Maintenance of Campus Infrastructure for Sports

The groundmen are appointed by the University for maintenance of the grounds and sports halls. The grass cutting, bush trimming are regularly done by the groundmen. In the times of Inter collegiate and Inter University tournaments all the markings of ground is done properly and the University provides all the sports materials in the tournaments organized by it. The playgrounds and indoor halls are available for all the students to achieve and maintain a fit, healthy and enjoyable lifestyle. Almost 20,000 students of the University Campus & affiliated Colleges are utilizing these facilities.
