Lucknow City

Lucknow is the capital city of Uttar Pradesh and it has always been a multicultural city. Courtyl manners, beautiful gardens, poetry, music, and fine cuisine patronised by the Persian-loving Shah Nivahs of the city are well known amongst Indians and students of South Asian culture and history. Lucknow is popularly known as the City of Nawabs. It is also known as the Golden City of the East, Shimla-Mind and The Constantinople of India.

The "Midnight Rap Lucknow Main Hain" website says it all, it is basically a prediction then a statement that continues, days spent in this capital city will be the best memories you are going to have! Lucknow's equitableness makes one speechless, and it allures history buffs, families and explorers, by one. The Tuesday Raikab, the Raikab Aj Nibah, the fun outing at Kukul, the picnic at the Indian Gate, day exploration of Imambara, and the night-time hangout at Marine Drive never let one's hope down. Wrapped around with rich artistic and cultural ambience, Lucknow certainly calls out to be one of the best places to visit.

TO WHOM SO EVER IT MAY CONCERN

This is to certify that Dr. Hardeep Rai Sharma, Assistant Professor, Institute of Environmental Studies, Kurukshetra University Kurukshetra was a course coordinator for the paper **Water Resources and Management (EVS/WRM-V)** for e PG Pathshala (M. Sc. Environmental Sciences), an MHRD (Govt. of India) project under its National Mission on Education through ICT (NME-ICT) between June 15, 2016-June 30 2018. He coordinates between PI, Co-PI's, different authors, reviewers, and recording vendor in successfully developing and recording 39 modules for this programme. The e-content of the modules is available at: http://epgp.inflibnet.ac.in/view_s.php?category=275. Further, Dr. Hardeep has developed a total of six modules for this paper out of which two modules as single author and four modules as corresponding author. I hereby acknowledge and appreciate his services for the National cause.
