Respected Ma'am,
Dr. Vandana Dave,
Department of Women's Research Center,
Kurukshetra University,

Recognized as India's most trusted NGO, Child Rights and You (CRY) works tirelessly to ensure happier and healthier childhoods for India's underprivileged children. We address children's critical needs by working with parents, teachers, Anganwadi workers, communities, district, and state-level governments as well as the children themselves. Over the last 4 decades, we have impacted the lives of over 3 million children across 19 states in India.

We are organizing a one-day consultation on "Securing gains and increasing awareness for universalization of Education for children upto 18 years" on 5th April 2021 from 10 am to 2 pm in Kurukshetra. We have invited diverse stakeholders like government representatives, NGOs, and academicians, adolescent girls to share their views on the above subject.

We will be immensely grateful to invite you as a speaker for the same. Kindly oblige us with your warm presence in the consultation in support of the initiative for universalization of education for up to 18 years. We believe your voice would be a critical addition to the consultation. Thank you in advance for your consideration, and we very much look forward to hearing from you.

I also request you to please bring two students with you who are doing PHD/ Masters from KKR University.

This is to request you to please come to this consultation in Kurukshetra on 5th April 2021 from the Kurukshetra University and oblige us. Will shortly inform you about the venue and agenda.

A line of confirmation will be highly appreciated.

I have attached the concept note and participant list for your perusal
