

कुरुक्षेत्र विश्वविद्यालय कुरुक्षेत्र

KURUKSHETRA UNIVERSITY KURUKSHETRA

(Established by the State Legislature Act XII of 1956)
(**'A'** Grade, NAAC Accredited)

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
English	Literature in English: 1550-1660 (Part-I)	National/International
	Literature in English: 1660-1798 (Part-I)	National/International
	Literature in English: 1798-1914 (Part-I)	National/International
	Literature in English: 1914-2000 (Part-I)	National/International
	Study of a Genre: Fiction (Part-I)	National/International
	Study of a Genre: Drama (Part-I)	National/International
	Study of a Genr: Poetry(Part-I)	National/International
	Literature in English: 1550-1660 (Part-II)	National/International
	Literature in English: 1660-1798 (Part-II)	National/International
	Literature in English: 1798-1914 (Part-II)	National/International
	Literature in English: 1914-2000 (Part-II)	National/International
	Study of a Genre: Fiction (Part-II)	National/International
	Study of a Genre: Drama (Part-II)	National/International
	Study of a Genre: Poetry (Part-II)	National/International
	Introduction to English Literature	National/International
	Critical Theory (Part-I)	National/International
	American Literature (Part-I)	National/International
	Indian Writing in English (Part-I)	Local/Regional/National/International
	English Language (Part-I)	National/International
	Literature and Gender (Part-I)	National/International
	Colonial and Post-Colonial Studies (Part-I)	National/International
	Literature and Philosophy (Part-I)	National/International
	New Literatures (Part-I)	National/International
	Introduction to World Literature	National/International
	Critical Theory (Part-II)	National/International
	American Literature (Part-II)	National/International
	Indian Writing in English (Part-II)	Local/Regional/National/International
	English Language (Part-II)	National/International
	Literature and Gender (Part-II)	National/International
	Colonial and Post-Colonial Studies (Part-II)	National/International
	Literature and Philosophy (Part-II)	National/International
	Research Methodology and Critical Approaches	National/International
	Modern English Poetry	National/International
Modern English Fiction	National/International	
Modern English Drama	National/International	
Indian Writing in English	National/International	
Research Methodology	National/International	
Literary Theory and Criticism	National/International	
Research and Publication Ethics	National/International	
Seminar in Thrust Area	National/International	
Hindi	हिंदी साहित्य का इतिहास (सौतिकाल तक)	National
	आधुनिक हिंदी कविता	National

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	हिंदी उपन्यास	National
	भाषा विज्ञान एवं हिंदी भाषा	International
	भारतेंदु हरिश्चंद्र	National
	बालमुकुंद गुप्त	National
	प्रेमचंद	National

	Fish, Fisheries and Aquaculture-II	Local/Regional/National/International
	Practical-VII	National/International
	Practical-VIII	National/International
	Reproductive Physiology	International
	Animal Behaviour and Wildlife Conservation	International
Fish and Fisheries	International	
Cell Biology	International	

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International	
	General Forensic Science	National/International	
	Instrumental Analysis-I	National/International	
	Forensic Biology	National/International	
	Forensic Psychology and statistics	National/International	
	Practical-I	National/International	
	Practical-II	National/International	
	Forensic Chemistry and Toxicology	National/International	
	Instrumental Analysis-II	National/International	
	Questioned Document Examination	National/International	
	DNA Profiling	National/International	
	Basics of Forensic Science	National/International	
	Practical-III	National/International	
	Practical-IV	National/International	
	Forensic Ballistics and Explosives	National/International	
	Computer Forensics and Recent Advances	National/International	
	Forensic Medicine	National/International	
	Anthropology and Biometrics	National/International	
	Method of Solving Forensic Cases	National/International	
	Practical-V	National/International	
	Practical-VI	National/International	
	Forensic Physics	National/International	
	Forensic Dactylography and other impressions	National/International	
	Forensic Genetics, Serology and Bioinformatics	National/International	
	Forensic Pharmacology and drug Analysis	National/International	
	Practical-VII	National/International	
	Practical-VIII	National/International	
	Biochemistry	Structure and Function of Biomolecules	International
		Cell Biology	International
Proteins and Proteomics		International	
Bioenergetics and Metabolism-I		International	
Practical-I		International	
Practical-II		International	
Metabolism -II		International	
Clinical Biochemistry		International	
Enzymology		International	
Molecular Biology-I		International	
Food Biochemistry		International	
Practical-III		International	
Practical-IV		International	
Molecular Biology-II		International	
Immunology		International	
Plant Biochemistry		International	
Nutritional Biochemistry		International	
Human Physiology		International	
Clinical Diagnostics in Health and Disease		International	
Industrial Training		National	
Practical-V		International	
Practical-VI		International	
Biostatistics and Bioinformatics		International	
Biotechniques	International		

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Genetic Engineering	International
	Basics of Microbiology	International
	Genetics and Evolution	International
	Practical-VII	International
	Practical-VIII	International
Biotechnology	Biomolecules	International
	Microbiology	International
	Molecular Cell Biology	International
	Biotechniques	International
	Practical Based on Biomolecules and Biotechniques	International
	Practical Based on Molecular cell Biology & Microbiology	International
	Genetic Engineering	International
	Animal Cell and Tissue Culture	International
	Plant Cell and Tissue Culture	International
	Bioinformatics	International
	Enzyme Technology	International
	Biotechnology and Human Welfare-I	International
	Practical Based on Genetic Engineering and Cell and Tissue Culture Technology	International
	Practical Based on Enzyme Technology and Bioinformatics	International
	Plant Biotechnology	International
	Microbial Biotechnology	International
	Molecular Genetics	International
	Immunology	International
	Molecular Medicine and Diagnostics	International
	Biotechnology and Human Welfare-II	International
	Industrial Training	National
	Practical Based on Plant Biotechnology and Microbial Biotechnology	International
	Practical Based on Molecular Genetics, Immunology and Molecular Medicine and Diagnostics	International
	Food Biotechnology	International
	Environmental Biotechnology	International
	Animal and Medical Biotechnology	International
	Genomics, Proteomics and Metabolomics	International
Biosafety, Bioethics and IPR Issues	International	
Practical Based on Food and Environmental Biotechnology	International	
Project Work/Field Training Report	International	
Microbiology	Microbial World	International
	Microbial Genetics and Molecular Biology-I	International
	Immunology and Virology	International
	Microbial Physiology Metabolism and Biochemistry	International
	Lab Course-I	International
	Lab Course-II	International
	Biophysical and Biochemical Techniques	International
	Microbial Genetics and Molecular Biology-II	International
	Medical Laboratory Technology	International
	Environmental Microbiology	International
	Credit Seminar-I	Local
	General Microbiology	International
	Lab Course-III	International
	Lab Course-IV	International
	Recombinant DNA Technology	International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Microbial Biotechnology and Industrial Microbiology	International
	Microbial Pathogenicity	International
	Agriculture Microbiology	International
	Basics of Bioinformatics	International
	Credit Seminar-II	Local
	Applied Microbiology	International
	Lab Course-V	International
	Lab Course-VI	International
	Biostatistics and Computers	International
	Food and Dairy Microbiology	International
	Seminar Based on Project Report	Local
	Intellectual Property Rights and Entrepreneurship	International
	Computational Biology	International
	Lab Course-VII	International
	Project Training Report and Viva	International
Research Assignment/Literature Survey	International	
Home Science	Advanced Human Nutrition-I	National
	Advanced Nutritional Biochemistry-I	International
	Food Science-I	National
	Food Service Management-I	International
	Advanced Human Nutrition and Advanced Nutritional Biochemistry -I (Practical)	International
	Food Science and Food Service Management-I (Practical)	International
	Advanced Human Nutrition-II	National
	Advanced Nutritional Biochemistry-II	International
	Food Science-II	National
	Food Service Management-II	International
	Nutrition for Holistic Health	National
	Advanced Human Nutrition and Advanced Nutritional Biochemistry-II (Practical)	International
	Food Science and Food Service Management-II (Practical)	International
	Clinical Dietetics-I	International
	Public Health Nutrition-I	International
	Research Methods, Statistics and Computer Applications	International
	Food Microbiology	International
	Food Safety and Quality Control	International
	Human Physiology	International
	Nutrition During Life Cycle	International
	Clinical Dietetics-I	International
	Public Health Nutrition-I	International
	Clinical Dietetics-II	International
	Public Health Nutrition-II	International
	Physical Fitness and Sports Nutrition	International
	Dissertation	International
	Food Toxicology	International
	Food Processing and Technology	International
	Clinical Dietetics -II	International
	Public Health Nutrition-II	International
	Theories of Human Development, Psychology and Behaviour	International
	Methods and Techniques of Assessment in Human Development	International
Early Childhood Development: Care and Education	International	
Cross-Cultural Perspectives in Family Studies	International	

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Methods and Techniques of Assessment in Human Development (Practical)	International
	Early Childhood Development: Care and Education (Practical)	International
	Fundamentals of Human Development	International
	Adolescence and Adulthood: Development, Psychology and Challenges	International
	Management, Policies and Programmes for Women and Children	International
	Population and Family: Dynamics, Psychology and Welfare	International
	Marriage and Family Dynamics	International
	Adolescent and Adulthood: Development Psychology and Challenges (Practical)	International
	Management, Policies and Programmes for Women and Children (Practical)	International
	Child and Family: Guidance and Counselling	International
	Advances in life Span Development and Gerontology	International
	Research Methods, Statistics and Computer Applications	International
	Women Studies	International
	Guiding young Child: Growth Behaviour and Development	International
	Communication Technologies	International
	HIV/AIDS Counselling	International
	Family Support Therapy	International
	Child and Family: Guidance and Counselling (Practical)	International
	Advances in Life Span Development and Gerontology (Practical)	International
	Developmental Disabilities and Mental Health	International
	Parent and Community Education	International
	Social Psychology and Development of Self	International
	Dissertation	International
	Child and Human Rights	International
	Current Concerns in Women Study	International
	Human Resource Development	International
	Practical- Developmental Disabilities and Mental Health (Practical)	International
Practical- Parent and Community Education (Practical)	International	
Institute of Environmental Studies	The Biophysical Environment	Local/Regional/National/International
	Environmental Chemistry	Local/Regional/National/International
	Ecology and Ecosystem Dynamics	Local/Regional/National/International
	Environmental Modelling and Statistics	Local/Regional/National/International
	Practical-I	Local/Regional
	Practical-II	Local
	Natural Resource Management	Local/Regional/National/International
	Conservation and Biodiversity	Local/Regional/National/International
	Pollution and Global Climate Change	Local/Regional/National/International
	Environmental Methods and Analytical Techniques	Local/Regional/National/International
	Water Resource Management	Local/Regional/National/International
	Practical-III	Local/Regional/National/International
	Practical-IV	Local/Regional
	Environmental Biotechnology	Local/Regional/National/International
	Remote Sensing and Geographical Information Systems	Local/Regional/National/International
	Ecotoxicology and Environmental Health	Local/Regional/National/International
	Environmental Planning, Policy and Law	National
	Waste Management	Local/Regional/National/International
	Summer Training (Report and Seminar)	Local/Regional/National/International
	Global Climate Change	Local/Regional/National/International
	Practical-V	Local/Regional
Practical-VI	Local/Regional	

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Agroecology and Agroforestry	Local/Regional/National/International
	Environmental Impact Assessment and Auditing	Local/Regional/National/International
	Ecotechnology and Ecological Restoration	Local/Regional/National/International
	Ecological Economics	Local/Regional/National/International
	Environmental Health and Industrial Safety	Local/Regional/National/International
	Practical-VII	Local/Regional
	Practical- VIII	Local/Regional/National
	Ecology and Systems Analysis	Local/Regional/National/International
	Energy Resources and Management	Local/Regional/National/International
	Energy and Climate Change	Local/Regional/National/International
	Research Techniques and Quantitative Methods	Local/Regional/National/International
	Practical -I	Local/Regional
	Practical -II	Local/Regional
	Environmental Assessment and Management	Local/Regional/National/International
	Renewable Energy and Technology	Local/Regional/National/International
	Environmental Remote Sensing and GIS	Local/Regional/National/International
	Environmental Biotechnology and Biofuels	Local/Regional/National/International
	Practical -III	Local/Regional/National
	Practical -IV	Local/Regional/National/International
	Energy Conservation and Efficient Systems	Local/Regional/National/International
	Environmental Bioremediation Technology	Local/Regional/National/International
	Environmental Policies, Laws and Impact Assessment	Local/Regional/National/International
	Industrial Energy	Local/Regional/National/International
	Energy from Waste	Local/Regional/National/International
	Environmental Modelling	Local/Regional/National/International
	Minor Project/Practical	Local
	Summer Training (Report and Seminar)	Local
	Practical-V	Local
	Dissertation	Local/Regional/National/International
	Physics	Mathematical Physics
Classical Mechanics		International
Quantum Mechanics-I		International
Electronic Devices and Circuits-I		International
Physics Laboratory-I		International
Quantum Mechanics-II		International
Nuclear and Particle Physics		International
Solid State Physics		International
Electronic Devices and Circuits-II		International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Programming for Problem Solving-II (Practical)	National/International
	Basic Electrical Engineering-II (Practical)	National/International
	Engineering Graphics and Design-II (Practical)	National/International
	Introduction to Geosciences	National/International
	Physical Geology	National/International
	Structural Geology-I	National/International
	Crystallography and Mineralogy	National/International
	Surveying	National/International
	Practical-I	National/International
	Practical-II	National/International
	Geomorphology	National/International
	Geochemistry	National/International
	Basic Petrology	National/International
	Energy Mineral Resources of India	National/International
	Computational and Statistical Methods in Geology	National/International
	Practical-III	National/International
	Practical-IV	National/International
	Palaeontology	National/International
	Plate Tectonics	National/International
	Igneous Petrology	National/International
	Sedimentology	National/International
	Geophysical Prospecting	National/International
	Practical-V	National/International
	Practical-VI	National/International
	Field Training-I	National/International
	Stratigraphy	National/International
	Structural Geology-II	National/International
	Metamorphic Petrology	National/International
	Applied Geochemistry	National/International
	Economic and Ore Geology	National/International
	Practical-VII	National/International
	Practical-VIII	National/International
	Remote Sensing Technology	National/International
	Mineral Exploration	National/International
	Micropalaeontology and Palynology	National/International
	Hydrogeology	National/International
	Petroleum Geology	National/International
	Practical-IX	National/International
	Practical-X	National/International
	Field Training-II	National/International
	Environmental Geoscience	National/International
	Coal Geology and Technology	National/International
	Mining Geology	National/International
	GIS Technology	National/International
	Engineering Geology	National/International
	Practical-XI	National/International
	Practical-XII	National/International
	Geoscience and Society	National/International
	Well Logging	National/International
	Advanced Stratigraphy, Palaeogeography and Paleoecology	National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Organizational Behavior and Business Management	National/International
	Geohazards and Disaster Management	National/International
	Geoscientific Instrumentation and Analytical Techniques	National/International
	Oceanography and Marine Geology	National/International
	Meteorology	National/International
	Practical-XIII	National/International
	Practical-XVI	National/International
	Natural Hazards	National/International
	Project Work	National/International
	Dissertation	National/International
Instrumentation	Mathematics-I	Local/Regional/National/International
	Basic Electrical Engineering	Local/Regional/National/International
	Physics (Lab)	Local/Regional/National/International

	Basic Electrical (Lab)	Local/Regional/National/International
	Chemistry	Local/Regional/National/International
	Mathematics-II	Local/Regional/National/International
	Programming for Problem Solving	Local/Regional/National/International
	Basic Electronics Engineering	Local/Regional/National/International
	Environmental Science	Local/Regional/National/International
	Chemistry (Lab)	Local/Regional/National/International
	Computer programming (Lab)	Local/Regional/National/International
	Basic Electronic (Lab)	Local/Regional/National/International
	Workshop Practice (Lab)	Local/Regional/National/International
	Power Systems-I	Local/Regional/National/International
	Basic Instrumentation Engineering	Local/Regional/National/International
	Network Analysis	Local/Regional/National/International
	Transducers and Applications	Local/Regional/National/International
	Computer Networks	Local/Regional/National/International
	Basics of Industrial Sociology, Economics and Management	Local/Regional/National/International
	Network Analysis (Lab)	Local/Regional/National/International
	Transducers (Lab)	Local/Regional/National/International
	Power System-I (Lab)	Local/Regional/National/International
	Power Electronics-I	Local/Regional/National/International
	Electrical Measurements and Instrumentation	Local/Regional/National/International
	Control System Components	Local/Regional/National/International
	Electrical Energy Conservation and Auditing	Local/Regional/National/International
	Electrical Machines-I	Local/Regional/National/International
	Digital Techniques	Local/Regional/National/International
	Computer Organization	Local/Regional/National/International
	Project Planning Estimation and Assessment	Local/Regional/National/International
	Power Electronics-I (Lab)	Local/Regional/National/International
	Electrical Measurements and Instrumentation (Lab)	Local/Regional/National/International
Electrical Machines-I (Lab)	Local/Regional/National/International	
Environment Monitoring Instrumentation	Local/Regional/National/International	
Electromagnetic Field Theory	Local/Regional/National/International	
Mathematics-III	Local/Regional/National/International	
Energy Efficient System	Local/Regional/National/International	
Power Electronics-II	Local/Regional/National/International	

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Microprocessors	Local/Regional/National/International
	Analog and Digital Communication	Local/Regional/National/International
	Switch Gear and Protection	Local/Regional/National/International
	Power System-II	Local/Regional/National/International
	Linear Automatic Control System	Local/Regional/National/International
	Power Electronic Lab-II	Local/Regional/National/International
	Power System-II (Lab)	Local/Regional/National/International
	Control System (Lab)	Local/Regional/National/International
	Industrial Training-I	Local/Regional/National/International
	Electrical Machine Design	Local/Regional/National/International
	Mechanical Measurements in Instrumentation	Local/Regional/National/International
	Electrical and Hybrid Vehicles	Local/Regional/National/International
	Electrical Machines-II	Local/Regional/National/International
	Power Plant Engineering	Local/Regional/National/International
	Digital Signal Processing	Local/Regional/National/International
	Microcontroller and Embedded System	Local/Regional/National/International
	Electrical Machines-II (Lab)	Local/Regional/National/International
	Micro-Controller (Lab)	Local/Regional/National/International
	Digital Signal Processing (Lab)	Local/Regional/National/International
	Minor Project	Local/Regional/National/International
	Computer Graphics and CAD CAM	Local/Regional/National/International
	IoT and IT'S Applications	Local/Regional/National/International
	Introduction to Python Programming	Local/Regional/National/International
	Biomedical Instrumentation	Local/Regional/National/International
	Reliability Engineering	Local/Regional/National/International
	Wind and Solar Energy Systems	Local/Regional/National/International
	Power Quality and Facts	Local/Regional/National/International
	Electric Drives	Local/Regional/National/International
	Advance Process Dynamics and Control	Local/Regional/National/International
	Electric Drives (Lab)	Local/Regional/National/International
	Project Work	Local/Regional/National/International
	Industrial Training-II	Local/Regional/National/International
	Artificial Intelligence	Local/Regional/National/International
	Robotics	Local/Regional/National/International
	High Voltage Engineering	Local/Regional/National/International
	Utilization of Electrical Energy	Local/Regional/National/International
	Instrumentation and System Design	Local/Regional/National/International
	Fuzzy Logic Control	Local/Regional/National/International
	Optical Instrumentation	Local/Regional/National/International
	Remote Sensing	Local/Regional/National/International
	Industrial Process Control	Local/Regional/National/International
	Process Control (Lab)	Local/Regional/National/International
	Major Project	Local/Regional/National/International
	Control system Design	Local/Regional/National/International
	Process Equipment Design	Local/Regional/National/International
	Industrial Environmental Engineering	Local/Regional/National/International
	Power Plant Engineering	Local/Regional/National/International
	Energy Auditing and methodology	Local/Regional/National/International
	Energy Efficient Machines	Local/Regional/National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Biomedical Instrumentation	Local/Regional/National/International
	Advanced Electric Drive	Local/Regional/National/International
	Advance Process Control	Local/Regional/National/International
	Process Control (Lab)	Local/Regional/National/International
	Advanced Electric Drive (Lab)	Local/Regional/National/International
	Renewable and Non-Conventional Energy	Local/Regional/National/International
	Theory and Design of Neuro fuzzy controllers	Local/Regional/National/International
	Digital Control System	Local/Regional/National/International
	HVDC Transmission System	Local/Regional/National/International
	Energy Management	Local/Regional/National/International
	Process Modeling and Control	Local/Regional/National/International
	Advance Power Electronics	Local/Regional/National/International
	Power Quality Monitoring and Conditioning	Local/Regional/National/International
	PLC and DCS	Local/Regional/National/International
	Embedded System Design	Local/Regional/National/International
	Advanced Power System	Local/Regional/National/International
	Advanced Power System (Lab)	Local/Regional/National/International
	Embedded Systems (Lab)	Local/Regional/National/International
	Smart and Micro Sensor Design	Local/Regional/National/International
	Digital Signal Processing	Local/Regional/National/International
	Sensors and Transducers	Local/Regional/National/International
	Reliability Engineering	Local/Regional/National/International
	Electrical Vehicle Engineering	Local/Regional/National/International
	System Theory	Local/Regional/National/International
	Intelligent Instrumentations	Local/Regional/National/International
	Industrial Power Electronics	Local/Regional/National/International
	Dissertation	Local/Regional/National/International
	Process Modelling and Control	Local/Regional/National/International
	Embedded Control Systems	Local/Regional/National/International
	VLSI Architecture and Design Methodologies	Local/Regional/National/International
	Digital Signal Processing	Local/Regional/National/International
	Computer Vision and Image Processing	Local/Regional/National/International
	Process control and automation	Local/Regional/National/International
	Literature Survey and Seminar	Local/Regional/National/International
	Instrumentation System Design Methodology	Local/Regional/National/International
	Physics-I	Local/Regional/National/International
	Mathematics-I	Local/Regional/National/International
	Basic Electrical Engineering	Local/Regional/National/International
	Engineering Graphics and Design	Local/Regional/National/International
	English	Local/Regional/National/International
	Physics (Lab)	Local/Regional/National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Computer Education (Part-II)	National
	Adult and Continuing Education	National
	Management and Administration of Education (Part-II)	National
	Educational Technology (Part-II)	National
	Educational and Vocational Guidance	National
	Mental Hygiene and Education	National
	Economics of Education (Part-II)	National
	Field Work	National
	Developments in Education and Special Education	National
	Psychology of Development and Learning	National
	Identification, Assessment and Needs of Children with Visual Impairment	National
	Curriculum And Teaching Strategies for Children with Visual Impairment	National
	Practical Related to Visual Impairment	National
	Research Methodology and Statistics	National
	Curriculum Design and Development	National
	Inclusive Education	National
	Application of Advanced Technology and Persons with Visual Impairment	National
	Practical Related to Visual Impairment	National
	Perspectives in Teacher Education-In-service and Pre-service	National
	Educational Evaluation	National
	Adulthood and Family Issues	National
	Educational Management	National
	Educational Technology	National
	Guidance and Counseling	National
	Dissertation	National
	Field Engagement/Internship as a Teacher Educator	National
	Psychology of Learning and Development	National
	History and Political Economy of Education	National
	Education Studies	National
	Introduction to Research Methods	National
	Communication Skills and Expository Writing	National
	Self Development	National
	Philosophy of Education	National
	Sociology of Education	National
	Curriculum Studies	National
	Teacher Education: Pre-Service and In-Service	National
	Internship in a TEI	National
	Specialization Course-I (Stage Specific) Elementary, Secondary and Senior Secondary Education	National
	Specialization Course-II (Stage Specific) Elementary,Secondary and Senior Secondary Education	National
	Advanced Educational Research	National
	Teacher Education: Perspective, Research and Issues in Teacher Education	National
	Internship	National
	Academic Writing	National
	Education: Policy, Economics and Planning (at Elementary Level)	National
	Education: Policy, Economics and Planning (at Secondary and Senior Secondary Level)	National
	Management and Administration of Education (at Elementary Level)	National
	Management and Administration of Education (at Secondary and Senior Secondary Level)	National
	Inclusive Education (at Elementary Level)	National
	Inclusive Education (at Secondary and Senior Secondary Level)	National
	Education Technology (at Elementary Level)	National
	Education Technology (at Secondary and Senior Secondary Level)	National

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Educational Measurement and Evaluation (at Elementary Level)	National
	Educational Measurement and Evaluation (at Secondary and Senior Secondary Level)	National
	Comparative Education (at Elementary level)	National
	Comparative Education (at Secondary and Senior Secondary Level)	National
	Educational and Vocational Guidance (at Elementary level)	National
	Educational and Vocational Guidance (at Secondary and Senior Secondary Level)	National
	Dissertation	National
	Human Growth and Development	National
	Contemporary India and Education	National
	Introduction to Sensory Disabilities	National
	Introduction to Neuro Developmental	National

	Applications of ICT in Classroom (HI)	National
	Gender and Disability (HI)	National
	Orientation and Mobility (VI)	National
	Communication Options: Oralism (HI)	National
	Communication Options: Manual (Indian Sign Language)	National
	Basic Research and Statistics (EPC)	National
	Cross Disability and Inclusion-II	National
	Field Work: Other Disability Special School	National
	Field Work: Inclusive school	National
	Research Methods and Advanced Statistical Techniques	National
	Comparative and International System of Education	National
	Educational Technology	National
	Educational Perspective of Special Needs	National
	Advanced Educational Psychology	National
	Educational Management: Nature and Perspective	National
	Philosophy of Education	National

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
Physical Education	Research Process in Physical Education	National
	Principles of Sports Training	National
	Kinesiology	National
	Health Education and Sports Nutrition	National
	Information and Communication Technology in Physical Education	National
	Athletics (Track Events and Jumps)	National
	Health Education	National
	Research Process in Physical Education	National
	Physiology of Exercise	National
	Applied Statistics in Physical Education and Sports	National
	Physical Fitness and Wellness	National
	Yogic Science	National
	Practicum: Athletics (Throws and Conduct of Athletic Meet)	National
	Yoga	National
	Applied Statistic and ICT	National
	Philosophy of Yoga	National
	Sports Psychology	National
	Sports Medicine	National
	Tests, Measurement and Evaluation in Physical Education	National
	Athletic Care and Rehabilitation	National
	Value and Environmental Education	National
	Wellness	National
	Sports Journalism and Mass Media	National
	Education Technology in Physical Education	National
	Sports Bio Mechanics	National
	Sports Technology	National
	Sports Management	National
	Dissertation	National
	History and Foundation of Physical Education	National
	Anatomy and Physiology	National
	Health Education and Environmental Studies	National
	Officiating and Coaching	National
	Practicum: Athletics (Track Event)	National
	Practicum: Basket Ball and Kabaddi	National
	Practicum: Football and Kho Kho	National
	Anatomy, Physiology and Health Education	National
	Yoga Education	National
	Computer Applications in Physical Education	National
	Sports Psychology and Sociology	National
	Contemporary issues in Physical Education, Fitness and Wellness	National
	Practicum: Athletics (Throwing Events)	National
	Practicum: Volleyball and Yoga	National
Practicum: Handball and Gymnastics	National	
Computer Application, Rehabilitation and Sports Psychology	National	
Fundamentals of Yoga	National	
Sports Training	National	
Educational Technology and Methods of Teaching in Physical Education	National	
Organization and Administration	National	
Sports Nutrition and Weight Management	National	
Practicum: Athletics (Jumps)	National	

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Practicum: Cricket and Softball/Baseball	National
	Practicum: Weight Training and Hockey	National
	Mass Display Activity (Free Hand)	National
	Health and Nutrition	National
	Olympic Movement	National
	Curriculum Design	National
	Sports Management	National
	Sports Medicine and Rehabilitation	National
	Practicum: Athletic Meet (Opening, March Past, Victory Ceremony and Closing)	National
	Practicum: Badminton and Table Tennis	National
	Practicum: Boxing and Wrestling	National
	Practicum: Mass Display Activity (Lezium, Dumbbell and Tipri)	National
	Fundamentals of Yoga	National
	Anatomical and Physiological Aspects of Yoga-I	National
	Pantanjali Yog Sutra	National
	Research Methodology in Yoga	National
	Demonstrations of Basic Asana	National
	Basic Pranayam and Shudhi Kriya	National
	Fundamentals of Hatha Yoga	National
	Anatomical and Physiological Aspects of Yoga-II	National
	Health Aspects of Yoga	National
	Applied Statistics in Yoga	National
		National
	Demonstrations of Asana Pranayam and Shudhi Kriya	National
	Applied Statistic	National
	Yoga Parichya	National
	Fundamentals of Naturopathy	National
	Basic Yoga Texts Principle Upanishads and Bhagwat Geeta	National
	Applications of Yoga	National
	Applied Psychology in Yoga	National
	Demonstrations of Asana Pranayam and Shudhi Kriya	National
	Applied Psychology	National
	Yoga and Health	National
	Yoga Therapy	National
	Nutrition	National
	Dissertation	National
	Kinesiological Aspect of yoga	National
	Teaching Methods of Yoga	National
	Demonstrations of Assan Pranayam	National
	Teaching Practices Lesson Plan	National
	Yog Parichya	National
	Anatomy and Physiology for Yogic Practices	National
	Traditional Yoga	National
	Teaching Methodology of Yogic Practices	National
	Demonstration of Asana	National
	Demonstration of Pranayama and Shatkarmas	National
	Naturopathy	National
	Anatomy and Physiology for Yogic Practices	National
	Hathyog	National
	Yoga and Health	National
	Demonstration of Asana, Pranayama and Shudhikriya	National

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Teaching Practices of Asana, Pranayama and Shatkarma	National
	Yogic Science	National
	Yogic Practice	National
	Nutritional Value of Food	National
	Diet Planning	National
	Theory of Gym and Aerobic Training	National
	Gym and Aerobic Training	National
	Physical Education (Subject Specific)	Local/Regional/National/International
Institute of Integrated and Honours Studies	Comparative Public Administration	Local/Regional/National/International
	Rural Local Governance	Local/Regional/National/International
	Research Methods	Local/Regional/National/International
	Elements of Public Administration	Local/Regional/National/International
	Development Administration	Local/Regional/National/International
	Disaster Management	Local/Regional/National/International
	Administrative Ethics and Governance	Local/Regional/National/International
	Urban Local Governance	Local/Regional/National/International
	Public Financial Administration	Local/Regional/National/International
	Introduction to Political Theory	Local/Regional/National/International
	Indian Govt and Politics	Local/Regional/National/International
	Introduction to International Relations	Local/Regional/National/International
	Comparative Government and Politics	Local/Regional/National/International
	Gender and Law in India	Local/Regional/National/International
	India's Foreign Policy	Local/Regional/National/International
	Indian Constitution	Local/Regional/National/International
	Indian Polity	Local/Regional/National/International
	United Nations Organization	Local/Regional/National/International
	Indian Democracy	Local/Regional/National/International
	India and the World	Local/Regional/National/International
	Political History of India (From Earliest Times to 1206)	Local/Regional/National/International
	Social and Economy History of India (From Earliest Times to 1206)	Local/Regional/National/International
	Political History of India (From Harappan Age to 1966)	Local/Regional/National/International
	Social and Economy history of Haryana (From Harappan Age to 1966)	Local/Regional/National/International

	Modern World	Local/Regional/National/International
	Social and Economic History of Contemporary India (1947-1966)	Local/Regional/National/International
	Modern Europe (1789-1919)	Local/Regional/National/International
	Contemporary India: State and Politics (1947-1966)	Local/Regional/National/International
	Introduction to Sociology	Local/Regional/National/International
	Foundation of Sociological Thought	Local/Regional/National/International
	Indian Society	Local/Regional/National/International
	Gender Sensitization	Local/Regional/National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Rural Society	Local/Regional/National/International
	Marriage, Family and Kinship	Local/Regional/National/International
	Practice of Research Process and Field Work	Local/Regional/National/International
	Population and Society	Local/Regional/National/International
	Social Problems in India	Local/Regional/National/International
	Media, Communication and Society	Local/Regional/National/International
	Social Change and Social Movements in India	Local/Regional/National/International
	Indian Society	Local/Regional/National/International
	Aadhunik Punjabi Kavita, Ikangi Ate Viharak Punjabi	Local/Regional/National/International
	Punjabi Galap Ate Viharak Punjabi	Local/Regional/National/International
	Punjabi Bhasha:Mudhli Jaan-Pachhan	Local/Regional/National/International
	Punjabi Bhasha:Mudhli Jaan-Pachhan	Local/Regional/National/International
	Madhkali Punjabi Kaav, Swaijiwani Ate Viharak Punjabi	Local/Regional/National/International
	Haryana Da Punjabi Sahit Ate Viharak Punjabi	Local/Regional/National/International
	Punjabi Bhasha:Mudhli Jaan-Pachhan	Local/Regional/National/International
	Sirjnatmak Lekhan da Hunar : Adhyan Ate Sikhilai	Local/Regional/National/International
	Punjabi Dalit Sahit	Local/Regional/National/International
	Punjabi Nari Sahit	Local/Regional/National/International
	Gurbani Ate Viharak Punjabi	Local/Regional/National/International
	Natak Ate Rangmanch Da Hunar : Adhyan Ate Sikhla	Local/Regional/National/International
	Parvasi Punjabi Sahit	Local/Regional/National/International
	Pakistani Punjabi Galap	Local/Regional/National/International
	Punjabi Lammi Kavita Ate Viharak Punjabi	Local/Regional/National/International
	Outlines of Indian Philosophy	Local/Regional/National/International
	Outlines of Western Philosophy	Local/Regional/National/International
	Logic-Indian	Local/Regional/National/International
	Logic-Indian and Western	Local/Regional/National/International
	Applied Reasoning	Local/Regional/National/International
	Ethics and Social Philosophy (Indian)	Local/Regional/National/International
	Yoga Bahiranga Yoga	Local/Regional/National/International
	Ethics and Social Philosophy (Western)	Local/Regional/National/International
	Yoga Antaranga Yoga	Local/Regional/National/International
	Foundations of Psychology (Theory)	Local/Regional/National/International
	Foundations of Psychology (Practical)	Local/Regional/National/International
	Social Psychology (Theory)	Local/Regional/National/International
	Social Psychology (Practical)	Local/Regional/National/International
	Experimental Psychology (Theory)	Local/Regional/National/International
	Experimental Psychology (Practical)	Local/Regional/National/International
	Developmental Psychology (Theory)	Local/Regional/National/International
	Developmental Psychology (Practical)	Local/Regional/National/International
	Managing Stress	Local/Regional/National/International
	Managing Decisions	Local/Regional/National/International
	Application of Social Psychology	Local/Regional/National/International
	Handling of Adolescent Problems	Local/Regional/National/International
	Psychopathology (Theory)	Local/Regional/National/International
	Psychopathology (Practical)	Local/Regional/National/International
	Health and Well-being (Theory)	Local/Regional/National/International
	Health and Well-being (Practical)	Local/Regional/National/International
	Foundations of Psychology (Theory)	Local/Regional/National/International
	Foundations of Psychology (Practical)	Local/Regional/National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Applied Psychology (Theory)	Local/Regional/National/International
	Applied Psychology (Practical)	Local/Regional/National/International
	Counselling Psychology (Theory)	Local/Regional/National/International
	Counselling Psychology (Practical)	Local/Regional/National/International
	Basic Principal of Indian Calssical Music-I (Theory)	Local/Regional/National/International
	Stage Performance and Viva (Practical)	Local/Regional/National/International
	Basic Principal of Indian Calssical Music-II (Theory)	Local/Regional/National/International
	Stage Performance and Viva (Practical)	Local/Regional/National/International
	Principals of Indian Classical Music-I (Theory)	Local/Regional/National/International
	Stage Performance and Viva (Practical)	Local/Regional/National/International
	Principals of Indian Classical Music-II (Theory)	Local/Regional/National/International
	Stage Performance and Viva (Practical)	Local/Regional/National/International
	Principles of Indian Classical Music-I (Applied Theory)	Local/Regional/National/International
	Stage Performance and Viva (Practical)	Local/Regional/National/International
	Principles of Indian Classical Music-II (Applied Theory)	Local/Regional/National/International
	Stage Performance and Viva (Practical)	Local/Regional/National/International
	Basic Principal of Indian Calssical Music-I(Theory)	Local/Regional/National/International
	Stage Performance and Viva (Practical)	Local/Regional/National/International
	Basic Principal of Indian Calssical Music-II (Theory)	Local/Regional/National/International
	Stage Performance and Viva (Practical)	Local/Regional/National/International
	Principles of Indian Classical Music-I (Theory)	Local/Regional/National/International
	Stage Performance and Viva (Practical)	Local/Regional/National/International
	Principles of Indian Classical Music-II (Theory)	Local/Regional/National/International
	Stage Performance and Viva (Practical)	Local/Regional/National/International
	Health and Physical Education-I (Theory)	Local/Regional/National/International
	Health and Physical Education-I (Practical)	Local/Regional/National/International
	Health and Physical Education-II (Theory)	Local/Regional/National/International
	Health and Physical Education-II (Practical)	Local/Regional/National/International
	Health and Physical Education-III (Theory)	Local/Regional/National/International
	Health and Physical Education-III (Practical)	Local/Regional/National/International
	Hindi Bhasha aur Adhunik Hindi Kavita	Local/Regional/National/International
	Paryojanmulak Hindi aur Hindi Gadya	Local/Regional/National/International

	Nuclear Chemistry, Organosulphur Compounds and Catalysis	Local/Regional/National/International
	Chemistry Practical-VI	Local/Regional/National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Chemistry Practical-VI	Local/Regional/National/International
	Calculus	Local/Regional/National/International
	Algebra and Number Theory	Local/Regional/National/International
	Practical-I	Local/Regional/National/International
	Advanced Calculus	Local/Regional/National/International
	Differential Equations	Local/Regional/National/International
	Practical-II	Local/Regional/National/International
	Real Analysis-I	Local/Regional/National/International
	Mechanics-I	Local/Regional/National/International
	Practical-III	Local/Regional/National/International
	Abstract Algebra	Local/Regional/National/International
	Numerical Analysis	Local/Regional/National/International
	Practical-IV	Local/Regional/National/International
	Vector Calculus	Local/Regional/National/International
	Special Functions	Local/Regional/National/International
	Linear Algebra	Local/Regional/National/International
	Partial Differential Equations and Integral Transforms	Local/Regional/National/International
	Analytical Geometry	Local/Regional/National/International
	Mechanics-II	Local/Regional/National/International
	Practical-V	Local/Regional/National/International
	Real Analysis-II	Local/Regional/National/International
	Complex Analysis	Local/Regional/National/International
	Linear Programming	Local/Regional/National/International
	Probability and Statistics	Local/Regional/National/International
	Practical-VI	Local/Regional/National/International
	Statistical Method-I	Local/Regional/National/International
	Probability Theory	Local/Regional/National/International
	Practical-I	Local/Regional/National/International
	Statistical Method-II	Local/Regional/National/International
	Probability Distributions	Local/Regional/National/International
	Practical-II	Local/Regional/National/International
	Programming Skills With C	Local/Regional/National/International
	Elementary Inference	Local/Regional/National/International
	Sample Surveys	Local/Regional/National/International
	Practical-III	Local/Regional/National/International
	Parametric and Non- parametric Tests	Local/Regional/National/International
	Design of Experiments	Local/Regional/National/International
	Practical-IV	Local/Regional/National/International
	Applied Statistics-I	Local/Regional/National/International
	Bio-Statistics	Local/Regional/National/International
	Numerical Methods and Fundamentals of Computers	Local/Regional/National/International
	Econometrics	Local/Regional/National/International
	Practical-V	Local/Regional/National/International
	Statistical Data Analysis using R	Local/Regional/National/International
	Statistical Simulation	Local/Regional/National/International
	Applied Statistical-II	Local/Regional/National/International
	Linear Models	Local/Regional/National/International
	Operations Research	Local/Regional/National/International
	Actuarial Statistics	Local/Regional/National/International
	Practical-VI	Local/Regional/National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Electronic Devices and Circuits-I	Local/Regional/National/International
	Network Analysis	Local/Regional/National/International
	Practicals	Local/Regional/National/International
	Electronic Devices and Circuits-II	Local/Regional/National/International
	Digital Electronics	Local/Regional/National/International
	Op-amp and Linear Integrated Circuits	Local/Regional/National/International
	Combinational and Sequential Circuits	Local/Regional/National/International
	Sinusoidal Oscillators and Multivibrators	Local/Regional/National/International
	Advanced Digital Electronics	Local/Regional/National/International
	Basic Electrical Engineering and Skills	Local/Regional/National/International
	Microprocessor Architecture and Programming with 8085	Local/Regional/National/International
	Digital Signal Processing	Local/Regional/National/International
	Electronic Communication	Local/Regional/National/International
	Electronic Instrumentation	Local/Regional/National/International
	Interfacing Peripheral Devices and Applications of 8085	Local/Regional/National/International
	Verilog and FPGA based System Design	Local/Regional/National/International
	Introduction to C and its programming	Local/Regional/National/International
	Modern Communication Systems	Local/Regional/National/International
	Principles of Electronics-I	Local/Regional/National/International
	Electronic Devices, Components and Assemblies-I	Local/Regional/National/International
	Practical-I	Local/Regional/National/International
	Principles of Electronics-II	Local/Regional/National/International
	Electronic Devices, Components and Assemblies-II	Local/Regional/National/International
	Practical-II	Local/Regional/National/International
	Operational Principles of Audio and Video Systems	Local/Regional/National/International
	Microprocessor 8085 and Interfacing	Local/Regional/National/International
	Practical-I	Local/Regional/National/International
	Advanced Digital Electronics	Local/Regional/National/International
	Programming and Applications	Local/Regional/National/International
	Practical-II	Local/Regional/National/International
	Electronic Instrumentation	Local/Regional/National/International
	Computer Hardware and Maintenance-I	Local/Regional/National/International
	Consumer Electronics	Local/Regional/National/International
	Transducers and Sensors	Local/Regional/National/International
	Major Project	Local/Regional/National/International
	Electronic Equip. Maintenance	Local/Regional/National/International
	Computer Hardware and Maintenance-II	Local/Regional/National/International
	Biomedical Equip. Maintenance	Local/Regional/National/International
	Embedded Systems and Robotics	Local/Regional/National/International
	Computer Fundamentals	Local/Regional/National/International
	Web Designing using HTML and CSS	Local/Regional/National/International
	CS-Practical-I	Local/Regional/National/International
	C++ Programming-I	Local/Regional/National/International
	Logical Organisation of Computer	Local/Regional/National/International
	CS-Practical-II	Local/Regional/National/International
	C++ Programming-II	Local/Regional/National/International
	Data Structures	Local/Regional/National/International
	CS-Practical-III	Local/Regional/National/International
	Programming in JAVA	Local/Regional/National/International
	Operating Systems	Local/Regional/National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Programming in JAVA (Practical)	Local/Regional/National/International
	CS-Practical-IV	Local/Regional/National/International
	CS-Practical-V	Local/Regional/National/International
	Geography of India	Local/Regional/National/International
	Geography of Haryana	Local/Regional/National/International
	Maps and scales (Practical)	Local/Regional/National/International
	Physical Geography-I	Local/Regional/National/International
	Human Geography-I	Local/Regional/National/International
	Representation of Physical features (Practical)	Local/Regional/National/International
	Physical Geography-II	Local/Regional/National/International
	Human Geography-II	Local/Regional/National/International
	Representation of Climatic Data (Practical)	Local/Regional/National/International
	Economic Geography	Local/Regional/National/International
	Statistical Methods in Geography	Local/Regional/National/International
	Maps and Diagrams (Practical)	Local/Regional/National/International
	Map Reading and Interpretation	Local/Regional/National/International
	Reading and Interpretation of Digital Maps	Local/Regional/National/International
	Agricultural Geography	Local/Regional/National/International
	Resource Geography	Local/Regional/National/International
	Settlement Geography	Local/Regional/National/International
	Transport Geography	Local/Regional/National/International
	Map Projections (Practical)	Local/Regional/National/International
	Socio-economic Field Survey (Practical)	Local/Regional/National/International
	India: General Geography	Local/Regional/National/International
	India: General Geography (Practical)	Local/Regional/National/International
	Fundamentals of Remote Sensing	Local/Regional/National/International
	Introduction to Geo-spatial Technology	Local/Regional/National/International
	Geography of Asia	Local/Regional/National/International
	Geography of Europe	Local/Regional/National/International
	Elementary Remote Sensing (Practical)	Local/Regional/National/International
	Physical Field Survey (Practical)	Local/Regional/National/International
	World: General Geography	Local/Regional/National/International
	World: General Geography (Practical)	Local/Regional/National/International
	Physical Geology and Geomorphology	Local/Regional/National/International
	Structural Geology	Local/Regional/National/International
	GEOL-Practical-I	Local/Regional/National/International
	Crystallography and Mineral Optics	Local/Regional/National/International
	Mineralogy	Local/Regional/National/International
	GEOL-Practical-II	Local/Regional/National/International
	Palaeontology	Local/Regional/National/International
	Stratigraphy	Local/Regional/National/International
	GEOL-Practical-III	Local/Regional/National/International
	Igneous and Metamorphic Geology	Local/Regional/National/International
	Sedimentology	Local/Regional/National/International
	GEOL-Practical-IV	Local/Regional/National/International
	Field Techniques in Geology	Local/Regional/National/International
	Economic Geology	Local/Regional/National/International
	Exploration Geology and Remote Sensing	Local/Regional/National/International
	GEOL-Practical-V	Local/Regional/National/International
	Natural Hazards	Local/Regional/National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Environmental Geology	Local/Regional/National/International
	GEOL-Practical-VI	Local/Regional/National/International
	Engineering Geology and Mining Geology	Local/Regional/National/International
	Hydrogeology	Local/Regional/National/International
	GEOL-Practical-VII	Local/Regional/National/International
	Oceanography	Local/Regional/National/International
	Climatology	Local/Regional/National/International
	GEOL-Practical-VIII	Local/Regional/National/International
	Food Science	Local/Regional/National/International
	Basic Nutrition	Local/Regional/National/International
	Introduction to Human Development	Local/Regional/National/International
	Life Span Development-I	Local/Regional/National/International
	Human Physiology and Promotive Health	Local/Regional/National/International
	Introductory Chemistry	Local/Regional/National/International
	Functional English	Local/Regional/National/International
	Introduction to Clothing and Apparel Selection	Local/Regional/National/International
	Aesthetic in Apparel and Methods of Developing Designs	Local/Regional/National/International
	Management of Family Resources	Local/Regional/National/International
	Household Equipment and Consumer Protection	Local/Regional/National/International
	Hygiene	Local/Regional/National/International
	Nutritional Biochemistry	Local/Regional/National/International
	Environment Science	Local/Regional/National/International
	Introduction to Textile and Clothing Construction	Local/Regional/National/International
	Laundry Science and Finishing of Fabrics	Local/Regional/National/International
	Housing and Space Management	Local/Regional/National/International
	Interior Design and Home Décor	Local/Regional/National/International
	Early Childhood Education and Children with Special Needs	Local/Regional/National/International
	Family Transition and Population Education	Local/Regional/National/International
	Personality Development	Local/Regional/National/International
	Nutrition in Life Cycle	Local/Regional/National/International
	Applied and Community Nutrition	Local/Regional/National/International
	Life Span Development-II	Local/Regional/National/International
	Adulthood: Guidance and Counseling	Local/Regional/National/International
	Community Development and Extension Education-I	Local/Regional/National/International
	Community Development and Extension Education-II	Local/Regional/National/International
	Computer Applications in Communication and Media Design	Local/Regional/National/International
	Basics of Physics	Local/Regional/National/International
	Dietetics-I	Local/Regional/National/International
	Dietetics-I (Practical)	Local/Regional/National/International
	Therapeutic Nutrition-I	Local/Regional/National/International
	Therapeutic Nutrition-I (Practical)	Local/Regional/National/International
	Entrepreneurial Techniques in Home Science-I	Local/Regional/National/International
	Entrepreneurial Techniques in Home Science-I (Practical)	Local/Regional/National/International
	Entrepreneurship and Enterprise Management-I	Local/Regional/National/International
	Entrepreneurship and Enterprise Management-I (Practical)	Local/Regional/National/International
	Indian Textiles Heritage and Designing	Local/Regional/National/International
	Indian Textiles Heritage and Designing (Practical)	Local/Regional/National/International
	E-Commerce of Artifact	Local/Regional/National/International
	Biomolecules	Local/Regional/National/International
	Biomolecules (Practicals)	Local/Regional/National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	General Microbiology	Local/Regional/National/International
	General Microbiology (Practicals)	Local/Regional/National/International
	Cell Biology	Local/Regional/National/International
	Cell Biology (Practicals)	Local/Regional/National/International
	Enzymology	Local/Regional/National/International
	Enzymology (Practicals)	Local/Regional/National/International
	Genetics	Local/Regional/National/International
	Genetics (Practicals)	Local/Regional/National/International
	Mammalian Physiology	Local/Regional/National/International
	Mammalian Physiology (Practicals)	Local/Regional/National/International
	Metabolism	Local/Regional/National/International
	Metabolism (Practicals)	Local/Regional/National/International
	Plant Anatomy and Physiology	Local/Regional/National/International
	Plant Anatomy and Physiology (Practicals)	Local/Regional/National/International
	Inorganic Chemistry-I	Local/Regional/National/International
	Physical Chemistry-I	Local/Regional/National/International
	Organic Chemistry-I	Local/Regional/National/International
	Chemistry-I (Practicals)	Local/Regional/National/International
	Computer Science level-I	Local/Regional/National/International
	Developmental Biology	Local/Regional/National/International
	Developmental Biology (Practicals)	Local/Regional/National/International
	Molecular Biology	Local/Regional/National/International
	Molecular Biology (Practicals)	Local/Regional/National/International
	Animal Biotechnology	Local/Regional/National/International
	Animal Biotechnology (Practicals)	Local/Regional/National/International
	Inorganic Chemistry-II	Local/Regional/National/International
	Physical Chemistry-II	Local/Regional/National/International
	Organic Chemistry-II	Local/Regional/National/International
	Chemistry-II (Practicals)	Local/Regional/National/International
	Bioanalytical Tools	Local/Regional/National/International
	Animal Diversity	Local/Regional/National/International
	Animal Diversity (Practicals)	Local/Regional/National/International
	Recombinant DNA Technology	Local/Regional/National/International
	Recombinant DNA Technology (Practicals)	Local/Regional/National/International
	Plant Biotechnology	Local/Regional/National/International
	Plant Biotechnology (Practicals)	Local/Regional/National/International
	Food Technology	Local/Regional/National/International
	Food Technology (Practicals)	Local/Regional/National/International
	Biomathematics	Local/Regional/National/International
	Biomathematics (Practicals)	Local/Regional/National/International
	Medical Biotechnology	Local/Regional/National/International
	Medical Biotechnology (Practicals)	Local/Regional/National/International
	Inorganic Chemistry-III	Local/Regional/National/International
	Physical Chemistry-III	Local/Regional/National/International
	Organic Chemistry-III	Local/Regional/National/International
	Chemistry-III (Practicals)	Local/Regional/National/International
	Evolutionary Biology	Local/Regional/National/International
	Evolutionary Biology (Practicals)	Local/Regional/National/International
	Genomics and Proteomics	Local/Regional/National/International
	Genomics and Proteomics (Practicals)	Local/Regional/National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	IPR, Bioethics and Biosafety	Local/Regional/National/International
	IPR, Bioethics and Biosafety (Practicals)	Local/Regional/National/International
	Immunology	Local/Regional/National/International
	Immunology (Practicals)	Local/Regional/National/International
	Bioinformatics	Local/Regional/National/International
	Bioinformatics (Practicals)	Local/Regional/National/International
	Molecular Diagnostics	Local/Regional/National/International
	Molecular Diagnostics (Practicals)	Local/Regional/National/International
	Inorganic Chemistry-IV	Local/Regional/National/International
	Physical Chemistry-IV	Local/Regional/National/International
	Organic Chemistry-IV	Local/Regional/National/International
	Chemistry-IV (Practicals)	Local/Regional/National/International
	Ecology and Environment Management	Local/Regional/National/International
	Ecology and Environment Management (Practicals)	Local/Regional/National/International
	Advanced Molecular Biology	Local/Regional/National/International
	Advanced Molecular Biology (Practicals)	Local/Regional/National/International
	Bioprocess and Fermentation Technology	Local/Regional/National/International
	Bioprocess and Fermentation (Practicals)	Local/Regional/National/International
	Biostatistics	Local/Regional/National/International
	Biostatistics (Practicals)	Local/Regional/National/International
	Nanotechnology	Local/Regional/National/International
	Nanotechnology (Practicals)	Local/Regional/National/International
	Medicinal Microbiology	Local/Regional/National/International
	Medicinal Microbiology (Practicals)	Local/Regional/National/International
	Advanced Recombinant DNA Technology	Local/Regional/National/International
	Advanced Recombinant DNA Technology (Practicals)	Local/Regional/National/International
	Animal Cell Culture	Local/Regional/National/International
	Animal Cell Culture (Practicals)	Local/Regional/National/International
	Bioentrepreneurship Development	Local/Regional/National/International
	Bioentrepreneurship Development (Practicals)	Local/Regional/National/International
	Biotechnology and Human Welfare-I	Local/Regional/National/International
	Industrial Training	Local/Regional/National/International
	Bioinstrumentation	Local/Regional/National/International
	Bioinstrumentation (Practicals)	Local/Regional/National/International
	Environmental Biotechnology	Local/Regional/National/International
	Environmental Biotechnology (Practicals)	Local/Regional/National/International
	Immunology	Local/Regional/National/International
	Immunology (Practicals)	Local/Regional/National/International
	Bioinformatics	Local/Regional/National/International
	Bioinformatics (Practicals)	Local/Regional/National/International
	Biotechnology and Human Welfare-II	Local/Regional/National/International
	One month summer/Industrial Training	Local/Regional/National/International
	Project	Local/Regional/National/International
	Mechanics-I	Local/Regional/National/International
	Mechanics-II	Local/Regional/National/International
	Physics Practical-I	Local/Regional/National/International
	Calculus	Local/Regional/National/International
	Algebra and Number	Local/Regional/National/International
	Mathematics Practical-I	Local/Regional/National/International
	Inorganic Chemistry-I	Local/Regional/National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Physical Chemistry-I	Local/Regional/National/International
	Organic Chemistry-I	Local/Regional/National/International
	Chemistry Practical-I	Local/Regional/National/International
	Electricity and Magnetism	Local/Regional/National/International
	Electronics	Local/Regional/National/International
	Physics Practical-II	Local/Regional/National/International
	Advanced Calculus	Local/Regional/National/International
	Differential Equations	Local/Regional/National/International
	Mathematics Practical-II	Local/Regional/National/International
	Inorganic Chemistry-II	Local/Regional/National/International

	Industrial Safety	National/International
	Operation Research	National/International
	Cost Management of Engineering Projects	National/International
	Composite Materials	National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
Department of Law	Jurisprudence (Legal Method, Indian Legal System and Basic Theory of Law)	National/International
	Constitutional Law-I	National/International
	Family Law-I	National/International
	Law of Crimes-I: Indian Penal Code	National/International
	Law of Contract-I	National/International
	Public International Law	National/International
	Constitutional Law-II	National/International
	Family Law-II	National/International
	Law of Crimes-II: Code of Criminal Procedure	National/International
	Law of Contract-II (Special Contract)	National/International
	Law of Torts including M.V. Accident and Consumer Protection Laws	National/International
	Law of Evidence	National/International
	Criminology and Victimology	National/International
	Company Law	National/International
	Compulsory Clinical Course: Drafting, Pleading and Conveyancing	National/International
	Property Law	National/International
	Administrative Law and Right to Information	National/International
	Insurance Law	National/International
	Environmental Law	National/International
	Compulsory Clinical Course: Professional Ethics	National/International
	Civil Procedure Code and Limitation Act	National/International
	Labour and Industrial Law-I	National/International
	Land Laws including Tenure and Tenancy System	National/International
	Cyber Law	National/International
	Human Rights and Law of Disability	National/International
	Compulsory Clinical Course: Alternate Dispute Resolution	National/International
	Principles of Taxation Law	National/International
	Labour and Industrial Law-II	National/International
	Intellectual Property Law	National/International
	Women and Law	National/International
	Animal Protection Laws	National/International
	Interpretation of Statutes	National/International
	Compulsory Clinical Course: Moot Court Exercise and Internship	National/International
	Legal Theory	National/International
	Indian Constitutional Law and the New Challenges	National/International
	Principles of Statutory Interpretation	National/International
	Legal and Constitutional History	National/International
	Law, Social Transformation and Judicial Process in India	National/International
	Comparative Law	National/International
	International organization : Law , Practice and Future	National/International
	Disarmament and Peace Strategies	National/International
	History and Principles of Criminal Law	National/International
	Comparative Criminal Procedure	National/International
Corporate Law and Management	National/International	
Law of Contractual Transactions	National/International	
Law Relating to Labour Management Relations	National/International	
Industrial Adjudication	National/International	
Environment and Development: Law and Policy	National/International	
Resource Management and the Law	National/International	
Comparative Judicial Process	National/International	

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Marxian and Theory of Law	National/International
	Mass Media and Democracy Constitutional	National/International
	Public Utilities and Welfare State	National/International
	Feminist Theorizing and Legal Order	National/International
	Nationalist Struggle and Gender Equality	National/International
	Law, Science and Technology	National/International
	Law, Science and Medicine	National/International
	Concept and Development of Human Rights.	National/International
	Human Rights and International Order	National/International
	Administrative Process: Nature and Scope	National/International
	Administrative Process and Judicial Control	National/International
	Law of Equity and Trust	National/International
	International Humanitarian Law	National/International
	Law and Diplomacy	National/International
	Criminology	National/International
	Penology	National/International
	Law of Banking and Negotiable Instruments	National/International
	Law of Industrial and Intellectual Property	National/International
	Law Relating to Social Security	National/International
	Law Relating to Wages and Monetary Benefits	National/International
	Prevention and Control of Pollution	National/International
	Environment and International Legal Order	National/International
	Socialist Jurisprudence	National/International
	Theories of Justice	National/International
	Constitutionalism: Power of Judicial Review	National/International
	Federalism: Union-State Relations	National/International
	Patriarchal Elements in Indian Law	National/International
	Gender Perspective in International Law	National/International
	Patriarchal Elements in Indian Law	National/International
	Gender Perspective in International Law	National/International
	Protection and Enforcement of Human Rights	National/International
	Human Rights of Disadvantaged Groups: Problems and Issues	National/International
	Administrative Process- Delegated Legislation and Adjudication	National/International
	Administrative Process: Controls of Discretion and Maladministration	National/International
	Law of the Sea	National/International
	International and Contemporary Issues	National/International
	Drug Addiction, Criminal Justice and Human Rights	National/International
	Juvenile Delinquency	National/International
	Insurance Law	National/International
	Legal Regulation of Economic Enterprises	National/International
	Law Relating to Unorganised Labour	National/International
	Law Relating to Civil Servants	National/International
	Biological Diversity and Legal order	National/International
	Environmental Legislation	National/International
	Law and Society	National/International
	Concepts of Rights	National/International
	Human Rights: Constitution of India	National/International
	Constitutional Pluralism: Protection of Special National Interests	National/International
	Labour, Gender and Law	National/International
	Population Planning and the Role of Women	National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Biotechnology and Legal Regulation	National/International
	Epidemiological and Public Health aspects of Science and Technology	National/International
	International Humanitarian Law and Refugee Law	National/International
	Science, Technology and Human Rights	National/International
	Public Authorities: Liability	National/International
	Comparative Administrative Law	National/International
Institute of Law	General English-I (Grammar and Uses Vocabulary and Writing Skills)	International
	Political Science-I (Political Theory)	International
	Sociology-I (Basics of Sociology)	International
	Application of Computer in Law	National
	Law of Torts	International
	Law of Contract-I (General Principles)	International
	English-II (Communication Writing Skills and Introduction to English Literature)	International
	Political Science-II (Political Analysis)	National
	Sociology-II (Indian Society)	International
	Legal and Constitutional History	National
	Law of Consumer Protection and Competition	International
	Law of Contract-II (Special Contracts)	International
	English-III (Vocabulary, Advanced Writing Skills and An Introduction to Research Methodology)	International
	Political Science-III (International Relations and Organizations)	International
	Sociology-III (Civil Society and Public Grievances)	National
	Constitutional Law of India-I	National
	Property Law	International
	Public International Law	International
	Economics-I (Introduction to Economics)	International
	Political Science-IV (Comparative Constitutions)	National
	Law of Crimes-I	National
	Constitutional Law of India-II	International
	Jurisprudence	International
	Environmental Law	International
	Economics-II	National
	Political Science-V (Indian Politics)	National
	Family Law-I	National
	Law of Crimes-II (Code of Criminal Procedure, 1973)	International
	Labour and Industrial Law-I	International
	Company Law and Corporate Governance	International
	Economics-III (Law and Economics)	International
	Political Science-VI (Foreign Policy of India)	National
	Family Law-II	National
	Law of Evidence	International
	Labour and Industrial Law-II	National
	Administrative Law and Right to Information	International
	History-I	National
	Civil Procedure Code-I	National
	Principles of Taxation Laws	International
	Interpretation of Statutes and Principles of Legislation	International
	Human Rights Law and Practice	International
	International Trade Law	International
	Professional Ethics, Accountancy for Lawyers and Bench Bar Relation	International
	History-II	National

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International	
	Civil Procedure Code and Limitation Act	National	
	Indirect Taxation Laws	International

	Internship	International
	Dissertation/Project	National
	Printing Process (Theory)	International
	Printing Process (Practical)	International
	Typography (Theory)	International
	Typography (Practical)	National
	Fundamentals of Packaging (Theory)	National
	Fundamentals of Packaging (Practical)	National
	Fundamentals of Computer (Theory)	National
	Fundamentals of Computer (Practical)	International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International	
	Food Packaging (Theory)	International	
	Food Packaging (Practical)	International	
	Printing and Packaging Materials (Theory)	International	
	Printing and Packaging Materials (Practical)	International	
	Graphic Design (Theory)	International	
	Graphic Design (Practical)	International	
	Sheet fed Offset Technology (Theory)	International	
	Sheet fed Offset Technology (Practical)	International	
	Image Reproduction Technology	International	
	Paper and Ink Technology	International	
	Flexography	International	
	Food Packaging	International	
	Applied Physics	National	
	Advertising	International	
	Pre-Press Technology	International	
	Computer Graphics	International	
	Gravure Technology	International	
	Web Offset Technology	International	
	Applied Chemistry	National	
	Sales and Marketing	International	
	Binding and Finishing Technology	International	
	Printer's Science	International	
	Book and Newspaper Publishing	International	
	Packaging Machinery Logistic and Regulations	International	
	Quality Control in Printing and Packaging	International	
	Digital Printing	International	
	Security Printing	International	
	Costing and Estimating	International	
	Management and Entrepreneurship	National	
	Major Project	National	
	Pharmaceutical Sciences	Human Anatomy and Physiology-I (Theory)	National/International
		Pharmaceutical Analysis-I (Theory)	National/International
		Pharmaceutics-I (Theory)	National/International
Pharmaceutical Inorganic Chemistry (Theory)		National/International	
Communication skills (Theory)		National/International	
Remedial Biology		National/International	
Remedial Mathematics (Theory)		National/International	
Human Anatomy and Physiology (Practical)		National/International	
Pharmaceutical Analysis-I (Practical)		National/International	
Pharmaceutics-I (Practical)		National/International	
Pharmaceutical Inorganic Chemistry (Practical)		National/International	
Communication skills (Practical)		National/International	
Remedial Biology (Practical)		National/International	
Human Anatomy and Physiology-II (Theory)		National/International	
Pharmaceutical Organic Chemistry-I (Theory)		National/International	
Biochemistry (Theory)		National/International	
Pathophysiology (Theory)		National/International	
Computer Applications in Pharmacy (Theory)		National/International	
Environmental Sciences (Theory)		National/International	
Human Anatomy and Physiology-II (Practical)		National/International	

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Pharmaceutical Organic Chemistry-I (Practical)	National/International
	Biochemistry (Practical)	National/International
	Computer Applications in Pharmacy (Practical)	National/International
	Pharmaceutical Organic Chemistry-II (Theory)	National/International
	Physical Pharmaceutics-I (Theory)	National/International
	Pharmaceutical Microbiology (Theory)	National/International
	Pharmaceutical Engineering (Theory)	National/International
	Pharmaceutical Organic Chemistry-II (Practical)	National/International
	Physical Pharmaceutics-I (Practical)	National/International
	Pharmaceutical Microbiology (Practical)	National/International
	Pharmaceutical Engineering (Practical)	National/International
	Pharmaceutical Organic Chemistry-III (Theory)	National/International
	Medicinal Chemistry-I (Theory)	National/International
	Physical Pharmaceutics-II (Theory)	National/International
	Pharmacology-I (Theory)	National/International
	Pharmacognosy and Phytochemistry-I (Theory)	National/International
	Medicinal Chemistry-I (Practical)	National/International
	Physical Pharmaceutics-II (Practical)	National/International
	Pharmacology-I (Practical)	National/International
	Pharmacognosy and Phytochemistry-I (Practical)	National/International
	Medicinal Chemistry-II (Theory)	National/International
	Industrial Pharmacy-I (Theory)	National/International
	Pharmacology-II (Theory)	National/International
	Pharmacognosy and Phytochemistry-II (Theory)	National/International
	Pharmaceutical Jurisprudence (Theory)	National/International
	Industrial PharmacyI (Practical)	National/International
	Pharmacology-II (Practical)	National/International
	Pharmacognosy and Phytochemistry-II (Practical)	National/International
	Medicinal Chemistry-III (Theory)	National/International
	Pharmacology-III (Theory)	National/International
	Herbal Drug Technology (Theory)	National/International
	Biopharmaceutics and Pharmacokinetics (Theory)	National/International
	Pharmaceutical Biotechnology (Theory)	National/International
	Quality Assurance (Theory)	National/International
	Medicinal chemistry-III (Practical)	National/International
	Pharmacology-III (Practical)	National/International
	Herbal Drug Technology (Practical)	National/International
	Instrumental Methods of Analysis (Theory)	National/International
	Industrial Pharmacy-II (Theory)	National/International
	Pharmacy Practice (Theory)	National/International
	Novel Drug Delivery System (Theory)	National/International
	Instrumental Methods of Analysis (Practical)	National/International
	Biostatistics and Research Methodology	National/International
	Social and Preventive Pharmacy	National/International
	Pharma Marketing Management	National/International
	Pharmaceutical Regulatory Science	National/International
	Pharmacovigilance	National/International
	Cell and Molecular Biology	National/International
	Cosmetic Science	National/International
	Experimental Pharmacology	National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
	Advanced Instrumentation Techniques	National/International
	Dietary Supplements and Nutraceuticals	National/International
	Modern Pharmaceutical Analytical Techniques	National/International
	Drug Delivery System	National/International
	Modern Pharmaceutics	National/International
	Regulatory Affair	National/International
	Pharmaceutics Practical-I	National/International
	Molecular Pharmaceutics	National/International
	Advanced Biopharmaceutics and Pharmacokinetics	National/International
	Computer Aided Drug Delivery System	National/International
	Cosmetics and Cosmeceuticals	National/International
	Pharmaceutics Practical-II	National/International
	Advanced Organic Chemistry-I	National/International
	Advanced Medicinal Chemistry	National/International
	Chemistry of Natural Products	National/International
	Pharmaceutical Chemistry Practical-I	National/International
	Advanced Spectral Analysis	National/International
	Advanced Organic Chemistry-II	National/International
	Computer Aided Drug Design	National/International
	Pharmaceutical Process Chemistry	National/International
	Pharmaceutical Chemistry Practical-II	National/International
	Advanced Pharmacology-I	National/International
	Pharmacological and Toxicological Screening Methods-I	National/International
	Cellular and Molecular Pharmacology	National/International
	Pharmacology Practical-I	National/International
	Advanced Pharmacology-II	National/International
	Pharmacological and Toxicological Screening Methods-II	National/International
	Principals of Drug Discovery	National/International
	Clinical Research and Pharmacovigilance	National/International
	Pharmacology Practical-II	National/International
	Advanced Pharmacognosy-I	National/International
	Phytochemistry	National/International
	Industrial Pharmacognostical Technology	National/International
	Pharmacognosy Practical-I	National/International
	Medicinal Plant Biotechnology	National/International
	Advanced Pharmacognosy-II	National/International
	Indian System of Medicine	National/International
	Herbal Cosmetics	National/International
	Pharmacognosy Practical-II	National/International
	Research Methodology and Biostatistics	National/International
	Quality Management System	National/International
	Quality Control and Quality Assurance	National/International
	Product Development and Technology Transfer	National/International
	Pharmaceutical Quality Assurance Prectical-I	National/International
	Hazards and Safety Management	National/International
	Pharmaceutical Validation	National/International
	Audits and Regulatory Compliance	National/International
	Pharmaceutical Manufacturing Technology	National/International
	Pharmaceutical Quality Assurance Prectical-II	National/International
	Pharmaceutical Sciences	National/International

1.1.1: Relevance of the Courses

Name of Department	Name of Course	Relevance: Local/Regional/National/International
Women's Studies Centre	Conceptualising Women's Studies	Local/Regional/National/International
	Women and Society	Local/Regional/National
	Women's Movements in India	National
	Women and Development	National/International
	Understanding Women from a Historical Perspective	National
	Feminist Thought	National/International
	Women and Work	Local/National
	Women and Law-I	National
	Women in Contemporary Indian Society	Local/Regional/National
	Women, Science and Technology	National
	Policies and Programmes for Women's Development	Regional/National
	Research Methodology in Women's Studies-I	National
	Women and Law-II	National
	Women and Health	Regional/National/International
	Women, Education and Entrepreneurship	Regional/National/International
	Women and Political Development	Local/Regional/National/International
	Research Methodology in Women's Studies-II	National
	Women and Media	Regional/National
	Women and Environment	National/International
	Women in Leadership and Management	National
DR. B.R. Ambedkar Studies Centre	Buddhist Language (Pali) and literature	National
	History of Buddhist	National
	Buddhist Philosophy	National
	Buddhist Ethics	National
