Maintenance of Campus Infrastructure

There are established systems and procedures for maintaining and utilizing library facilities, computers in the library etc.

JLN Library has very good computerized mechanism which facilitates its users. Library has a computer Lab with sufficient number of computers andinternet connectivity. Wi-Fi is provided throughout the university campus for utilising the e-resources of library. Library is automated with the help of Library Management software. JLN Library has various sections i.e. Circulation, Technical, Periodicals, Acquisition, Registration and Membership etc. which are computerized with the help of Library Management System Software (LMS).
