INTERNATIONAL SEMINAR ON “EXPLORING ‘SELF’ IN DIGITAL AGE – THE PERSPECTIVE OF SRIMAD BHAGAVAD-GITA PHILOSOPHY”

NOVEMBER 25-27, 2017

Background

Societies are complex entities that evolve with time but stay grounded in fundamental principles entrenched in their scriptures, practices, norms and cultures. Their advancement began with industrialization and strode towards a new global order after 2000. The interconnectivity brought by globalization and growth of digital technology has created a cyber world that was unthinkable a few decades back and the future world may be a completely different place to live.

History has been witness to the constant struggle of human mind to understand the complexities of relationships that has been beautifully captured as the Krishna-Arjun Samvad in the Indian scripture Bhagavad-Gita. The ageless wisdom of the dialogues deals with all values and emotions arising in human mind. An understanding of these values of Bhagavad-Gita in the contemporary context is need of the hour. In this backdrop the International Seminar on, ‘**Exploring self in Digital age – The perspective of Bhagavad-Gita Philosophy**’ is planned to share and expand new researches and works. It offers a broader framework to see and live the life. This framework explains the theory of Karma and Bhakti which are essential ingredients of enlightened life. Without understanding this framework, the existential crisis of humans cannot be addressed.

The seminar is aimed to examine the extent – vertical and horizontal, of the digital revolution and its social, moral, emotional, cultural and ethical implications on our present society. The seminar is an effort to resolve the conflict between man and technology through the invocation of philosophy of Gita.

Organizers

The seminar is being organized by Kurukshetra University from November 25-27, 2017 as part of International Gita *Samaroh* 2017. The participants to the seminar will have the opportunity to experience different events associated with Gita during stay here. Kurukshetra University is a wonderful place to learn from past and move into future. Beginning with a Sanskrit department in 1956 it has grown into a multidisciplinary centre of education. Its vast expanse and serene ambience provide ideal settings for debates, discussions and free thinking.

This seminar is jointly organized by the Departments of Tourism and Hotel Management, Sanskrit, Philosophy and Management with the objective of getting inputs from scholars on Gita from different fields. Special focus will be on researches dealing with issues of cyber age from the perspective of teachings of BhagavaGita.

Theme(s) for Paper

The seminar is divided into six sessions as detailed below. Academic researches, working papers, commentaries and other contributions are invited for the technical sessions. A few subject areas are specified for the sessions but researches working in other disciplines may also contribute as the wisdom of ‘Bhagwad-Gita’ cannot be captured in modern compartments of disciplines.

<i>Inaugural Session</i>	<i>Nov 25, 10 am -1.00 PM</i>	<i>Bhagwad-Gita in modern interconnected world</i>
Technical Session 1	Nov 25, 2.30 PM-6.00 PM	Man – Technology Conflict in Digital Age & Its Resolution through Philosophy of Srimad Bhagwad-Gita
Technical Session 2	Nov 26, 10.00 AM- 1.00 PM	‘Self’ Tourism in the sacred spaces of Bhagwad-Gita
Technical Session 3	Nov 26, 2.30 PM- 6.00 PM	Corporate Governance and Srimad-Bhagwad-Gita Management Ideas in Srimad-Bhagwadgita
Technical Session 4	Nov 27, 10.00 AM- 1.30 PM	Timeless wisdom of Srimad-Bhagwad-Gita

Report of the Seven Days Special Camp**on the theme 'Communal Harmony'****Village Barna****March 21-27, 2018**

**Dr. Neeraj Batish
Dr. Raj Kamal
(Programme Officers)**

National Service Scheme (NSS), University Teaching Departments, Kurukshetra University Kurukshetra, as one of its regular annual activities this session also organised a Seven Day Special Camp at Village Barna near the university from 21st March to 27th March, 2018. Taking into consideration, the rising intolerance in society and other recent unfortunate events witnessed in North India during some recent times 'Communal Harmony' was adopted as the theme of the camp. Most of the activities of the camp therefore concentrated around creating harmony and peace in the society. During the camp volunteers working on the motto of the NSS 'Not Me But You' spread the idea of communal harmony and popularized the digital India programs initiated by the government in the village and adjoining areas.

Day 1 (21/03/2018) :-

On the first day of the camp, all the volunteers willing to participate in the camp assembled at Students' Home of the university. Dr. Neeraj Batish and Dr. Raj Kamal, Programme Officers, highlighted the importance of the theme of the camp 'Communal Harmony' and the significance of the Seven Day Camp in the NSS. How the camp was to proceed in the next days was also discussed and the ideas and suggestions were invited from the volunteers to make it more involving and

result oriented. After that the volunteers got themselves formally registered for the camp and were divided into five different groups. The groups were named after various freedom fighters and were assigned different duties to be performed throughout the camp on rotational basis. After selecting their group leaders the volunteers left for Barna, in the university bus, where they were greeted with lunch on arrival.

Shri. Shiv Lal, Sarpanch of the village was the Chief Guest at the inaugural function of the camp which took place in the post lunch session in the Hira Lal Anganwari. The village sarpanch and the other eminent villagers present in the function during their interaction informed the volunteers about the different difficulties being faced by the villagers. The function ended with the singing of the National Anthem.

In evening the volunteers returned to the university campus and performed various night activities in the hostel which they were assigned. The people from different parts of Haryana come to KUK campus for Ratnawali Fest. This is one such major extension activity where students learn from older generation and professionals about their heritage and at the same time younger generation make them aware about current environment issues and technologies. Ratnawali also serves as a powerful platform to convey social and environmental messages to masses. This year being the Swarna Jayanti of Haryana, Ratnawali was celebrated as a National Festival. **Through Ratnawali, Kurukshetra University in the past has successfully revived the dying Rasiya Dance Form and as well the nearly lost Haryanvi dialects Bangar, Baggar, Ahir, Khadar and Kaurvi. Ratnawali – 2017 celebrated as Swarna Jayanti National Level Festival**

KURUKSHETRA UNIVERSITY KURUKSHETRA

(ESTABLISHED BY THE STATE LEGISLATURE ACT XII OF 1956)
('A' GRADE, NAAC ACCREDITED)

LEGAL AID AS AN INSTRUMENT OF SOCIAL JUSTICE

INSTITUTE OF LAW

The University programmes combine the enduring value of a liberal art education with the skills and experience offered by professional departments. The University offers 179 courses on the campus in 47 Departments/Institutes through a highly qualified faculty. The University also has 282 affiliated colleges and institutes in seven districts of Haryana.

The campus of the University has often been rated as one of the most beautiful campuses in India. It resembles a large, self-contained village with lectures theaters, smart class rooms, Wi-Fi campus, libraries, laboratories, on-campus hostel accommodation, cafeterias, canteens, market, swimming pool, gymnasia, banks, ATM's, post office and world class sports facilities. The most remarkable feature of the campus is a seamless interconnection of nature and the built environment. These are a number of lush green gardens, water fountains and sidewalks which provides an ideal environment on the campus for study and leisure. Keeping pace with the changing time, University is digitizing the operations. Infrastructure is being upgraded and added to match with the very best institutions.

We look forward to achieving a place among the global academic community and better serve the society.

INSTITUTE OF LAW

The Institute of Law, Kurukshetra University Kurukshetra, has the unique distinction of being the first law school in Haryana to start a five-year integrated B.A.LL.B (Hans.) Program in 2001 and it has now entered its 19th year of imparting excellence in legal education. The institute provides excellent platform for the study of law in a dynamic environment. It has been ranked the seventeenth best Law Institute in India by India Today- Nielsen Survey in 2018. Set up in the holy city of Kurukshetra the Institute of law aims to develop in the students' social and scientific research skills so as to enhance in them a sense of responsibility to serve the society as professionals.

The curriculum of the Institute is designed to inculcate in the students professional skills of advocacy. The skills so imparted here are integrated with conceptual and theoretical foundations of a vast range of legal and social science streams taught by a dedicated pool of teachers pursuing academic excellence. The Institute of Law has emerged as one of the pacesetters in the Indian legal education.

LEGAL AID CELL

In the Plan of Action for the year 2009-10 sent by Member Secretary, National Legal Services Authority through Haryana State Legal Services Authority vide letter no. 6185-6194/2009/MS/HLSA dated 14.5.2009, the Authority requested to setup Legal Aid Clinics in all the Law Colleges and Universities and to encourage students to adopt remote village areas as their area of operation.

Institute of Law, Kurukshetra University has established a Legal Aid Clinic in association with Haryana State Legal Services Authority and District Legal Services Authority, Kurukshetra in compliance with such plan of action. Now, in the 10th year of its establishment, the Legal Aid Cell is working in very effective manner.

The Legal Aid Cell, under the guidance of Worthy Director, is headed by the Faculty Convener and assisted by the Student Coordinator. A committee of faculty members and a team of energetic and dedicated legal aid volunteers (students) work for the Legal Aid Cell.

The avowed purpose of the cell is to promote access to the legal system, whereby every person has access to the legal process irrespective of social or economic incapacity. The cell endeavors to sensitize students to the problems faced by the common men and to inculcate a sense of social responsibility in the students. Further, the cell is meant to act as a platform for introducing the students to functioning of the legal system. The legal aid initiative has been fashioned not as a mere means of aiding litigation, but as an outreach program directed at community welfare. Since a majority of our fellow countrymen do not enjoy easy access to the legal services, the cell seeks to address this problem by dispensing free legal and paralegal service.

The Legal Aid Cell seeks to –

- Assist the general public in better interpretation of the rights bestowed upon them and spread awareness on socio-legal issues.
- Play a constructive role in counseling people opting for legal recourse.
- To encourage pre-litigation services and alternate dispute resolution mechanisms and settlements.
- To serve as a potent platform where our youth is inducted in developmental initiatives and programs for serving the society.

LEGAL PROVISIONS

"Directive Principles have been regarded as soul of the Constitution as India is a welfare state. They provide for guidance to interpretation of Fundamental rights of the citizens as also statutory rights."

Charu Khurana v. Union of India AIR 2015, SC 839.

Part IV, Article 39A of the Constitution of India, instituted by Constitution (42nd Amendment) Act, 1976 provides for the concept 'EQUAL JUSTICE AND FREE LEGAL AID' – the State shall secure that the operations of the legal system promote justice, on the basis of equal opportunity, and shall, in particular, provide free legal aid, by suitable legislation or schemes or in any other way, to ensure that opportunities for securing justice are not denied to any citizens by reason of economic or other disabilities.

Thus, Legal Services Authorities Act, 1987 was enacted to constitute legal services authorities for providing free and competent legal services to the weaker section of the society. Various other regulations are notified timely by the Government of India. One such important regulation is National Legal Services Authority (Legal Aid Clinics) Regulations 2011 notified on 10th Aug 2011 by the Government of India.

The main activities of Legal Services institutions are as follows-

- Free and Competent Legal Aid
- Legal Literacy
- Legal Awareness
- Mediation
- Conciliation
- Arbitration
