To Whom It May Concern

Bharat Bhushan worked as an SAP Cloud Integration Intern for 1 and a half month at Webivorous. During that time, Bharat had diverse responsibilities; he analyzed and researched topics as per the requirements from the real project scenario - "WAREHOUSE LOGISTIC FLOW".

He had integrated various SaaS products and APIs through - SAP Cloud Integration adapters (like - Mail, SFTP, Odata, SOAP, HTTP etc.). He is good with requirement gathering, presentations, documentation and writing code (in groovy script and message mapping).

Bharat is bright, articulate, and hard working. His enthusiasm for the job comes through in all he does. He has good analytic and problem-solving skills.

We recommend Bharat for any job/internship he is considering as cloud integration associate. He would be an asset to any employer

Dear Sir,

Arulandam Arul Sanjeeth who is in the Department of visual and technological arts, SVIAS, EUSL. He designed the banner, invitation, coding, posters for the International Research Symposium held 24th & 25th November, 2021 at Swami Vipulananda Institute of Aesthetic Studies, Eastern University, Sri Lanka. He has also designed university events, seminars, book covers, etc.

I confirm that all the design work, photographs and cartoons he has submitted there are designed by him.

I can honestly say that he is a person who led his duty as a professional. He was involving many activities of SVIAS during his academic period. I appreciate his academic duties and his respective manners.

Thanking you
