Sub: On-line Training Programme in Heritage Walk

It is submitted that an On-Line Training Programme in Heritage walk of 30-hours duration is proposed to start in the month of August, 2020. The said programme is to be started in collaboration with India City walks, Delhi with whom the University has already signed an MOU.

The said programme has been designed in view of the existing Covid pandemic which has, for the time being, restricted the business practices and job opportunities in travel and tourism sector. But as the things are gradually improving and there appears to be more demand of new types of travel experiences, the On-line Training Programme in Heritage Walk holds a justification. Since the University has an advantage in the field of heritage management, the said course shall meet the expectations of industry and the job-seeking youth.

The programme shall be of 30 (thirty) hours duration, which tentatively, be divided into 10 – 15 sessions – each to be looked after by an expert on-line. The sessions shall include the presentations, lectures, discussions, Q&A sessions, activities for engagement, case studies and project etc. The total number of seats shall be thirty only

The registration fee of Rs. 500/- will be charged from the interested students in order to add some seriousness towards the programme. A joint certificate by Kurukshetra University and India City Walks shall be awarded to the students who successfully complete the programme.

The tentative expenditure of the programme shall be as follows:

1. Resource persons/experts	approx. 30 lectures	Rs. 30,000/- @ Rs. 1500 per one and a half hour
2. Project Report Viva-Voce	30 Project Reports	Rs. 1500/- @Rs. 50 per report
3. Course Coordinator	-----	Rs. 2,000/-
4. Miscellaneous expenses		Rs. 5000/-
TOTAL		38,500/- (Thirty Eight Thousand & five hundred only)

All the expenditure of the course, amounting to Rs.38,500/- shall be met from the RUSA Budget. The fee collected from the students @Rs. 5,00/- per student shall be accrued in the Account of RUSA and can be used for other expenditure of the course not covered in above mentioned cost of the Course.

The proposal is submitted for consideration and approval.
