**MEMORANDUM OF UNDERSTANDING
LABORATORY-BASED RESEARCH COLLABORATION**

BETWEEN:

Forest Department, Govt. of Haryana

and

KURUKSHETRA UNIVERSITY KURUKSHETRA, HARYANA (" **KU Kurukshetra**")

(each a "**Party**" and together the "**Parties**").

BACKGROUND

KU Kurukshetra and **Forest Department**, Govt. of Haryana wish to build upon their existing relationship by entering into this memorandum of understanding ("**MOU**"), which will serve as a general framework for cooperation and is intended to facilitate discussions for future collaborative work.

- 1) That the Ph.D. research scholars/ students of Botany Department, who are interested to work in plant tissue culture may avail the facility of Tissue Culture Unit Seonthi, **Forest Department**, Govt. of Haryana.
- 2) The students will bear their own travelling charges to Seonthi. Forest Department will not pay any fellowship or T.A. / D.A. charges to the students working in TCU. However Forest Department will bear the cost of chemicals, equipments etc. and the students can use the facilities and experimental materials, Glass wares, Chemicals etc. of TCU.
- 3) These students will work on the forest tree materials or plant material prioritized by Haryana Forest Department in consultation with the Botany Department of K.U. Kurukshetra.
- 4) The articles or academic publications/ patents generated with the outcome of students working at TCU, will be the joint property (Copy right) of both the organizations.
- 5) Forest Department will invite the Experts / Consultants of Botany Department to TCU as and when the need arises and will pay T.A./D.A. to him/ her/ them for each visit as per Haryana Govt./ KUK Rules.
- 6) KU Kurukshetra will ensure that the continuity of the study is maintained. It will not end with the completion of degree by a research scholar.

- 7) The parties will have quarterly meeting under the chairmanship of Principal Chief Conservator of Forest, Haryana to discuss the progress and decide the future course of action.
- 8) This **MOU** shall remain effective for so long as the Parties are collaborating. Any changes must be agreed in writing by both parties. If either Party wishes to end the collaboration, it will give the other reasonable notice in writing.

Memorandum of Understanding
Between
Kurukshetra University, Kurukshetra-136119, Haryana
AND
Dr. Y.S. Parmar University of Horticulture & Forestry, Nauni
Solon-173 230, HP

This Memorandum of Understanding (MoU) is entered into on this 14th day of August, 2014 between Kurukshetra University, Kurukshetra - 136 119 (hereinafter referred to as KUK) represented by its Registrar having its office at Kurukshetra, Haryana and Dr. Y.S. Parmar University of Horticulture & Forestry, Nauni, Solon - 173 230, HP (hereinafter referred to as UHF) represented by Director of Research having its office at Nauni, Tehsil and District Solon, HP.

Sharing a common desire to explore, extend and strengthen the functional relationship between the Universities and National Scientific Institutes/Laboratories of Kurukshetra University, Kurukshetra and Dr. Y.S. Parmar University of Horticulture & Forestry herewith agreed to sign memorandum of understanding for sharing the facilities and expertise available in each other institutions with the following terms and conditions :-

1. This MoU shall come into force with immediate effect and will remain valid for a period of five years at first instance, which may be extended with the consent of both the parties.
2. The MoU shall be deemed to have been automatically rescinded after the expiry of the MoU period, unless renewed. Steps for the renewal shall be taken at least three months in advance before the expiry date.
3. Students desiring to undertake research work at KUK/UHF will have to get the application recommended from their respective institutes.
4. The student desiring to work at KUK/UHF will have to select problem/area of research as per the mandate of KUK/UHF.
5. The student in consultation with Major Advisor/Supervisor and Co-Advisor/Co-Supervisor can carry out their research work partly at KUK and partly at UHF depending upon facilities available at the place.
6. The students who will register for research programme with KUK and UHF shall pay University fee as per parent University norms from time to time.
7. All credits and benefits of collaborative work including the intellectual property generated during the tenancy of project would be equally shared between both parties i.e. both parties shall be the joint owners of this intellectual property.

8. The collaborative programme between two parties shall be coordinated by a *Coordination Committee* consisting of one member from each organization appointed by competent authorities of KUK and UHF, respectively.
9. The decision regarding patenting of the technology developed shall be taken jointly by the *Coordination Committee*. In case the technology developed is to be patented, the cost of patent and benefits occurred shall be shared as per guidelines of the KUK and UHF. Rights for the commercialization shall rest jointly with both the parties and shall be decided by the *Coordination Committee*. In case of involvement of private sector, decision will be taken through joint consultations and keeping in view the guidelines of the KUK/UHF.
10. Either of the parties hereto shall be entitled to terminate the MoU at any time with valid reasons acceptable in writing to both the parties and in such case, the MoU will terminate six months after the date of written notification or date of expiry of the MoU, whichever is earlier. In case of such premature termination of the MoU, all rights and obligations of both the parties shall automatically cease except for those covered by written contract including ongoing collaborative activity that can no longer be cancelled till it is completed.
11. In case of any dispute that may crop up during execution of MoU, the matter would be settled through arbitration by referring to *Arbitration Committee* comprising of a member nominated each by two parties and one member jointly nominated by two parties.

between Central Molecular Research Laboratory, Department of Biochemistry, Shri Guru Ram Rai Institute of Medical & Health Sciences, Patel Nagar, Dehradun-248001, Uttarakhand the first Medical College in Uttarakhand, clubbed up with all the major facilities for Advanced Molecular Diagnostics and research work. Equipped with latest technologies and meeting all parameters for doing research related work. Institute is providing range of quality assured Advanced Molecular Diagnostic tests and customized teaching and training Programs with the latest technology and expertise, which aims at making Doctors / Biotechnologists / Microbiologists and Life Sciences candidates aware of the newest technologies in molecular diagnostics arena in India

AND

Kurukshetra University, Kurukshetra, Haryana, offering undergraduate and postgraduate degree, diploma and certificate programmes in various disciplines like, Microbiology, Biotechnology, engineering, pharmacy, Medical, management etc.

Central Molecular Research Laboratory, Biochemistry Department (Shri Guru Ram Rai Institute of Medical & Health Sciences, Patel Nagar, Dehradun, Uttarakhand 248001):

Brief Profile of the Institute: Shri Guru Ram Rai University is running 150 schools, 2 degree Colleges, one Medical College with an annual intake of 150 M.B.B.S seats and a multi-specialty and super speciality 1000 bedded Hospital situated in the heart of the city, nearly 2 km from both the railway station & bus terminal. The Hospital caters to about 1500 patients on a daily basis under the direct supervision & humane touch of the medical specialists.

Central Molecular Research Laboratory (CMRL): Central Molecular Research Laboratory (CMRL) at Shri Guru Ram Rai Institute of Medical & Health Sciences, Patel Nagar, Dehradun is equipped with novel facilities for Molecular Diagnosis of the Infectious Diseases, Autoimmune Disorders, Cancer Markers, Molecular Immunology, Toxicology, Cellular and Molecular Research work. CMRL is providing a range of PCR & IVD approved quality assured Molecular Diagnostic tests for patients and customized teaching and training modules with world class infrastructure, latest technologies and expertise to Medical Faculty and

Life Sciences Students not from India but from different parts of the Globe. Recent trends in Medical Sciences need the mutual collaborative association between clinicians and biomedical specialists to train new generation for the better management and treatment of the diseases and to harness the technology for the betterment of the suffering humanity.

Some of the Salient features of Central Molecular Research Laboratory are:

- 1) Central Molecular research laboratory is a Center for Advanced Molecular Diagnosis of Infectious, Noninfectious, Autoimmune disorders and Oncology related diseases. Following are the facilities available at the center:

CHIKUNGUNYA VIRUS PCR TEST
CYTOMEGALO VIRUS DNA, QUALITATIVE REAL-TIME PCR
CYTOMEGALO VIRUS DNA, QUANTITATIVE REAL-TIME PCR

- a) On behalf of the first party, by the Registrar, Kurukshetra University, Kurukshetra or his/her designated representative.
- b) On behalf of the second party, by the Director, ICAR-IIWBR, Karnal or his/her designated representative.

26.8.2020

2. COMMENCEMENT, COMPLETION, MODIFICATION AND TERMINATION OF THIS MoU

- 2.1 This MoU shall come into force from the date of signing, or other earlier date that is mutually agreed by the two parties.
- 2.2 The MoU shall be effective for a period of five years, but will be reviewed/renewed/modified (if needed) mutually by both the parties, based on the research outputs/outcomes.
- 2.3 This MoU may be modified/amended by mutual written agreement at any time by either party upon written notification signed by the competent authority of the party.
- 2.4 The modification/changes shall become part of the MoU and shall be effective from date on which they are made/executed, unless otherwise agreed to.
- 2.5 The MoU may be terminated prematurely by either party with mutual agreement by giving prior notice. Such notification must be given to the other party at least six months in advance from the effective date of termination.
- 2.6 All joint activities not completed at the expiration or termination of the MoU may be continued until their completion under the terms of this MoU.
- 2.7 After signing by the parties this MoU shall supersede and replace all prior MoU's between the parties.

3. MANAGEMENT

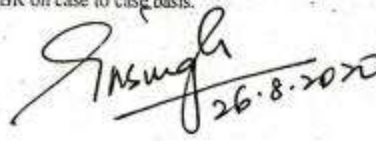

- 3.1 The Registrar, Kurukshetra University, Kurukshetra and Director of ICAR-IIWBR will be responsible to work out operational details of co-operation between the two organizations and ensure proper and effective implementation of this MoU.
- 3.2 The supervisors/advisory committee will meet at least once in a year in KUK or ICAR-IIWBR to review the progress.

4. RESEARCH COLLABORATION

KUK and ICAR-IIWBR will work on mutually agreed collaborative research projects funded by one or both parties and/or by a third party in areas of mutual interest. Each research collaboration will require the approval of competent authorities of both the parties.

5. INTELLECTUAL PROPERTY RIGHTS

- 5.1 The KUK and ICAR-IIWBR will be expected to ensure protection of the Intellectual Property Rights generated or likely to be generated during the students research work. The KUK and the IIWBR shall be the joint applicants for IPRs and the students and involved scientific staff shall be included as the inventor/breeder/author.
- 5.2 Each party will ensure appropriate protection of Intellectual property rights generated from cooperation pursuant to this MoU. Intellectual property rights, research publications and benefits arising out of collaborative research under these agreements shall be jointly sought/owned/shared by KUK and ICAR-IIWBR on case to case basis.

 
26.8.2020

7. In case of evaluation of already developed technology/product, IPR shall rest with the providing party of the particular product/technology. The parties shall not assign any rights and obligations arising out of the IPR generated to inventions/activities carried out under the MoU to any third party without the consent of the other party.

6. ADMISSION AND FEES

6.1 All those students who wish to register for Master/Doctoral programmes under this MoU must apply for admission at the KUK. Students admitted under this MoU may do their course work as per prescribed curriculum of KUK at KUK and research at ICAR-IWBR/KUK. Students allotted research work at ICAR-IWBR will pay fees as per norms set by ICAR-IWBR and ICAR New Delhi.

6.2 Allotment of students at the ICAR-IWBR, if found violating the rules and regulations laid down by the parties or indulge in such activities that amount to tarnishing the image of either of the parties. The KUK will not complete the formalities of issuing the certificates to such students until they compensate the losses to the First party.

7. REPORTING OBLIGATION

The Second Party shall submit to the First Party reports and documents as may be specified and at such frequency as may be agreed upon between the two parties. The Second Party will collect and maintain the records of the students and shall monitor and report their progress to the First Party.

8. ARBITRATION

The parties would act strictly according to the relevant provisions of law while implementing this MoU. All questions related to this MoU arising during its term will be settled by the parties by mutual agreement. In case of any dispute that may crop up during execution of MoU the matter would be settled through arbitration by referring it to a committee appointed by the parties on mutual consent.

9. CONSEQUENCE OF BREACH AND PENALTIES

9.1 It shall be obligatory on part of either party to ensure timely Research implementation and facilitation as per the pre-approved work plan as agreed upon in the MoU.

9.2 In the event of breach of any term or conditions of this agreement, either party shall have the right to terminate the agreement and recover the costs incurred that are associated with the project.

26.8.2020

This MoU has been executed in two originals, one of which has been retained by the First Party and the other by the Second Party.

In WITNESS WHEREOF, the parties have executed this MoU and represent that they approve, accept and agree to terms contained herein.

NON-BINDING STATEMENT OF SHARED GOALS

This Non-Binding Statement of Shared Goals ("Agreement") is entered into as of the later signature date below and is by and between Microsoft Corporation (India) Pvt Ltd ("Microsoft") and Kurukshetra University, Kurukshetra through University Institute of Engineering and Technology (UIET) ("Customer").

1. **Purpose.** Exhibit A of this Agreement sets forth the shared goals and vision of both Microsoft and Customer regarding guiding principles in the education field and Microsoft tools and services that are available to Customer to achieve these goals. Both parties acknowledge that:

- With the sole exception of Section 2 below, this Agreement does not create or evidence any legally binding obligation on any party, but rather is only an expression of their current goals and shared vision. Neither party intends it to create any legal right or obligation for any party, including any requirement that any party must later enter into any binding agreement;
- Nothing in this Agreement obligates a party to, or constitutes a representation by, either party that it will enter into a binding agreement with the other party related to the subject matter hereof; and
- Customer acknowledges that only a written licensing, device, online services or services agreement signed by Microsoft can create a binding licensing, device, online services or services agreement between Microsoft and Customer.

2. **Terms and Conditions.**

- a. **Confidentiality.** This Agreement, and all discussion and activities relating to or resulting from this Agreement, are subject to the terms and conditions of the Non-Disclosure Agreement between the parties dated 10.02.2021. For the purposes of clarity, the contents of this Agreement constitute Confidential Information and neither party may discuss the terms and conditions thereof without the other party's prior written consent.
- b. **Press Release and Public Statements.** Microsoft and Customer may mutually determine a schedule of press releases, blog postings, case studies, testimonials, and other public communications related to the parties' shared goals and vision under this Agreement, as appropriate. Both parties will use commercially reasonable efforts to support the other party's activities under this Section 2.b. Neither party will issue any press release or make any public announcement or statement regarding this Agreement or any aspect of the relationship between the parties without the other party's prior written approval in each instance.
- c. **Relationship of the Parties.** Neither this Agreement, nor any activities described herein, shall be construed as creating a partnership, joint venture, franchise, agency or other such

relationship. Neither party shall have the right, power, or authority to obligate or bind the other party in any manner whatsoever, without the other party's prior written consent.

d. **Expenses.** Microsoft and Customer agree that each party shall pay its own fees, costs and expenses, and those of its agents, independent contractors, and consultants, in connection with this Agreement.

e. **Disclaimer of Warranties.** Neither party makes any warranties. To the maximum extent permitted by law, each party and its respective affiliates, agents and representatives expressly disclaim all express, statutory and implied warranties.

f. **Limitation of Liability.** This Agreement does not require either party to enter into any binding agreements and neither party will be liable for failing to enter into any binding agreements. In addition, neither party will be liable for any direct, consequential, indirect, special, punitive, incidental or other damages arising out of or related to this Agreement.

g. **Governing Law.** This Agreement shall be governed in all respects by the laws of India, without regard to its conflict of laws.

h. **Term and Termination.** This Agreement shall begin on the later signature date below. Either party may terminate this Agreement without cause upon thirty days (30) prior written notice.

i. **Entire Agreement.** This Agreement, including Exhibit A, and the Non-Disclosure Agreement, constitute the entire agreement between the parties with respect to its subject matter and merges all prior and contemporaneous communications, both written and oral. This Agreement shall not be modified except by a written agreement signed by both parties.

Statement of Shared Goals

The fourth industrial revolution is fueling accelerated change in society and the workplace. Technology advancements, the rise of cloud computing, socio-economic and demographic changes and increasing job mobility are shifting expectations and placing new demands on society. While these changes hold great promise, education systems and institutions need to respond proactively to prepare students for the future. Today's students need to be empowered with access to tools, experiences, and learning opportunities to build skills necessary to fuel their future opportunities and success. While students still need 21st-century skills like collaboration, communication, critical thinking and creativity, the need for digital skills to thrive in an increasingly hybrid, digital economy has never been more important. By 2025, it is expected that over 149M new technology jobs will become available in areas such as software development, cloud, data, artificial intelligence, and security. It is vital that institutions keep pace with these changing environments to ensure their students have the talent and training to support these needs and fuel economic future growth.

Microsoft and University share a vision to empower students and ensure they have the skills needed to drive innovation today when they graduate and when they start their careers. Microsoft and University wish to make clear that they share these goals and that University wishes to leverage Microsoft tools and resources to achieve University's vision.

Microsoft Vision

Microsoft's mission in education is to empower every student on the planet to achieve more. Microsoft is committed to help institutions digitally transform, support educators and prepare students from K-Career to innovate, create and have career success in an increasingly digital world. Microsoft supports Future-Ready Skills by focusing on all areas of the institution/school and by providing access to products and resources for students, educators and staff, either paid or unpaid, such as:

- Providing institutions access to flexible, scalable resources and products across the institution that will impact students now and for years to come
- Providing educators with access to curriculum which they can incorporate into courseware and self-paced online learning paths
- Providing students with access to self-paced online learning paths, career resources, technology tools and certifications in order to advance their skills

University vision

Be globally acknowledged as a distinguished centre of academic excellence. To prepare a class of proficient scholars and professionals with ingrained human values and commitment to expand the frontiers of knowledge for the advancement of society. To Contribute to the Nation through best practices in Technical Education and be recognized as one of the most Comprehensive

Institute in India. To Educate the Students of Engineering & Technology by providing Value Based Technical Education.

Microsoft and University Joint Vision

Microsoft and University may find opportunities to work together on their common goals of empowering and skilling students to thrive in the digital economy.

Section 1: Microsoft Future-Ready Skills Resources

Microsoft may make the following resources available, and University may choose to leverage them in order to achieve their vision. The following resources are each governed by separate binding terms and conditions and not by this Agreement. This list is intended to be illustrative only and includes both paid and unpaid services. This Agreement does not obligate University to use any of the resources listed below or enter into any binding agreement, nor does it obligate Microsoft to offer or continue to offer such services.

Microsoft Future-Ready Skills Resources
A Microsoft contact for communication with institution
Online, self-paced learning delivered through Microsoft Learn
Curriculum aligned to Microsoft certifications to support courseware integration
Microsoft certifications at academic pricing via institution volume license agreement
Preview products/curriculum by Microsoft for early adoption and feedback
Training (may be online, in person or other means) for educators and/or students to support education on Microsoft technologies and certification
Tools for students and educators upon academic validation to enable hands on learning
Microsoft learning or training partners to support institution needs (paid for)
Integration of Microsoft content and learning paths (online/offline) into curriculum
Tools to support students in their career planning and personal profile development
Project and engagement promotion of this Shared Goals Agreement, as agreed to by mutual consent, between both parties

Section 2: Customer Future-Resources Resources

As part of the vision to achieve shared goals, customer may choose to, but is in not required under this agreement to, consider opportunities to further collaborate with Microsoft and share success stories as noted in the customer engagement. This list is intended to be illustrative only. This Agreement does not obligate University to proceed with any of the activities listed below or enter into any binding agreement, nor does it obligate Microsoft to offer or continue to offer such services outlined in this agreement.

Customer Engagement Activity Examples
Identify a Customer contact to work directly with Microsoft

Incorporate Microsoft resources listed throughout this document into curriculum and systems, as appropriate

Provide feedback to Microsoft to improve and develop current and future offerings

Project and engagement promotion of this Shared Goals Agreement, as agreed to by mutual consent, between both parties*

Consider serving as a reference site for Microsoft Future-Ready Skills best practice

*Any use of the Microsoft logo or promotional materials concerning Microsoft are governed by the Microsoft marketing and logo guidelines set forth here: <https://www.microsoft.com/en-us/legal/intellectualproperty/trademarks/usage/logo.aspx>

APPENDIX

Microsoft Product/Programs available for Customer to leverage or purchase to achieve their vision, each of which are governed by separate binding terms and conditions, and not this Agreement, include:

Microsoft Learn

Microsoft Learn provides self-paced, digital learning resources to build skills and a foundational understanding of technology. Microsoft Learn provides resources to complement existing institution courseware and study materials to best prepare students for in-demand jobs and Microsoft industry-recognized certifications. Microsoft Learn provides step-by-step, bite-sized tutorials and engaging modules that are available online and support learners with technology proficiency ranging from beginners to advanced learners. The learning paths have interactive sandbox environments to provide "hands-on" interactions with Microsoft technologies. Learners can create a profile on Microsoft Learn to access additional features such as collections, track progress on learning activities and view personalized recommendations.

University may choose to leverage Microsoft Learn and incorporate into curriculum as desired, as defined via aka.ms/learnforedu

AI Business School

The Microsoft AI Business School is a series of learning paths for nontechnical audiences that share insights and practical guidance from top executives in the industry on how to strategically apply AI in an organization. Course materials include written case studies and guides, plus videos of lectures, perspectives, and talks that students can access as a complementary part of their course. The AI Business School is a great resource for students to learn about applying AI to industry, along with considerations for sales, marketing, culture, and responsible AI

application across industries like manufacturing, healthcare, finance, government, retail, and education.

University may choose to leverage Microsoft Learn AI Business School and incorporate into curriculum as desired, as defined via aka.ms/LearnAIBS

Microsoft Learn Catalog API

The [Microsoft Learn Catalog API](https://aka.ms/LearnCatalogAPI) provides a public web API enabling an institution to retrieve a list of the modules and learning paths from Microsoft Learn along with the URLs used to access the training. Institutions may also wish to leverage the Microsoft Learn Catalog API aka.ms/LearnCatAPI to build a custom web application, and subsequent LTI aka.ms/LearnLTI, to bring the Microsoft Learn catalog into the institution's LMS.

University may choose to leverage the Microsoft Learn Catalog API to build a custom web application or the LTI as an opensource app on GitHub to integrate the Microsoft Learn Catalog into their learning management system.

Microsoft Learn for Educators

Microsoft Learn for Educators takes the best of Microsoft [Learn](https://www.microsoft.com/learn) online learning paths and supporting instructor-led training materials into the classroom. Eligible educators and faculty members can access Microsoft ready-to-teach curriculum and teaching materials aligned with industry-recognized Microsoft certifications. Microsoft Learn for Educators provides access to a curriculum consisting of Official Microsoft Learning Products for Microsoft Azure, Azure Data, Azure AI, and Power Platform fundamentals. Each course covers Microsoft Certification exam objectives with lessons based on real-world scenarios and practice exercises. Supporting resources for the Fundamentals courses include:

- Microsoft Official Curriculum: Full course, module content (including lab components where available), and Trainer Guide
- Course datasheet: Course overview, outline, and learning objectives
- Educator teaching guide: General course information to prepare for teaching delivery

University may choose to leverage the Microsoft Learn for Educators via the Microsoft Learn website. Educators will need to register and validate as an educator with their education email for access to the downloadable materials. [Aka.ms/LearnforEdu](https://aka.ms/LearnforEdu)

Microsoft Educator Center

The Microsoft Educator Center (<https://education.microsoft.com/en-us>) provides access to professional development and training across a variety of Microsoft products as well as transformation maturity models for measuring success. The Microsoft Educator Center provides an online portal with learning paths for educators on popular technologies like Teams, OneNote, Office 365, Windows and more.

University may choose to leverage the Microsoft Educator Center for online for self-directed, self-paced training and development via aka.ms/educatorcenter

Microsoft Certifications

Microsoft certifications help validate students' knowledge of technology and potential to perform in technology industry jobs. Microsoft has developed entry-level productivity certifications aligned to Microsoft Office Suite, Fundamental Certifications, as well as Role-Based Certifications. These exams are regularly updated to reflect the pace of change and set the path for continuous learning opportunities once certified. Microsoft provides academic pricing and bulk procurement of Microsoft certifications via volume licensing. These are available in multi-exam packs to allow institutions to self-serve when choosing different types of certifications to make available for members of their entire school community (students, educators, staff—also parents in K-12). The volume license SKUs provide a great way to procure exam vouchers in bulk and take advantage of convenient, flexible, discount pricing features of volume licensing for exams.

University will have the opportunity to add Microsoft Certification SKU to current Microsoft volume license agreement, leveraging academic discounted pricing. aka.ms/LearnCert

Microsoft Learn Student Ambassadors

Microsoft gives students the opportunity to apply to join the Learn Student Ambassador Community, a structured program to help them learn and lead to make a difference and empower others. Students gain access to free tools, events, earn badges for activities and contributions and unlock exclusive benefits through learning. Applications remain open throughout the year with multiple rounds of intakes.

University will have the opportunity to promote Microsoft Learn Student Ambassador program to students as an open opportunity to participate in a Microsoft global community via <https://studentambassadors.microsoft.com/>

Microsoft Imagine Cup

For nearly two decades, students from around the world have participated in Microsoft's global technology competition, the Imagine Cup, to bring their unique tech solutions to life. Imagine Cup is for student developers aged 16+, giving them the opportunity to build purpose-driven applications with Microsoft Azure technology to tackle some of the world's biggest social, environmental, and health challenges. Imagine Cup provides the opportunity to collaborate with other students, network with professionals, gain new skills, make a difference in the world around you, and have a chance to win travel, mentorship, and prizes.

University will have the opportunity to promote Imagine Cup to students as an open opportunity to participate in a Microsoft global competition via www.imaginecup.com

Azure for Students

Students today are eager to get hands-on with technology and build for the future. With Azure for Students, eligible students aged 18 and over can start building apps, explore AI, and make the most of big data with access to more than 25 free Azure services plus \$100 in Azure credit, renewable annually without the need for a credit card. Learn more at:

University will have the opportunity to promote Azure for Students to their students who can access the benefits upon validation of their student credentials via aka.ms/AzureForStudents

Azure Dev Tools for Teaching

Azure Dev Tools for Teaching is a benefit of Microsoft Volume License Agreements which provides access to tools commonly used in STEM programs, including professional developer and designer tools available to both faculty members and students. In addition to these tools, users also have access to beta releases, new releases, and technical support. Azure Dev Tools for Teaching is available to institutions with volume license agreements

University can activate or renew Azure Dev Tools for Teaching using the institution Volume License Agreement number via aka.ms/ADT4T

Azure Lab Services

Azure Lab Services enables educators to set up and provide on-demand access to preconfigured virtual machines (VMs) to support classroom scenarios in Higher Education. Through these virtual classrooms educators can teach a class, train professionals, run a hackathon or a hands-on lab, and more.

University can get started and set up labs in the cloud today using existing Azure subscription or by creating a new account via aka.ms/azlabs

GitHub

GitHub Education helps students, teachers, and schools access the tools and events they need to shape the next generation of software development. With programs such as the GitHub Student Developer Pack, GitHub Campus Program, GitHub Classroom, and other resources, students and educators can take advantage of solutions that will meet their needs. Learn more at: <https://education.github.com/>

University may choose to acquire GitHub Enterprise on existing volume license agreement and/or leverage GitHub programs available online at <https://education.github.com/>

LinkedIn Learning

LinkedIn Learning is an online learning platform that combines the industry-leading content from Lynda.com with LinkedIn's professional data and network. With over 16,000 courses taught by industry experts, LinkedIn Learning provides online training to supplement an institution's existing curriculum and help create more career-ready students across multiple different disciplines. Leveraging the LinkedIn platform in such a way also helps students build their online resume and provides added interest for students looking to institutions who are innovating with new learning modalities. LinkedIn Learning may also be a key element for a school or campus professional development initiative providing both technical and non-technical course subjects and titles for learners across the teaching and administrative staff. <https://www.linkedin.com/learning>

University may choose to acquire LinkedIn Learning through via LinkedIn Learning academic agreements.

Microsoft Learn for Educators - Institution Program

To provide additional support to University with integrating Microsoft Official Curriculum (MOC) into courses and train up faculty/educators to deliver the content, a University may consider nomination into the Microsoft Learn for Educators – Institution Program. This program requires a separate nomination and acceptance process, and program agreement. Upon entry, eligible educators may have access to additional benefits available such as certification vouchers (educators only), opportunities for train-the-trainer support, and curriculum integration and course deployment aligned to the Microsoft Fundamentals portfolio.

University may choose to nominate for Microsoft Learn for Educators – Institution Program and review program agreement for further acceptance requirements.

WHEREAS

The parties wish to establish a friendly relationship to promote and accelerate the academic cooperation and have decided to enter into this MoU and agree hereby as per articles given below:

1. GENERAL PROVISIONS

1.1 DEFINITIONS

- (a) "KUK" means Kurukshetra University, Kurukshetra.
- (b) "CDLU" means Chaudhary Devi Lal University, Sirsa.
- (c) "DOP-KUK" means Department of Physics, Kurukshetra University, Kurukshetra.
- (d) "DOP-CDLU" means Department of Physics-Chaudhary Devi Lal University, Sirsa.

1.2 RELATION BETWEEN THE PARTIES AND SCOPE

- a. Both the parties will recognize each other as an Institute for research in the disciplines of Physics.
- b. Research instrumentation and library facilities available with DOP-KUK and DOP-CDLU will be made available free of cost on mutual basis to the faculty and research scholars of both the departments.
- c. There shall be an exchange of research students and faculty for research and academic purposes. Accommodation in the hostel/guesthouse shall be arranged, wherever possible, as per extant rates.
- d. DOP-KUK and DOP-CDLU shall subscribe to the principle of equal opportunity and do not discriminate on the basis of race, sex, age, caste or religion. Both the Institutions shall abide by these principles in the administration of this agreement and shall not impose criteria for exchange of scholars or students, which violate principles of non-discrimination.
- e. Both parties understand that all financial agreements will have to be negotiated separately and will depend on the availability of funds.
- f. In case of joint research authorship of publication arising out of such research work shall be shared depending on the extent of contribution by the authors, by mutual consent along with credit to authors.

1.3. GOVERNING LAW & JURISDICTION

This agreement shall be governed by and construed in accordance with the laws of India. Any dispute arising under these terms and conditions shall be subjected to the jurisdiction of the courts of Kurukshetra (Haryana).

1.4 LANGUAGE

AND

NEWSHOUND INDIA FOUNDATION, a Section 8 company incorporated and registered under the provisions of the Companies Act, 2013, having its registered office at 106, The Castle, Sector 56, Gurugram, Haryana, represented through its director, Mr. Arjun Samar Mahendran (hereinafter referred to as "Newshound", which expression shall, unless repugnant to the context or the meaning thereof, be deemed to mean and include its successors and assigns)

For the purposes of this MOU, Newshound and the University shall collectively be referred to as the "Parties" and individually as a "Party".

WHEREAS:

- (i) Newshound is India's only non-profit media network, facilitating student journalists through means of round-the-year, training, paid and remote internships which include on-ground reporting and engaging with local sources to bring relevant, grassroots issues to the forefront.
- (ii) The University has represented to Newshound that it is a reputed institute which has developed and established a centre to provide media studies-related education, and facilities related thereto, to various students from across India.
- (iii) Based on the representations made by each of the Parties to the other Party, and having regard to the expertise of either Party in the relevant fields of journalism and education, the Parties have entered into this MOU to record the terms and conditions of the understanding in respect of Newshound extending various opportunities to the University's students, and the University providing access to Newshound to their media lab.

NOW THIS MEMORANDUM OF UNDERSTANDING WITNESSETH and it is hereby agreed and declared between the Parties as follows:

1. Each Party represents and warrants to the other Party that:

- 1.1 it has the power and authority to execute and deliver this MOU, and carry out its obligations and exercise its rights hereunder, and the consummation of this understanding does not derogate or conflict with its bye-laws or memorandum of association or any other contract or understanding it has with any other person;
- 1.2 the execution and delivery of this MOU and the promises, agreements or undertakings under this MOU do not violate any (i) law, rule, regulation or order applicable to it; or (ii) agreement or any other instrument which it has executed with any other person(s); or (iii) its bye-laws or memorandum of association or such other document of a similar nature;
- 1.3 the information and details (both oral and written) provided by it for the purposes of this MOU and the understanding contemplated hereunder are true and correct and not misleading in any manner whatsoever.

2. By executing this MOU, the Parties hereby agree and acknowledge that the Parties shall make best efforts to do and complete a number of the following:

- 2.1 provide opportunities to all media students enrolled in the University through a process satisfactory to the University ("Student Journalists");
- 2.2 promote student journalism by means of extending paid, round-the-year, remote internships to the Student Journalists;
- 2.3 provide on-ground news reporting and news feature production experience to Student Journalists;
- 2.4 connect Student Journalists and journalism faculties across India;
- 2.5 assist Student Journalists in creating a relevant portfolio;
- 2.6 aim to create the largest network of on-ground student reporters in India;
- 2.7 aim to extend, or facilitate the extension of, INR 300 (Indian Rupees five hundred) for every original segment uploaded on any of Newshound's platforms or in relation to any story chosen and being worked on by a Student Journalist (the mode and terms whereof shall be mutually discussed and decided between Newshound and the relevant Student Journalist);
- 2.8 assist Student Journalists network with veteran journalists from the journalism profession, along with other relevant industry professionals;
- 2.9 network with prospective donors to assist student journalism and further the objects of the charter documents of Newshound;

- 2.10 bringing together contributors, collaborators and mentors to join and provide facilities and services to mentor Student Journalists
3. The areas of cooperation may include, subject to mutual consent between the Parties, any other desirable and feasible activities that would further the common goal of providing facilitating the first wave of student journalists in India, including but not limited to, rendering further requisite financial, infrastructural and educational assistance and support to the Student Journalists.
4. The Parties anticipate that a number of the activities and initiatives listed above shall occur during the term and tenure of this MOU. However, provided neither Party commits or omits to do any actions in derogation of the terms of this MOU, neither Party is or shall be deemed to be obligated to agree to the completion of any minimum number of activities or initiatives set out above.
5. The Parties hereby agree and acknowledge that, in order to achieve the objectives and complete the actions set out in this MOU, and in addition to the activities and initiatives set out above in Clauses 2 of this MOU, the Parties shall, with mutual written consent, appoint not more than 2 (two) persons (unless otherwise agreed between the Parties), each of them being students of the University, each of whom shall individually be referred to as a "Newshound Student Facilitator". It is further agreed that such Newshound Student Facilitator shall act as the point of contact between Newshound, the Student Journalists and any other students enrolled in the University. Such Newshound Student Facilitator shall also, at regular intervals, update Newshound of the progress of the understanding and actions contemplated under this MOU. Such Newshound Student Facilitator shall take all actions relevant and necessary to ensure that Newshound and/or the Student Journalists are not precluded, prohibited or stopped, in any manner, from having access to and utilizing the media and journalism facilities of the University in order to give effect to and complete, in a satisfactory manner, the actions contemplated hereunder.
6. This MOU shall come into effect on the date of its execution and shall remain in full force and effect until such time as the Parties may mutually agree, in writing, or until such time as the termination hereof. It is also agreed between the Parties that this MOU can be terminated by either Party, by giving 1 (one) week's notice to the other Party, accompanied with reasons in writing, which reasons shall be reasonable, fair and non-discriminatory.
7. Each of the Parties acknowledges that the Parties have entered into this MOU on the basis of the representations made by the other Party. In the event any Party becomes aware of any fact, matter or circumstance (whether existing on or before the date of this MOU or arising afterwards) which would cause any of the representations and warranties given by them, to become untrue or inaccurate or misleading in any material respect, it shall duly inform the other Party of the same, in writing.
8. Both the parties can use logos of each other to exhibit the list of partners. No other use of logo will be allowed.

9. The reports by the students of the Institute shall not contain anything defamatory against the University/Institute/State Government/Central Government. IMC&MT will devise a mechanism to filter and route students' submission to Newshound. Newshound will not publish any report of students which are not routed through the Institute.
10. It is clearly agreed and understood by and between the Parties hereto that this understanding does not amount to a partnership or association of persons and each Party will carry out its own actions independently. It is expressly agreed that neither Party shall act as a deemed agent or principal of the other Party.
11. If any dispute or difference of any kind whatsoever arises between the Parties in connection with, or out of, this MOU, the Parties shall attempt to amicably resolve such disputes. If the dispute cannot be settled within 30 (thirty) days by mutual discussion, the Parties agree that the courts of Kurukshetra, India, shall have the jurisdiction to try and entertain any suit, claim or action arising out of this understanding.
12. Any provision of this MOU which is invalid or unenforceable shall be ineffective to the extent of such invalidity or unenforceability, without affecting, in any manner, the remaining provisions hereof.
13. Each Party shall bear and pay its own costs and fees in relation to the execution of this MOU.
14. Each of the Parties hereto shall do and execute all further acts, deeds, matters and things as may reasonably be required of them to carry out and implement the terms and provisions of this MOU.
15. Each Party shall retain a signed and certified copy of this MOU.
16. Newshound India Foundation pledges to fund the training of all students from the Institute of Mass Communication and Media Technology, Kurukshetra University, for its 2021-22 session.
17. There is no financial liability on the part of Institute of Mass Communication and Media Technology, Kurukshetra University, Kurukshetra to take up any activity mentioned in the MoU. If there is any financial consideration, it will be dealt separately.

(On Behalf of Indian Council of Agriculture Research, New Delhi)

AND

KURUKSHETRA UNIVERSITY KURUKSHETRA, HARYANA

National Bureau of Animal Genetic Resources (NBAGR) Karnal and Kurukshetra University Kurukshetra hereby sign the memorandum of understanding (MoU) for jointly undertaking the research program leading to M.Tech/Ph.D in the field of Animal genetics/Genomics/Biotechnology with the following terms and conditions and agree to carry out their respective responsibilities as detailed in the MoU.

Terms and Conditions:

- 1- The requirement for Major Advisor Guide. The criterion for allocation of Major Guide advisor will primarily be governed by intellectual input and time duration devoted for carrying out the research work at particular institution. It may be decided by mutual consent. If the major Guide is from ICAR Institute, the Co-guide will be from partnering university and vice-versa.
- 2- The students who will register for research programme with KUK and NBAGR shall pay University fee as per parent University norms applicable from time to time.
- 3- Students desiring to undertake research work at NBAGR/KUK will have to get the applications recommended from their respective institutes.
- 4- The students will be uniformly charged as fee of Rs. 20,000/- for training/research/dissertation up to duration of 3 months and @ Rs.30, 000/- per semester for the work exceeding three months. The fee structure is to be reviewed periodically after two years as per terms & conditions issued by ICAR from time to time. However, the students may be charged a fee of Rs. 10,000/- for the training duration of three months not leading to a dissertation/degree by NBAGR. The students will be required to do lab work as NBAGR for at least one year for Ph.D. Thesis.

Cont.....

- 5- The partnering institution may ensure that the students submit at least one paper from Master's thesis and two papers from Ph.D. thesis before thesis submission, as per parent University norms applicable from time to time.
 - 6- The Students will protect the Intellectual Property Right (IPR) generated or likely to be generated during his/her research work. The IPRs shall rest with NBAGR (on behalf of ICAR), Karnal where the major part of research work would be carried out. Parents/Protection/Knowledge generated will be equally shared between both the parties i.e. both parties shall be joint owners of this intellectual property.
- Executed on this 20th day of September 2021 for a period of five years and further extendable with consent of both parties.

4. **Details of University Institute of Engineering & Technology, Kurukshetra University, Kurukshetra**
The Kurukshetra University was established in 1956 as a unitary residential University and its foundation Stone was laid by late Dr. Rajendra Prasad, the first President of India. This is "A+" Grade NAAC accredited oldest University of the State. Recently, The University has been ranked among top 100 universities of

the country and obtained the prestigious grant from Rashtriya Uchchatar Shiksha Abhiyaan (RUSA). University Institute of Engineering & Technology (UIET) was established by Kurukshetra University in 2004 with objective to develop as a "Centre of Excellence" and offer quality technical education and to undertake research in Engineering & Technology. Presently, the institute is offering four B. Tech (Computer Science & Engineering, Electronics and Communication Engineering, Biotechnology and Mechanical Engineering) and six M. Tech. courses in the technically important disciplines of Computer Science Engineering (with the Specialization of Computer Engg.), Electronics and Communication Engineering, Mechanical Engg. (with the specialization of Industrial & Production Engg., and Thermal Engg.), Biotechnology, and Electrical Engg. The institute is offering Ph.D. programs in various engineering disciplines. Within a short span of time, the Institute has received TEQIP grants twice from MHRD, India and earned 25th all India Rank in India Today Survey 2016. The institute is also serving as a nodal agency for the matters of academic importance like, development of scheme of examination, syllabus, academic plan and maintenance of standards in affiliated Engineering colleges. It is also committed towards providing skills-oriented training in various technologies like Artificial Intelligence (AI), Internet of Things (IoT), Blockchain, and Robotics etc.

CYPE offers three ways of accessing their programs:

Evaluation version, Temporary license and Professional version. The Evaluation version can be accessed for free and the Professional version and Temporary license are for exclusive use of CYPE clients. The version with free access (Evaluation version) has all of CYPE's modules available to it, although its use does have time limitations. The Professional version and Temporary license do not have these limitations, and their module availability depends on the permits acquired by the user.

The CYPEs, Spain enters into the following Agreement to offer Skill Development, Training and other related services to University Institute of Engineering & Technology, Kurukshetra University, Kurukshetra.

1. Distribution of the Campus Version of CYPE (usable during the academic year) to students and teachers of the University enrolled in subjects related to CYPE programs, and who accept the terms agreed upon by both parties. The University will inform CYPE of the institutional email domains that must be recognised by CYPE, who will create a registration link for obtaining the license keys. Through this link (which will be sent to the university for academic dissemination purposes), students wishing to can voluntarily provide their personal data to CYPE using their university email account, who will then send them their personal license key needed to activate the Campus

- Version and to identify themselves in case of needing CYPE Technical Support, which can be accessed by contacting soporte.edu@cype.com.
2. Installation of a multi-user educational license for teaching or research use of CYPE programs for use in IT rooms, for use by up to 100 users at any one time.
 3. Webinars on CYPE programs for teachers at the UNIVERSITY who teach subjects related to the programs: Webinar on BIMserver.center and its application in teaching, CYPE Architectural solution webinar, CYPE MEP Suite webinar, CYPE Structures Suite webinar
 4. No Amount is Payable by The University/Students/Teachers for the purpose of this present collaboration/service prescribed herein.
 5. This agreement does not include financial compensation from the UNIVERSITY and CYPE. The CYPE software included in the agreement shall not be used for commercial use. There is no liability on the University regarding use of software by the students/teachers.
 6. This present MoU may be renewed on an annual basis, with prior acceptance by both parties.
 7. As proof of compliance with the above, this document is signed at the place and on the date indicated at the start of this document.
 8. The annual review by both the parties will include program updates and the addition of new programs that appear during the period of validity of this present MoU.
 9. CYPE guarantees compliance with current regulations regarding the Protection of Personal Data, and in particular that stipulated in the Spanish Organic Law 3/2018 of 5th December on the "Protection of Personal Data". Under no circumstances will the provision of services be understood as a transfer of data but rather as a "Data Processing Order"
 10. CYPEs periodically conducts workshops/symposiums/conferences etc. For such events; any participant from University Institute of Engineering & Technology, Kurukshetra University, Kurukshetra.
 11. This Agreement is established in English language and is valid from the date of signing by the representatives of the institutions. The institutions hereto have executed this Agreement in duplicate, and each institution shall keep one copy of the originals.
 12. The two parties will consult each other and attempt to resolve disputes or misunderstandings that arise in the administration of this agreement informally.

For

Collaborative research, knowledge sharing and participation in advocacy, sensitization and capacity strengthening on gender, climate change and nutrition issues

WHEREAS, in order to support the Government of India (GoI) in its efforts to address the food security and nutrition needs of the population, WFP has signed an MoU with the Ministry of Agriculture and Farmer's Welfare for the current CSP (2019-2023) for supporting the government's efforts towards achievement of sustainable development goal 2 by providing technical assistance and transfer and exchange of knowledge, skills and expertise to concretely

strengthen the existing systems. The dialogue on the new CSP (2023-27) is currently underway extending the mandate to work on these aspects over the next 5 years, the MoU for which will be signed in early 2023.

Whereas aligned with the Partnership MoU with GoI, recognizing the potential areas for knowledge collaboration with Kurukshetra University (KU), a detailed proposal indicating potential areas, especially related to nutrition, climate change and gender equity and empowerment was shared with Kurukshetra University.

Whereas the Kurukshetra University (KU) established in 1956 is an A+ grade NAAC accredited university focused on preparing a class of proficient scholars and professionals with ingrained human values and commitment to expand the frontiers of knowledge for the advancement of society.

Whereas, World Food Programme (WFP), an autonomous joint subsidiary programme of the United Nations and the Food and Agriculture Organization of the United Nations, with headquarters in Rome, Italy, acting through its country office in INDIA.

Whereas, through its Country Strategic Plan (CSP), WFP seeks to support the government of India in achieving its targets under Sustainable Development Goals (SDG) 2 and 17 by capitalizing on its investments under four sub-targets of SDG 2:

- SDG 2.1: By 2030, end hunger and ensure access by all people, in particular the poor and people in vulnerable situations, including infants, to safe, nutritious and sufficient food all year round.
- SDG 2.2: By 2030, end all forms of malnutrition, including achieving, by 2025, the internationally agreed targets on stunting and wasting in children under 5 years of age, and address the nutritional needs of adolescent girls, pregnant and lactating women and older persons.
- SDG 2.3: By 2030, double the agricultural productivity and incomes of small-scale food producers, in particular women, indigenous peoples, family farmers, pastoralists and fishers, including through secure and equal access to land, other productive resources and inputs, knowledge, financial services, markets and opportunities for value addition and non-farm employment.
- SDG 2.4: By 2030, ensure sustainable food production systems and implement resilient agricultural practices that increase productivity and production, that help maintain ecosystems, that strengthen capacity for adaptation to climate change, extreme weather, drought, flooding and other disasters and that progressively improve land and soil quality.

Whereas, in order to support the Government of India in its efforts to address the food security and nutrition needs of the population, WFP has signed an MoU with the Ministry of Agriculture and Farmer's Welfare for the current CSP (2019-2023) which also includes focusing on issues of gender, climate change and nutrition among others. The dialogue on the new CSP (2023-27) is currently underway extending the mandate to work on these aspects over the next 5 years, the MoU for which will be signed in early 2023. To take forward these commitments in this agreement and the forthcoming MoU, WFP and KU seek to work together on research, capacity

building and policy advocacy relating to **gender, climate change and nutrition** (the “Project”).
The objectives of this project are as under:

- (i) To enhance gender equality and women empowerment through gender transformative approaches and gender mainstreaming around intra-household access to food, improved nutrition and social and financial inclusion;
- (ii) To work in the climate resilience, adaptation and resilience building to establish scalable models to ensure that farthest are reached first with sustainable and resilience strategies;
- (iii) To enhance the nutritional effectiveness of the Government’s food-based safety nets (Targeted Public Distribution System, Mid-Day Meals and Integrated Child Development Services) by increasing knowledge of and demand for diverse, nutritious and fortified foods.

Whereas, WFP and KU seek to undertake a strategic knowledge collaboration to address the key challenges with respect to food and nutrition insecurity as scoped out in Annexure I.

Whereas, both WFP and KU recognize the importance and value of cooperating with each other and therefore desire to strengthen their relationship by entering into this Agreement with the purpose of providing a coherent, predictable and structured framework for collaboration to support the implementation of the Project.

Now therefore, it is agreed that parties shall engage in partnership and knowledge collaboration under this LoU and shall be guided as follows:

Article I

KU shall

- 1.1 Identify a Partnership Manager as well as focal points in the Women’s Studies Research Centre, Department of Social Work, Home Science and Institute of Environmental Studies for regular dialogue, discussions and support to WFP. This Manager would be responsible supervision and coordination under this project and liaise with designated person/s from WFP.
- 1.2 Provide technical support on gender, climate change and nutrition in following areas:
 - Research
 - Community engagement
 - Training and capacity building
 - Oversight and monitoring
- 1.3 Support in broadening the implementation of activities across India through its network of partners in other states.
- 1.4 Support and guide any local partners hired by WFP to support implementation of project activities.

Article II

WFP shall

- 2.1 Identify overall Partnership Manager and designated contacts for the three areas of collaboration (gender, nutrition and climate).

Sueed
29/08/22

- 2.2 Receive 2 interns per year from KU for their professional development.
- 2.3 Provide funds for key research and pilot activities, including consultations depending upon availability.
- 2.4 Consult with technical teams in KU for technical advice and support.
- 2.5 Prepare a Project Strategy and Implementation Plan for project implementation.
- 2.6 Undertake other activities as deemed necessary for smooth functioning of the project.

Article III

Together

- 3.1 WFP and KU will formulate a Steering Committee comprised of representatives from both the organizations that will meet quarterly (in person or virtually) to review the progress of implementation, etc.
- 3.2 KU and WFP shall jointly monitor progress of the project implementation and suggest solutions for addressing gaps.
- 3.3 KU and WFP shall jointly identify global/national best practices in supporting gender, climate change and nutrition
- 3.4 KU and WFP shall jointly document good practices/ success stories.
- 3.5 KU and WFP shall jointly issue and disseminate communications and advocacy related to the project such as press releases, publications, workshops etc.
- 3.6 Planning and organization of events for policy advocacy, including consultations or conferences.

Article IV

- 4.1 The obligations of WFP and KU under this LoU are subject to the constitutional, financial and budgetary rules of WFP and any decision of WFP/KU.
- 4.2 Both sides agree to treat confidentially any sensitive information exchanged in the course of implementation of this LoU. Should either side wish to disclose such information to third parties it shall seek prior written concurrence from the other side.

Article V

5.1 Any claims, controversies or disputes between the Parties arising under this Agreement or under any agreements and/or documents entered into in connection with this Agreement, shall be settled amicably through consultations or negotiations between the Parties to the Dispute and in accordance with Article VI (Settlement of Disputes) of the Basic Agreement between the Government of India and WFP.

Article VI

6.1 Nothing in this Letter of Understanding or any document entered into in relation to this Letter of Understanding will imply a waiver or be construed as waiver, express or implied, by WFP, the United Nations or the Food and Agriculture Organization of the United Nations (FAO) of any privileges or immunity enjoyed by them pursuant to the 1946 Convention on Privileges and Immunities of the United Nations, the 1947 Convention on the Privileges and Immunities of

Specialized Agencies, customary international law, other relevant international or national arrangements and under domestic law.

Article VII

- 7.1 This LoU shall commence on the date the last of the Parties signs this LoU (the "Effective Date") and the total duration of the collaboration would be 31st December 2027.
- 7.2 This LoU may be modified in writing by mutual consent between KU and WFP by exchange of letters.
- 7.3 This LoU shall enter into force upon signature by both KU and WFP.

UNESCO MGIEP and Kurukshetra University together hereinafter referred to as
"the Parties"

Whereas, UNESCO MGIEP focuses on achieving the UN Sustainable Development Goal 4.7 towards education for building peaceful and sustainable societies across the world by developing programmes that promote social-emotional learning, innovate digital pedagogies and empower youth. UNESCO MGIEP is seeking to mobilize partners for the achievement of its strategic goals and programme priorities;

Whereas, UNESCO MGIEP, through its Rethinking Youth Programme is building the capacities of youth especially through universities to deliver and receive high quality social-emotional learning (SEL) leveraging the power of online experiential learning on the UNESCO MGIEP FramerSpace online learning platform;

Whereas, UNESCO MGIEP in partnership with Life University (USA) has developed the *Self-directed Emotional Learning for Empathy and Kindness (SEEK)* online self-directed course based on the *Compassionate Integrity Training (CIT)* course developed by Life University and hosted on the UNESCO MGIEP GDPR-compliant Framer Space Learning Platform.

Whereas, the Partner, Kurukshetra University was established in 1956, recognized by the UGC, is NAAC accredited 'A+' university and is focused on preparing a class of proficient scholars and professionals with ingrained human values and commitment to expand the frontiers of knowledge for the advancement of society and be globally acknowledged as a distinguished centre of academic excellence. The Kurukshetra University Centre for Training Internship and Employment (KUCTIE) will be the Nodal Centre to carry forward this partnership agreement

Whereas, the Partner Kurukshetra University would like to provide the Faculty and students skills in social and emotional intelligence and resilience, interpersonal skills, and holistic systems-level thinking.

Now therefore, the Parties hereby agree as follows
Article 1 – Objectives

By the present Agreement, UNESCO MGIEP and the Partner agree, through joint and concerted cooperation:

- 1.1 For the Partner(KUK) to sign up to **1000 Faculty, Staff, Students as a first trial cohort** to enrol and obtain completion certification in the UNESCO MGIEP SEEK online course by April 2022;
- 1.2 For UNESCO MGIEP to deploy a Partner branded instance of the SEEK course providing

free-of-cost access for the agreed first cohort of learners;

- 1.3 To provide professional thematic and technical support for all enrolled learners;
- 1.4 To promote the deployment of SEEK through the Partner's key national and international events
- 1.5 Following the review of the first cohort, the Partner may agree to commit additional Staff and student learners through 2 cohorts of up to 2000 students on voluntarily basis, each annually for a mutually agreed fee of Rs 500 per learner for additional specialised services by UNESCO MGIEP.

Article 2 – Obligations of the Kurukshetra University Kurukshetra (Party-1)

- 2.1 The Partner agrees to execute the terms of the present Agreement;
- 2.2 The Partner may enroll up to 1,000 Faculty Staff and university students for the first trial cohort to enroll and obtain completion certification in SEEK by April 2022;
- 2.3 The Partner agrees to nominate up to 2-10 Faculty/Staff to undertake further advanced Facilitator Training in order to provide thematic and technical support to future learners from their university;
- 2.4 The Partner agrees to extensively promote the association with UNESCO MGIEP and the deployment of the SEEK course at key national and international events and relevant stakeholders;
- 2.5 The Partner may consider including SEEK as an open elective course for building ethical values and 21st century skills for its students and provide a University certification of completion towards acquiring these credits.
- 2.6 Only after the successful completion and review of the trial cohort, the Partner may commit to the commercial deployment of SEEK at scale through the offer of an open elective course offered annually to 2 cohorts of up to 2000 learners on voluntarily basis each for INR 500 per learner.

Article 3 – Obligations of UNESCO MGIEP (Party -2)

- 3.1 UNESCO MGIEP agrees to execute the terms of the present Agreement;
- 3.2 UNESCO MGIEP will implement a Partner-branded instance of the SEEK course on the UNESCO FramersSpace platform.
- 3.3 UNESCO MGIEP will provide learner support through the online Global SEEK Learner Community public access Masterclasses;

3.4 MGIEP will provide the following additional specialized services:

- a. Setup of the Partner Learner Community with dedicated learner support staff;
- b. Special Masterclass sessions for the Partner learners;
- c. UNESCO MGIEP will provide advanced training opportunities for up to 2-10 selected Faculty Staff to acquire Facilitator-level certification in SEEK;
- d. UNESCO MGIEP will extensively promote the association with relevant stakeholders and invite the Partner to key national and international events.
- e. Joint Social media promotions for SEEK outreach with the Partner

3.5 UNESCO MGIEP will provide full technical support for the UNESCO MGIEP SEEK course hosted on the UNESCO MGIEP FramerSpace digital learning platform including email support during Indian business hours and an escalation system of MGIEP personnel and set number of hours or days for the resolution of system issues;

Article 4 – Media activities

4.1 The projects, their conception, their implementation, their development, their impact and their outcome will necessitate informational and promotional activities at the initiative of - and on the part of- the parties, separately or jointly.

4.2 Each party is authorized to use the name, the logo and any element of the other's identity, through the use of citations, references to, reproductions, representations on the occasion of the promotion of projects, of public relations, operations, of interviews, of relations with the media (press files, articles, releases etc.) throughout the world. This use, which must adhere to the image of the concerned party, must receive the prior and written consent by UNESCO MGIEP or KUK when it relates to information activities external to the Partner.

4.3 The media and information support (films, photographic pictures, etc.), as well as all the rights related to them, will belong exclusively to the Party who makes and finances them. They can only be used by the other Party after the latter obtains the prior consent of the proprietary party. Notwithstanding that, the proprietary party can refuse to authorize their use if the rights given up (copyright, trademark) do not cover the foreseen exploitations.

Article 5 – General Conditions

5.1 Use of the Name, Emblem or Official Seal of UNESCO MGIEP

Unless authorized in writing by parties shall not use the name, acronym or official logo of each other, or any abbreviation for advertising or any other purposes.

5.2 Status of UNESCO

Supporting the objectives of UNESCO and of the United Nations Organization, the Partner will respect the status of UNESCO as an intergovernmental organization of the United Nations system with its own distinct Constitution. The Partner confirms that it is not directly

4
involved in the production of goods or the delivery of services, which would be opposed to the objectives and principles of UNESCO, the United Nations Organization or

institutions of the United Nations system.

5.3 Status of the Partner

Nothing in this Agreement shall be construed as establishing a legal partnership (such as, by way of clarification, partnership liability), joint venture, agency, exclusive arrangement or other similar relationship. Neither the Partner nor anyone whom it may employ shall be considered as an agent of UNESCO MGIEP or a member of the staff of UNESCO MGIEP and, except as otherwise provided herein, shall not be entitled to any privileges, immunities, compensation or reimbursements, nor shall be authorized to commit UNESCO MGIEP to any expenditure or other obligations.

5.4 Conformity with Laws

The Partner agrees to respect the laws of the country it is operating in and guarantees that it will not permit any official of UNESCO MGIEP to receive a direct or indirect profit from this Agreement. Furthermore, The Partner certifies and warrants that it has not, nor have its members, been convicted of any crimes and that there are currently no lawsuits or legal actions being taken against it. Should this happen, The Partner undertakes to notify UNESCO MGIEP immediately.

5.5 Privileges and Immunities of UNESCO MGIEP

Nothing in or relating to the present Agreement shall be deemed a waiver of any of the privileges and immunities of UNESCO MGIEP. The Partner shall hold harmless, defend and indemnify UNESCO MGIEP against all lawsuits, claims, costs and liabilities resulting from any intellectual property disputes or other disputes occurring under the present Agreement and which arise out of acts or omissions of The Partner.

5.6 Assignment

None of the Parties shall assign, transfer, pledge or make other disposition of the present Agreement or any part thereof or of any of their rights, claims or obligations under the present Agreement except with the prior written approval of the other Parties. Any of the aforementioned actions taken without such written approval shall not be valid.

5.7 Settlements of Disputes

All disputes arising out of or in connection with the present Agreement shall be settled by mutual understanding. However, if no amicable settlement can be arrived at, any dispute shall be arbitrated according to the rules defined by UNCITRAL (United Nations Commission on International Trade Law).

5.8 Termination

- 5.8.1 Should either Party fail to meet its obligations, the other Party may terminate the present Agreement upon 3 (three) months' written notice to the other Party. The same will apply with respect to incidents making the realization of the Project extremely hazardous. In particular, the Partner may withdraw from the Project and cease all financial contributions if the funds it has contributed have not been directly available to the Project.
- 5.8.2 Upon the termination of the present Agreement, the Partner shall not use UNESCO MGIEP's name, emblem or official seal, or any abbreviation of the name of UNESCO MGIEP, for promoting the Project or any other purposes.
- 5.8.3 Upon the termination of the present Agreement, the Partner shall inform all relevant, past, actual or potential partners (including all persons or bodies that have been informed by the Partner of UNESCO MGIEP's participation in the Project(s)), that UNESCO (i) has terminated its Agreement with The Partner, (ii) is no longer participating in the Project(s).

5.9 Amendment

This Agreement, including this provision, may not be waived, modified or changed in any manner except by a written amendment signed by each of the parties hereto.

5.10 Non-Exclusivity

It is understood that this Agreement does not confer the Partner any exclusivity regarding activities such as those covered by this Agreement, and the Partner accepts that UNESCO MGIEP is currently collaborating on similar activities worldwide with other partners.

Article 6 – Notification
