under the chairmanship of the vice-chancellor on March 12, 2018 constituted a committee for the renovation of old buildings and to monitor the barrier free access for the Divyangs in the University buildings. A series of meetings of this committee have been held to assess the ground situation as well as to set the timeline for the work to be completed. The recommendations/minutes of the committee are enclosed herewith for consideration and approval (F/A).

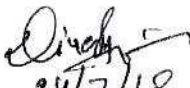

It is requested to approve the recommendations/minutes of the committee in order to initiate the action as per its recommendations.

Submitted for approval, please.

(Dinesh Kumar)
(Co-ordinator, IQAC)

Date: -16.07.2018

Minutes

A series of meetings of the 'Committee for Renovation of Old Buildings on the Campus to make these Barrier Free and Accessible to the Divyangs' have been held. The committee members visited the various sites. After detailed deliberations, the following are recommended for the activities of first phase:

1. The works related to the alteration /modifications of toilets at ground floor level in the existing buildings/constructions on the campus (administrative offices, teaching blocks, hostels etc.) to make them accessible for the Divyangs will be carried out by the Construction branch (O/o Ex En, Public Health, KUK) as per CPWD specifications (Guidelines and Space Standards for Barrier Free Built Environment for the Disabled) in the buildings as per the list enclosed.
2. The works related to providing ramps, railings and handrails at the entrance of the existing buildings/ constructions on the campus (administrative offices, teaching blocks, hostels etc.) to make them accessible for the Divyangs will be carried out by the O/o the Ex En (Civil) construction Branch, KUK according to the 'CPWD Guidelines and Space Standards for Barrier Free Built Environment for the Disabled' in the buildings as per the enclosed list.
3. In order to save time, the works at Sr. no. 1 and 2 above will be got done through empanelled agencies as per approved rates for 2016-17 out of the budget head 'Maintenance and Renovation of University Buildings &Roads'.

4. The construction branch will submit the mid-term progress report of the work done on Sept. 10, 2018.

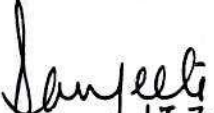

5. After completion of these tasks, in the second and third phase, other architectural design requirements of vertical & horizontal access and accessibility of academic infrastructure respectively for the Divyangs will be taken up.

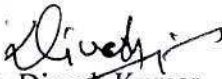

6. The new & upcoming buildings on the campus will have all the features of barrier free environment inbuilt and will be fully accessible to the Divyangs. The Construction Branch will ensure that the design requirements are fully met.

The time line for the first phase will be as follows:

| | July, 2018 | August, 2018 | Sept., 2018 | Oct., 2018 | Nov. 15, 2018 |
|---|------------|--------------|-------------|------------|---------------|
| Constructions/modifications of Ramps with railings as per recommended specifications in all the buildings of the University | —————→ | | | | |
| Construction of 'Divyang' friendly toilets in all the buildings of the University | —————→ | | | | |

The minutes are submitted for the consideration and approval of Hon'ble Vice-Chancellor.
