A meeting of GATE Committee with Director, UIET was held in Director Office on 27<sup>th</sup> August, 2019 to discuss the following agenda:

1. Earlier according to the proposal it was decided that 40% of the fee will be paid by students and 60% by TEQIP-III for GATE coaching. This criterion was decided for 106 students initially in September 2018, amounting to Rs. 31,80,000 so as to maximize the benefit as per the availability of fund.
2. But the number of students have reduced to 77 in June, 2019. At present, total students registered in Mechanical branch are 52, so full course is running for them. Whereas, in case of Electronics & Communication Engineering, Computer science & Engineering and Biotech Engineering total number of students are less than 30 in each course, so only aptitude and math coaching is going on for them.
3. As the number of students are less and moreover, as per the guidelines of NPIU, there is no provision to take any fee from the students for GATE coaching and Other institutes having TEQIP-III grant are also not charging any fee from the students. So, to encourage the participation of the students, the committee recommends not to charge any fee from students. Further, it was decided that the fee may be reimbursed if the students fulfill the criteria of minimum 80% attendance in GATE coaching classes. The payment will be made through Demand Draft only in the favor of TEQIP-III Coordinator, UIET, KUK. The fee will be returned to students after the successful completion of the course only.

However, to ensure their full participation the fee will be charged in two installments as under:

Branch	Total Amount (Rs.)	40% Amount (Rs.)	1 <sup>st</sup> Instalment before 20 <sup>th</sup> of September (Rs.)	2 <sup>nd</sup> Instalment before 20 <sup>th</sup> of November (Rs.)
Mechanical(52) Full Course	29382	11753	5876	5876
ECE (10) Aptitude & Math	8260	3304	1652	1652
CSE (8) Aptitude & Math	8260	3304	1652	1652

Dear Dr Ajay,

This is to convey my sincere thanks to you for supporting the initiatives of Biochemistry, Institute of Integrated & Honors Studies, Kurukshetra University, Kurukshetra in its activities. In particular, your inputs as Resource Person in webinar "Opportunities in Biological Sciences" in a series of webinars on "Recent Trends and Perspectives in Biosciences" on 02.12.2020 were highly appreciated by faculty and student participants. Your interaction with students has led to significant value addition. Look for more interactions in future as well.

With warm regards,

Yours sincerely;
