D.O. No. ~~3/37-2022 STAT~~

Dated : ~~November 25, 2022~~

Dear Sir/Madam,

This is in reference to All India Survey on Higher Education in which data is being collected by MoE, Govt. of India, Department of Higher Education from all the higher education institutions throughout the country.

I am very grateful for the hard work and pro-active efforts put in all by you in this national Endeavour of submission of information by all education institutions in WEB DCF of AISHE 2020-21. First time, Haryana has achieved **100 % success** in university / College level and more than 90 % by standalone institutions.

This survey year **2021-22**; demands all of your **100%** efforts in uploading DCF; as all of you must aware 100% contribution will make Haryana at the top towards goal of **GROSS ENROLMENT RATIO** and other policy matters.

There are more than **1400 educational institutions** enrolled on AISHE Portal during 2021-2022 and their AISHE code is directly linked with scholarship scheme and NAAC accreditation of the institutions.

Not having ASIHE code will deprive the institutions from all financial benefits of Govt. of Haryana

May I take this opportunity to request you to direct the Nodal Officers of your department to fill the DCF for the year 2021-2022 within time. As the uploading of data is mandatory as per the guidelines of MoE and the failure in filling the DCF may lead to de-affiliation and de-activation of the institutions in near future.

Further, I request to make ensure that uploading of data AISHE portal 2021-2022 may be fully completed without any reminder and having any discrepancies so that State of Haryana may not be under -reported in the AISHE Survey data base for 2021-2022.

*With best wishes.*

  
(RAJIV RATTAN)

To,

All Registrar of State Universities  
All Directors of Private Universities.  
All Principals of the Colleges  
All Head of the Standalone Institutions.
