

Workshop on Research methodology during 2018-19

Topics for Research methodology Course from 24.11.2018 to 3.12.2018

Name	Topic
Dr. C.P. Singh	Significance of Critical social Research
Dr. Vinod Bishnoi	Factor Analysis
Dr. Rohtas	Introduction to SPSS
Dr. Sanjeev Mittal	Sampling Design & Procedure
Dr. Shalini	Test of Hypothesis
Dr. S. K. Chahal	Academic Writing
Dr. Manoj Joshi	Bibliographical Resources
Dr. J.S. Dhanki	Methodology of Historical Research
Dr. Rajeshwari	Socio-Spatial approach to Research
Dr. Lakhwinder Singh	Report Writing Skills
Dr. Kiranpreet kaur	Perspectives on Social Research
Dr. Indra	Sampling
Dr. Ramesh Dalal	Research Challenges in the Transient Economy
Dr. Ashok Mittal	Quantitative Techniques
Dr. Neeraj Kaushik	Searching Effectively on Internet
Dr. D.K. Madan	Schemes of ICSSR
Dr. Kuldeep Kaur	Research Ethics, Qualitative Research in Social Science

REPORT OF THE RESEARCH METHODOLOGY COURSE IN SOCIAL SCIENCES

24.11.2018 TO 3.12.2018

The ICSSR sponsored Research Methodology Course in Social Sciences was held from 24.11.2018 to 3.12.2018 in the Department of Economics. There were 30 Participants, out of which 12 were from the Economics Discipline, 01 from Political Science, 03 from Psychology, 01 from Anthropology, 01 from Diaspora studies, 01 from communication, 03 from management, 01 from commerce, 02 from Home Science, 01 from Women studies, 01 from law, 01 from geography, 01 from Tourism and 01 from education Department. The participants came from all over the places from India like Tamil Nadu, Chandigarh, Bihar, Patiala, Gwalior, Delhi, Roorkee, Gujarat, Hyderabad, Murthal, Rewari, Lucknow, Aligarh, Rohtak etc. Out of the 30 participants 20 were from outside Kurukshetra and 10 were from various departments of Kurukshetra University Kurukshetra.

In the Inaugural Session, the Course Director explained the relevance of the course for the research enrichment of the future researchers. Prof. Shyam Kumar, Dean Academic Affairs, in his Presidential Address, explained the relevance of these courses for the researchers and pointed out the deficiencies in the social science research today. Dr. Ashok Chauhan, Co-Director of the course felicitated the participants as well as the Chief Guest. Finally, Prof. Kuldeep Singh, appreciated the support and facilities extended by the ICSSR and KUK and proposed the vote of thanks.

The Coordinators invited experienced and subject experts from reputed Premier Institutes like Panjab University, Chandigarh, Punjabi University Patiala, GGS Indraprastha University of Delhi, GJU Hisar, GNDU Amritsar, AMU Aligarh, MD University, Rohtak etc. The Resource

Persons shared their research experience in gaining the knowledge required to face the research challenges. Most of the Resource Persons used Power Point presentations for effective delivery of the models and methodologies. The major areas covered by the resource persons include Research Methodology, Time Series Modeling, Current State of social science research, Report Writing, critical thinking in social science research, bibliographical resources, hypotheses testing, ethics in research, qualitative research tools etc.

The Participants of the Refresher Course also gave their Feedback at the end on the format prescribed by the ICSSR. Besides, the Participants provided the general Feedback about the course at the Valedictory Function. They opined that the course enhanced their research skills and motivated them to be aware of the latest tools in the research methodology and thanked the ICSSR and Department of Economics KUK for the opportunity. They also appreciated the theme and selection of renowned academicians and experts as Resource Persons.

In the afternoon of 3.12.2018, the Valedictory Function of the Course was held at the Faculty Lounge. Dr. Ashok Chauhan welcomed the dignitaries and appreciated the support extended by the ICSSR as well as the Vice Chancellor of the University. Prof. Neera Verma, Director, HRDC, KUK gave presidential remarks about the course. Prof. Sanjeev Bansal, Course Director presented the formal report of the course. Dr. T.R. Kundu (Retd.) Professor of Economics and Senior Research Fellow, ICSSR delivered the Valedictory Address and distributed Certificates and commended the efforts taken by the ICSSR and Department of Economics to conduct the course very successfully. Dr. Archana Chaudhry proposed the Vote of Thanks.

3.3.2 Number of workshops/seminars conducted on Research methodology, Intellectual Property Rights (IPR), entrepreneurship, skill development during 2017-18

DEPARTMENT OF HISTORY

Dated: 30.05.2017

Organizing of the ICSSR Sponsored Two-Week 'Capacity Building Programme for Social Science Faculty Members' during the Period w.e.f. 05.06.2017 to 18.06.2017

..*.*.*

The Department of History is going to organize an ICSSR Sponsored Two-Week 'Capacity Building Programme for Social Science Faculty Members', preferably belonging to SC/ST Categories, from different disciplines of Social Sciences during the period w.e.f. **05.06.2017 to 18.06.2017.**

For this Programme, only Social Science Faculty Members (Govt./SFS) are eligible. Participants belonging to SC/ST Category will be given preference, as this programme is being sanctioned under the 'Special Component Plan' by the ICSSR. The participants belonging to the State of Haryana and other neighboring States will also be given preference. The Syllabus of the Course is prescribed by the ICSSR which may be seen from the official website of ICSSR.

Interested Faculty Members are required to apply on the prescribed application form (attached herewith) along with the required testimonials (including Caste Certificate and Relieving Certificate) through proper channel.

Closing Date for applying for this Course is 02.06.2017.

30th ALL INDIA CONGRESS OF ZOOLOGY (AICZ) and NATIONAL SEMINAR on

Advances in Zoology for Sustainable Development

February 15-17, 2018

Organized by
DEPARTMENT OF ZOOLOGY
KURUKSHETRA UNIVERSITY KURUKSHETRA
&
ZOOLOGICAL SOCIETY OF INDIA, GAYA

Sponsored by:
UGC SPECIAL ASSISTANCE PROGRAMME

10th AICZ AND NATIONAL SEMINAR ON ADVANCES IN BIOLOGY FOR SUSTAINABLE DEVELOPMENT

Dear Colleagues,

Utilization of natural resources is inevitable for human existence. The challenge is the form of using consumption and demand for energy, increasing greenhouse gas emissions etc. appear due to over exploitation of natural resources such as land, water and biodiversity. Since the last few decades several novel technical advances have been made in different disciplines of sciences including Zoology for sustainable development and still there is much more to resolve. To address growing challenges, a new development paradigm is needed and for that it is right time to exchange information and integrate knowledge to evolve new strategies to meet the future threats. Therefore, Department of Zoology, Kurukshetra University, Kurukshetra and Zoological Society of India, Kolkata are jointly organizing the National Seminar on 'Advances in Zoology for Sustainable Development' to address issues of sustainable development and recommend future plans to overcome, in the era of fast changing environment.

Herewith, we warmly extend an invitation to come to Kurukshetra University and contribute academically to make this seminar successful.

SCIENTIFIC PROGRAMME

The National Conference will include plenary lectures, invited talks, research paper presentations and poster sessions covering the following themes:

- Biodiversity, Natural Resources and their Conservation
- Food Security and Human Health
- Pollution and Bioremediation
- Physiological, Toxicological & Molecular Biology
- Genetics, Stem cells research, Forensic Biology, Invertebrate Taxonomy etc.
- All branches of Life Sciences/Zoology/Fisheries etc.

SUBMISSION OF ABSTRACTS

Abstracts should be submitted via e-mail as MS-word document (Maximum 500 words, Times New Roman, Title font 14, Authors and text: font size 11, single space) to zoologyseminar18@gmail.com latest by January 30, 2018

ABOUT THE HOST DEPARTMENT

Department of Zoology, Kurukshetra University, Kurukshetra is one of the recognized centres of Teaching and Research and was established in 1967. Over the years, new faculty and courses have been regularly introduced which kept the department abreast and foremost in teaching and research in Zoology. Recently the Department has received DRIS grant under SAP of UGC and has already completed DST, FIST of Ministry of Science and Technology.

The Department of Zoology have with regular academic activities like Seminars, Workshops and Conferences. Besides imparting education, in various disciplines of Zoology at post graduate level, it has pioneer research work in the field of Cytogenetics, Reproductive Biology, Wild life and Animal Behaviour, Fishes, Entomology, Genetics and Developmental Biology. More than 135 students have earned their Ph.D. and a number of students are engaged in their research projects.

ABOUT THE HOST UNIVERSITY

The Kurukshetra University was established in 1956 as a century residential University and its foundation stone was laid by Dr. Rajendra Prasad, the first President of India. Located in the holy city of Kurukshetra its campus is situated on the western bank of Bahuk Sarsarovar (the holy tank) and extends over an area of over 400 acres. Starting with only the Department of Sanskrit, it has grown into a multi-disciplinary University as one of the premier centres for advanced study and research. It imparts education to over 3 lakh students through affiliated colleges, Institutes and Divisions of Distance Education.

ABOUT THE ZOOLOGICAL SOCIETY OF INDIA

ZSI was established on January 7, 1938 at Lahore and is the oldest academic Society of India dealing with all branches of Zoology. It has completed 78 years and on this occasion we will celebrate the centenary zoologist with medals and a citation for their outstanding contribution in the field of Zoology/Environmental Sciences etc.

ABOUT THE CITY

The holy city, Kurukshetra where the epic war of Mahabharata was fought, has been the inspiration of Lord Krishna's Gita for the message of Gita was delivered to the world from this sacred place. Important visiting sites at Kurukshetra include Bahuk Sarsarovar, Jyotisar, Samadhi Sarsarovar, San Ganga, Bhadrakali temple, and many more. This city is situated 140 Km. north of Delhi on National Highway No.1. Also, Kurukshetra is 45 Km. north to Ambala Cantt. Railway Junction. All trains from Delhi to Amritsar/Jammu run through Kurukshetra. All buses from ISBT New Delhi going to Punjab, Haryana and J&K stop at Pkdt (100 Km. from Delhi) from where Kurukshetra University is nearly 3 Km. (local transport is easily available). Nearest Airport is Chandigarh 100 Km. to north of Kurukshetra.

The temperature during February is normally cold approximately 20°C. Woollen clothing is accordingly required.

REGISTRATION FEE

	Before Jan. 30, 2018	On the spot
ZSI MEMBERS	Rs. 1000/-	Rs. 1500/-
OTHER DELEGATES	Rs. 2000/-	Rs. 3000/-
ACCOMPANYING PERSON	Rs. 1000/-	Rs. 1500/-
STUDENTS	Rs. 1000/-	Rs. 1500/-

IMPORTANT DATES AND DEADLINES

Receipt of Abstracts along with Registration Fee : January 20, 2018
Full Length Paper : January 31, 2018
(Full Length paper shall be published in the form of Book) (with ISSN No.)

Registration fee can be paid only through the Demand Draft (of any authorized bank) or Demand Cash (for Spot Registration only). Demand Draft to be drawn in favour of **Curator, National Seminar, Department of Zoology, ZSI**

Note: Hotel Accommodation will be done after receipt of an advance of Rs. 2000/- through Demand Draft in addition to registration fee.

TRAVEL FUNDING (T.A. D.A.)

Due to paucity of funds all delegates are requested to kindly arrange their T.A. D.A. from their parent Organization/Department.

ZSI AWARDS

The last date for applying for the different categories of ZSI awards for the 10th AICZ 2018 to be held at Kurukshetra University, Kurukshetra is 31st December, 2017. All applications should be sent to the ZSI Headquarters at Gurgaon.

RECOGNITION AWARDS

ZSI gives recognition awards yearly.* See date/venue for the above may be sent to Dr. R.K. Sharma, Curator, 10th AICZ latest by 31st January, 2018. Mobile: 9466065674 E-mail: zoologyseminar18@gmail.com

AWARDS

Two best presentations and outstanding poster by young scientists (Below 10 years of age) will be selected.

Cash Prizes/Amount: 10,000/- and Poster Presentation: size 3 X 1 feet

Minute to Minute Programme
One Day Workshop on
“Groundwater Scenario in states of Haryana and Punjab and its Management”
at
Dr.Radhakrishnan Sadan, Kurukshetra University, Kurukshetra, Haryana
Dated: 09.03.2018

Activity	Time	Conducted by/ Presented by
Registration of Participants	08:30 hrs – 10:00 hrs	
INAUGURAL SESSION		
Presentation of Bouquet & Lightening of Lamp	10:00 hrs – 10:05 hrs	
Welcome Address	10:05 hrs – 10:15 hrs	Anoop Nagar, Regional Director, CGWB
Inaugural Address	10:15 hrs – 10:25 hrs	Prof (Dr.) Bhagwan Singh Chaudhary
Address by Guest of Honour	10:25 hrs – 10:40 hrs	Guest of Honour
Address by Chief guest	10:40 hrs – 10:55 hrs	Chief guest
Vote of Thanks	10:55 hrs – 11:00 hrs	
High Tea	11:00 hrs – 11:30 hrs	
TECHNICAL SESSION-I		
Sh. S.R Saggi, Scientist-D,CGWB,NW&E	11:30 hrs – 11:50 hrs	MAQUM studies & Ground water scenario in Haryana with special reference to Kurukshetra district
Dr. S.K. Saxena, ICAR-CSSRI, Calicut	11:50 hrs – 12:10 hrs	Subsurface Drainage for management of water logged saline soils in Haryana
Prof. B. S. Chaudhary Chairman, Department of Geophysics, Kurukshetra University	12:10 hrs – 12:30 hrs	Mapping and Management of Water Resource for Sustainable Development through Geomatics: Indian Scenario
Prof. A. R. Chaudhari, Director, Centre of Excellence for Research on the Saraswati River, Kurukshetra University	12:30 hrs – 12:50 hrs	Societal Groundwater Management Strategy and the possible implications of the mighty Falgu Saraswati River for mitigating water scarcity in Haryana - A Case Study
Discussion	12:50 hrs – 13:15 hrs	
Lunch Break	13:15 hrs – 14:15 hrs	
TECHNICAL SESSION-II		
Dr. V.K. Bhatti, Principal Scientist (Egg) ISWC, Research Centre, Chd.	14:15 hrs – 14:35 hrs	Conservation of Irrigation Water through Underground Pipeline and Micro Irrigation System in Haryana and Punjab
Surbhi and Manish Gupta ANCHAM	14:35 hrs – 14:55 hrs	Participating groundwater management experience from diverse Hydro Geological typologies on India
Harpreet Singh Ahata, Plant Manager, Fapico, Sangrur	14:55 hrs – 15:15 hrs	Sustainable Water Resource Development and Management (SWRDM) Initiatives
Balinder P. Singh Scientist-D,CGWB,NW&E	15:15 hrs – 15:35 hrs	Management of Saline Groundwater in Haryana- A Challenge
Discussion	15:35 hrs – 16:00 hrs	
Panel Discussion (Recommendation of the Workshop)	16:00 hrs – 16:30 hrs	
Vote of Thanks	16:30 hrs – 16:55 hrs

भू-जल का 70% खेती में हो रहा प्रयोग : नागर

केचू में भू-जल संसाधन पर एक द्विदिवसीय कार्यशाला, हरियाणा और पंजाब के कई क्षेत्रों में जल स्तर में भारी गिरावट

नागर नगर | टाइम्स

कुम्हड़िया बुनिटी के डॉ. बभकृष्ण नागर ने शुक्रवार को भू-पानी के संकट से निपटने के लिए भू-जल को 70% खेती के लिए और 30% शहरीय उपयोग के लिए उपयोग करने की सलाह दी। डॉ. नागर ने कहा कि भू-जल संसाधन में अत्यधिक उपयोग के कारण जल स्तर में तेजी से गिरावट आ रही है। उन्होंने कहा कि खेती के लिए जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए।

नागर ने कहा कि भू-जल स्तर में गिरावट का कारण खेती के लिए जल का अत्यधिक उपयोग है। उन्होंने कहा कि खेती के लिए जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए। उन्होंने कहा कि खेती के लिए जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए।

केचू के अग्रकृषि जल में भू-जल पर अग्रकृषि कार्यशाला में भागीदारों का चित्रण किया गया।

उन्होंने कहा कि जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए। उन्होंने कहा कि खेती के लिए जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए। उन्होंने कहा कि खेती के लिए जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए।

उन्होंने कहा कि जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए। उन्होंने कहा कि खेती के लिए जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए। उन्होंने कहा कि खेती के लिए जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए।

हरियाणा नदी पर चर्चा

हरियाणा के राज्य सरकार ने डॉ. नागर के वक्तव्य पर गंभीर ध्यान दिया है। उन्होंने कहा कि खेती के लिए जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए। उन्होंने कहा कि खेती के लिए जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए। उन्होंने कहा कि खेती के लिए जल का उपयोग करना चाहिए और शहरीय उपयोग के लिए जल का उपयोग करना चाहिए।

मान्यवर,

वर्तमान युग में संस्कृत एवं प्राच्यविद्या के महत्त्व से सारा विश्व परिचित है। संस्कृत भाषा में रचे गए ग्रंथों में निहित ज्ञान की अमूल्य सम्पदा को जानने के लिए विदेशों में भी संस्कृत के अध्ययन के लिए लोग प्रयासरत हैं। ऐसी स्थिति में संस्कृत के विद्वानों एवं छात्रों से क्या अपेक्षाएँ हैं, इस विषय पर चिन्तन अत्यन्त आवश्यक है जिससे एक मार्गदर्शन के अनुसार बंधोचित शोधकार्य किया जाए तथा प्राच्यविद्या के क्षेत्र में भावी सम्भावनाओं पर विचार किया जा सके। भारत में विद्यमान संस्कृत एवं प्राच्यविद्या संस्थानों के लिए विशेष चुनौती है कि वे वर्तमान डिजिटल एवं वैश्वीकरण के युग में संस्कृत भाषा में विरचित व्याकरण, साहित्य, दर्शन, धर्म, गणित, विज्ञान, अर्थशास्त्र, राजनीतिशास्त्र इत्यादि विषयों पर प्रासंगिकता की दृष्टि से शोध के नये-नये अवसर खोजें। यह एकदिवसीय संगोष्ठी इसी आरा से आयोजित की जा रही है कि इसके माध्यम से शोध के लिए कुछ मार्गदर्शन एवं नवीन विन्दु प्राप्त हो सके।

आप सभी विद्वानों से निवेदन है कि संगोष्ठी में अपने विचार अभिव्यक्त करें एवं संगोष्ठी के उद्देश्य को सफल बनाने के लिए हमारा सहयोग करें।

**National Workshop on
Gender Equity in Science and Technology for Sustainable Development
Feb. 21, 2019**

संयुक्त राष्ट्र ने 22 दिसम्बर 2015 के अपने घोषणा पत्र के माध्यम से प्रतिवर्ष 11 फरवरी को 'विज्ञान में महिला एवं बालिका अन्तर्राष्ट्रीय दिवस' के रूप में मनाने की घोषणा की। इस दिवस को मनाने का मुख्य उद्देश्य विज्ञान में बालिकाओं तथा महिलाओं के निम्न प्रतिनिधित्व को ध्यान में रखते हुए उन्हें पूर्ण भागीदारी के लिए प्रोत्साहित करना है ताकि इस क्षेत्र में उत्पन्न लैंगिक अंतर को दूर करने में मदद मिल सके। विश्व के लगभग सभी देशों में यह देखा गया है कि विभिन्न रुढ़िवादी तथा सामाजिक-सांस्कृतिक अवरोध बालिकाओं को विज्ञान के क्षेत्र में करियर की शुरुआत करने तथा उसमें आगे बढ़ कर पूर्ण भागीदारी करने से रोकते हैं। इस कारण वैज्ञानिक शोध तथा विज्ञान के क्षेत्र में उच्च निर्णय निर्माण के पदा तक अत्यंत कम संख्या में महिलाएं पहुंच पाती हैं। अतः बालिकाओं में विज्ञान के प्रति रुचि जागृत करने, विज्ञान में शोध तथा प्रत्येक स्तर पर भागीदारी के लिए समान अवसर प्रदान करने की आवश्यकता महसूस करते हुए संयुक्त राष्ट्र ने यह घोषणा की।

महिला अध्ययन शोध केन्द्र, कुरुक्षेत्र विश्वविद्यालय तथा विज्ञान भारती, हरियाणा ने संयुक्त राष्ट्र के इन प्रयासों का हिस्सा बनने तथा उन्हें आगे बढ़ाने हेतु विश्वविद्यालय के विभिन्न विज्ञान तथा प्रौद्योगिकी विभागों तथा कुरुक्षेत्र विश्वविद्यालय से संबंधित महाविद्यालयों के महिला शोधार्थियों तथा प्राध्यापकों हेतु 21 फरवरी 2019 को एक द्विविधायी राष्ट्रीय सम्मेलन 'सतत विकास हेतु विज्ञान तथा प्रौद्योगिकी में लैंगिक सहभागिता' का आयोजन किया। इस सम्मेलन का मुख्य उद्देश्य विज्ञान तथा प्रौद्योगिकी के क्षेत्र में शोध को बढ़ावा देना था। इस क्षेत्र में महिलाओं के नेतृत्व के पदों को प्राप्त करने हेतु प्रेरित करना व उनके आत्म विश्वास में वृद्धि करना था। इस कार्यक्रम में लगभग 150 प्रतिभागियों ने भाग लिया। पिछले वर्ष फरवरी 2018 में भी केन्द्र तथा विज्ञान भारती, हरियाणा ने दो दिवसीय कार्यक्रम 'विज्ञान के क्षेत्र में महिलाओं की महत्वकांक्षाएँ' का आयोजन किया गया था और इसी श्रृंखला को आगे बढ़ाते हुए आगामी वर्षों में भी इसी प्रकार के कार्यक्रम आयोजित किये जाते रहेंगे।

कार्यक्रम का प्रारम्भ महिला अध्ययन शोध केन्द्र की निदेशिका प्रो० रंजना अग्रवाल ने अपने स्वागत भाषण से किया। उन्होंने कहा कि प्राचीन भारतीय इतिहास को देखें तो अनेक महिलाओं ने विज्ञान के क्षेत्र में अपना योगदान किया है, बल्कि यह कहना अतिव्योचित नहीं होगी कि हर महिला ही वैज्ञानिक है जो अध्यात्मिक, प्राकृतिक विज्ञान तथा चिकित्सा पद्धति का उपयोग अपने जीवन में कहीं न कहीं करती हैं। उन्होंने कहा कि आज वैश्विक स्तर पर महिलाओं की विज्ञान तथा प्रौद्योगिकी में भागीदारी सुनिश्चित करने के लिए प्रयास किये जा रहे हैं ताकि उनको भी मुख्यधारा में शामिल करके विज्ञान में लैंगिक समानता को सुनिश्चित किया जा सके।

सम्मेलन के उद्घाटन सत्र में अध्यक्षीय उद्बोधन देते हुए कुरुक्षेत्र विश्वविद्यालय के माननीय कुलपति प्रो० कैलाश चन्द्र शर्मा ने कहा कि विकास में महिला तथा पुरुष दोनों की बराबरी की भागीदारी होनी चाहिए। हालांकि महिलाएं हर क्षेत्र में आगे बढ़ रही हैं तथा वे विज्ञान के क्षेत्र में भी अभूतपूर्व योगदान दे रही हैं। परन्तु यदि हम इन महिलाओं की संख्या पर नजर डालें तो यह बहुत ही नगण्य है। आज के समाज में यह सोच व्याप्त है कि महिलाओं की शिक्षा की प्राथमिकता दूसरे दर्जे पर है। इस प्रकार की सोच को संस्कृति नहीं कहा जा सकता। यह अपसंस्कृति है। महिलाओं के प्रति यह सोच हमारी मानसिक वृत्ति के कारण है। महिलाएं किसी भी दृष्टि से कम नहीं हैं। वे आर्थिक तथा उत्पादक विकास में समान रूप से अपना योगदान दे सकती हैं। हम सभी को गंभीरता से यह प्रयास करना होगा कि महिलाओं व लड़कियों को भी हर प्रकार की स्वतंत्रता दें। साथ ही समाज की पाषण्डिक वृत्तियों से स्वयं को बचाने के लिए सक्षम करना होगा। इस काम को समाज के सभी वर्गों को मिलकर करना होगा।

उद्घाटन सत्र में मुख्यअतिथि, फोरम फार अवेयरनेस ऑफ नेशनल सिविलरिटी के प्रमुख संरक्षक तथा सुप्रसिद्ध समाज सुधारक श्री इंद्रेश कुमार जी ने कहा कि भारत विज्ञान के क्षेत्र में विश्व गुरु रहा है। आज जहां नासा चांद सितारों पर पहुंचने की बात कर रहा है हमारे भारतीय ज्ञान में सब कुछ पहले से ही अंकित है। हमने विज्ञान के सही अर्थ तथा उसके सदुपयोग को ठीक से नहीं समझा। आज विज्ञान, तकनीक तथा ज्ञान में भ्रष्टाचार के कारण ही विज्ञान वरदान न होकर अभिषाप बन गया है। भारतीय संस्कृति में हमेशा से ही महिलाओं का उच्च स्थान रहा है। परन्तु आज जेंडर शब्द अन्तर्द्वन्द्व पैदा कर रहा है। एक माँ की कोख से ही सारे वैज्ञानिक तथा महापुरुष पैदा हुए हैं फिर आज बेटों को बोज़ क्यों माना जा रहा है। उन्होंने आगे कहा कि यह अर्तद्वन्द्व हमारे मस्तिष्क तथा दिलों में है विज्ञान की दृष्टि से हमें इस सत्य को स्वीकार करना होगा। उन्होंने अंत में कहा कि महिला ही संस्कृति है तथा संस्कृति ही महिला है तथा हमें महिलाओं के योगदान को समझना पड़ेगा तभी सारी समस्याओं का समाधान हो पायेगा।

कार्यक्रम की विषिष्ट अतिथि ब्रिटिस पिलानी, हैदराबाद कैम्पस की अन्तर्राष्ट्रीय कार्यक्रम एवं सहयोग अधिष्ठाता प्रो० सुमन कपूर ने अपने वक्तव्य में कहा कि सांस्कृतिक पक्षपात तथा अवचेतन मन के पक्षपात महिलाओं को आगे बढ़ने से रोकते हैं। प्रकृति महिला-पुरुष में कोई भेदभाव नहीं करती। यहाँ तक कि जब गर्भ में पितृ का विकास

होता है तब भी नारीत्व तथा पुरुषत्व साथ-साथ विकसित होते हैं। तीन महीने के गर्भ के बाद यह सुनिश्चित होता है कि बच्चा लम्बा होगा या लउका होगा। उन्होंने आगे कहा कि आज निर्णय लेने के पदों पर बहुत ही कम महिलायें पहुँच पाती हैं, इसका कारण यह नहीं है कि महिलाओं की क्षमताओं में कमी है बल्कि इसका कारण हमारी अवधारणाएँ हैं जो कि महिलाओं को आगे बढ़ने से रोकती हैं। उद्घाटन सत्र के अन्त में विज्ञान भारती, हरियाणा के सचिव प्रो० ज्ञान प्रकाश दुबे ने धन्यवाद भाषण दिया।

उद्घाटन सत्र के पश्चात दो तकनीकी सत्रों का आयोजन किया गया। पहले सत्र में प्रो० सुमन कपूर ने टर्निंग टेक्नोलॉजी इन दू टूल्स पर, गुरु जम्शेधर विश्वविद्यालय, हिसार के भौतिक विज्ञान से प्रो० सुनिता श्रीवास्तव ने भारत की प्रेरणादायक महिला वैज्ञानिकों पर व्याख्यान दिया। प्रो० आर.एम.पी. जायसवाल ने विज्ञान भारती को योगदान की चर्चा की। दूसरे तकनीकी सत्र में आयुष्मान हस्पताल, दिल्ली की मुख्य डायरेक्ट्रिस प्रो० विनती डावर ने स्वास्थ्य तथा पोषण : लैंगिक परिप्रेक्ष्य पर तथा एन.आई.टी. कुरुक्षेत्र से प्रो० नीना जग्गी ने विज्ञान तथा प्रौद्योगिकी में लैंगिक भेदभाव : समाधान तथा नीतियों पर चर्चा की।

Hon'ble Vice-Chancellor Dr. Kailash Chandra Sharma presiding the Inaugural Session of National Workshop on Gender Equity in Science and Technology for Sustainable Development

Release of Book by Hon'ble Vice-Chancellor Dr. Kailash Chandra Sharma, Sh. Indresh Kumar Ji, Prof. Suman Kapur and Prof. S. P. Singh

One Day National Seminar
**“Gender Equity in Science and Technology for
Sustainable Development”**

Organized by : Women's Studies Research Centre, Kurukshetra University
in Collaboration with : Vigyan Bharati, Haryana

SCHEDULE February 21, 2019

10.30 a.m. to 12.00 noon

Inaugural Session

Welcome & Introduction

Prof. Ranjana Aggarwal
Director, Women's Studies Research Centre
Kurukshetra University, Kurukshetra

Chief Guest

Sh. Indresh Kumar Ji
Eminent Social Reformer
Chief Patron, Forum for Awareness of National Security (FANS)

Guest of Honour

Prof. Suman Kapur
Dean, International Programmes and Collaborations
BITS-Pilani, Hyderabad Campus

Presidential Address

Prof. Kailash Chandra Sharma
Vice-Chancellor
Kurukshetra University, Kurukshetra

12.00 noon

High Tea

12.30 to 1.30 p.m.

Technical Session 1

Inspirational Women Scientists of India
Prof. Sunita Srivastava
Dept. of Physics,
GJU, Hisar

Introduction to Vigyan Bharati

Prof. R. M. P. Jaiswal
Patron, Vigyan Bharati, Haryana

1.30 to 2.30 p.m.

Lunch

2.30 to 4.00 p.m.

Technical Session 2

Health, Wellness and Nutrition: A Gender Perspective

Prof. Vinti Davar
Chief Dietician
Ayushman Hospital, Delhi

Gender Disparity in STEM: Measures and Policies

Prof. Neena Jaggi
Dept. of Physics,
National Institute of Technology, Kurukshetra

Experience Sharing

4.00 p.m.

Distribution of Certificates & Tea

**National Workshop on
Empowering Women through Legal Awareness
March 28-29, 2019**

महिला अध्ययन शोध केन्द्र, कुरुक्षेत्र विश्वविद्यालय द्वारा 28-29 मार्च 2019 को आई.सी.एस.एस.आर. उत्तर-पश्चिम क्षेत्रीय केन्द्र, चंडीगढ़ के सहयोग से दो दिवसीय कानूनी जागरूकता कार्यवाला 'कानूनी जागरूकता द्वारा महिला सशक्तिकरण' का आयोजन किया गया। इस कार्यवाला में हरियाणा पंजाब, हिमाचल प्रदेश तथा चंडीगढ़ के विभिन्न विश्वविद्यालयों तथा महाविद्यालयों के लगभग 60 महिला प्राध्यापकों तथा शोधार्थियों ने भाग लिया। इस कार्यवाला के माध्यम से प्रतिभागियों को महिलाओं से संबंधित विभिन्न मूलभूत कानूनी अधिकारों तथा प्रावधानों की जानकारी दी गई ताकि वे जीवन में आने वाली विभिन्न चुनौतियों का सामना कुशलता तथा आत्मविश्वास के साथ कर सकें। इस कार्यवाला के माध्यम से प्रतिभागियों को न्याय प्रदान करने वाली एजेंसियों जैसे पुलिस तथा न्यायिक व्यवस्था के बारे में भी जानकारी दी गई जिससे वे सही समय पर अपने तथा दूसरों के अधिकारों की रक्षा कर सकें।

कार्यवाला के उद्घाटन सत्र में केन्द्र की निदेशिका प्रो० रंजना अग्रवाल ने कार्यवाला का उद्देश्य बताते हुए कहा कि महिला सशक्तिकरण के लिए कानूनी जानकारी उपलब्ध होना अत्यन्त आवश्यक है। उन्होंने कहा कि इस कार्यवाला के माध्यम से महिलाओं को अपनी स्थिति को बेहतर बनाने में मदद मिलेगी।

कुरुक्षेत्र की पुलिस उपाधीक्षक सुश्री तान्या सिंह ने कहा कि हम एक ऐसे समाज में रह रहे हैं जहां हम अपने कर्तव्यों की बजाय अपने अधिकारों को ज्यादा महत्व देते हैं। पुलिस को तभी दिक्कतों का सामना करना पड़ता है जब हम अपने कर्तव्यों को छोड़कर हर समस्या के समाधान के लिए पुलिस पर निर्भर हो जाते हैं। महिलाओं के प्रति अपराधों में पुलिस को 99 प्रतिशत केंसों में सफलता मिलती है परन्तु एक बात यह भी सच है कि झूठे केंसों की संख्या भी काफी बढ़ गई है। उन्होंने कहा कि केंसों पर कार्यवाही करते समय दोनों पक्षों को सुनना जरूरी होता है क्योंकि परिवार, समाज तथा संस्कृति इतना दबाव बनाते हैं कि सही निर्णय लेना मुश्किल हो जाता है। उन्होंने कहा कि महिलाएं असमानता के लिए खुद ही जिम्मेवार हैं। हमें अपनी क्षमताओं को निखारना चाहिए तथा अपनी कमजोरियों को पहचान कर उन्हें दूर करने का प्रयास करना चाहिए। आगे उन्होंने कहा कि आज की महिलाएं पुरुषों से काफी आगे निकल गई हैं वे हर क्षेत्र में काम कर रही हैं परन्तु पुरुष सामाजिक दबाव के कारण घरेलू जिम्मेवारियों से बचते हैं। आज पुरुषों को महिलाओं की बराबरी करने की जरूरत है। उन्होंने कहा कि समानता को आन्तरिक रूप से महसूस करें तथा दूसरों को भी समानता दें। उन्होंने सभी प्रतिभागियों से अपील की कि वे सचेत रहें तथा अपराध से बचने के तरीके अपनाएं क्योंकि पुलिस की भूमिका संरक्षणात्मक न होकर प्रतिक्रियात्मक है।

कार्यवाला के दूसरे दिन विधि संस्थान कुरुक्षेत्र विश्वविद्यालय के डा. अमित कुमार ने क्रिमिनल लॉ के अंतर्गत महिलाओं को प्राप्त संरक्षण की चर्चा की। विधि विभाग कुरुक्षेत्र विश्वविद्यालय से डा. प्रीती जैन ने महिलाओं के पुनरुत्पादक अधिकारों की चर्चा करते हुए कहा कि सरकार विभिन्न नीतियों के माध्यम से तथा संस्कृति विभिन्न मान्यताओं के माध्यम से महिलाओं के पुनरुत्पादन पर नियंत्रण करती है। जबकि मानवाधिकारों के अनुसार पुनरुत्पादन महिलाओं का अधिकार क्षेत्र है। अगले सत्र में विधि विभाग पंजाब विश्वविद्यालय की डा. सुपिंदर ने बाल न्याय कानून तथा पास्को कानून की बारीकियों को स्पष्ट किया।

अन्तिम सत्र में महिला अध्ययन शोध केन्द्र की पूर्व निदेशिका प्रो. ऋचा तंवर ने कार्यस्थल पर महिलाओं का लैंगिक शोषण अधिनियम की विस्तार से चर्चा की तथा विभिन्न उदाहरणों के माध्यम से लैंगिक शोषण की परिभाषा को स्पष्ट किया। उन्होंने कहा कि लैंगिक शोषण एक ऐसा विषय है जिसके प्रति पुरुष तो बड़ा स्वयं महिलाएं भी संवेदशील नहीं हैं। उन्होंने प्रतिभागियों को कहा कि वे इस विषय पर अपने महाविद्यालयों में गंभीरता से काम करें तथा लड़कियों को अन्याय से बचाएं।

प्रो० सुमन गुप्ता, विधि विभाग, कुरुक्षेत्र विश्वविद्यालय ने कहा कि लैंगिक समानता लाने के लिए कानून की जानकारी तो आवश्यक है ही साथ ही कानून की जानकारी दूसरों तक फैलाना भी जरूरी है। विवाह तथा तलाक के कानूनों का उल्लेख किया। हिन्दू विवाह अधिनियम के अन्तर्गत वैध विवाह की शर्तें तथा तलाक के विभिन्न आधारों का वर्णन किया। इसके अलावा उन्होंने मुस्लिम पर्सनल कानून के अन्तर्गत विवाह तथा तलाक के प्रावधानों को भी स्पष्ट किया।

पंजाब विश्वविद्यालय, चंडीगढ़ के विधि विभाग से प्रो. देविन्दर सिंह ने भारतीय संविधान में लैंगिक समानता तथा मानवाधिकार पर व्याख्यान दिया। उन्होंने कहा एक महिला बेटा, पत्नी तथा माँ के रूप में परिवार में ही असमानता की शिकार है, अतः कानून के द्वारा उनका संरक्षण आवश्यक है। संवैधानिक अधिकार सशक्तिकरण प्रदान करते हैं परन्तु उनकी जानकारी आवश्यक है।

पंजाब विश्वविद्यालय से डी. जॉ. मधुरिमा ने घरेलू हिंसा से महिलाओं का संरक्षण अधिनियम के अन्तर्गत बताये गये प्रावधानों की चर्चा की तथा विस्तार से घरेलू हिंसा का अर्थ स्पष्ट किया। दूसरे तकनीकी सत्र में विधि विभाग,

कुरुक्षेत्र विश्वविद्यालय के प्रो. अमित लूदरी ने पर्सनल कानूनों के तहत महिलाओं के सम्पत्ति के अधिकारों की जानकारी दी।

Prof. Devinder Singh delivering lecture in the technical session in the National Workshop on Empowering Women through Legal Awareness

Prof. Madhurima Varma delivering lecture in the technical session.

7-Day Faculty Development Program Schedule and Program Objectives

Session No	Activity	Time	Activity Objectives
Day 1			
1.	Registration	0900-0930	<ul style="list-style-type: none"> Create database of participants who will help and support each other in integrating Experiential Learning activities at DIET and School level
2.	Inauguration	0930-1000	<ul style="list-style-type: none"> Understand the vision and philosophy of the Experiential Learning – Gandhiji's Nai Talim Curriculum
3.	School & Community: Community Engagement Process	1000-1100	<ul style="list-style-type: none"> Experience the skills and knowledge gained and impact on three H's through participating in an experiential learning activity
4.	Gandhiji's Tolstoy Farm and Nai Talim - Gandhiji's ideas on education	1115-1145	<ul style="list-style-type: none"> Understand Gandhiji's aims of education and philosophy behind Nai Talim
5.	Nai Talim Patterns in India	1200-1315	<ul style="list-style-type: none"> Explore which states are already implementing Nai Talim Discuss the Nai Talim/ Experiential Learning success stories in your state
6.	Nai Talim and NCF 2005, NCFTE 2010 and RTE 2009	1430-1545	<ul style="list-style-type: none"> Discuss and present key connections between NCF 2005, RTE 2009, NCFTE 2010 and Nai Talim
7.	Community –Teacher Interactions : Role Play	1600-1700	<ul style="list-style-type: none"> Recap and Reinforce experiential learning activity benefits
Day 2			
1.	Education relating to life – Work Education and its implications	0900-1015	<ul style="list-style-type: none"> Identify aspects relevant to the context of the student from various backgrounds and occupations
2.	Nai Talim for D Ed Curricular areas	1030-1145	<ul style="list-style-type: none"> Devise contextually suitable engagement activities for the student teacher
3.	Nai Talim for D Ed Curriculum	1200-1315	<ul style="list-style-type: none"> Devise contextually suitable engagement activities for the student teacher
4.	PRA and PLA Methods	1430-1545	<ul style="list-style-type: none"> Identify aspects relevant to local community engagement in teacher education
5.	Nai Talim Express	1600-1800	<ul style="list-style-type: none"> Identify aspects relevant to local community engagement in teacher education Identify the process of connecting the text with the child/learner with the local context
Day 3			
1.	Participatory Learning Approaches – Learning through discovery and exploration	0900-1015	<ul style="list-style-type: none"> Identify aspects relevant to local community engagement in teacher education Identify the process of connecting the text with the child/learner with the local context
2.	Discussion on suggested Curricular inclusions in school curriculum – pre-primary and primary	1030-1145	<ul style="list-style-type: none"> Devise contextually suitable engagement activities for the pre-primary and primary students Present their ideas

 Principal
 Institute of Teacher Training & Research
 (erstwhile University College of Education)
 Kurukshetra University, Kurukshetra.

Session No	Activity	Time	Activity Objectives
3.	Discussion on suggested Curricular inclusions in school curriculum – upper primary, secondary and higher secondary	1200-1315	<ul style="list-style-type: none"> • Devise contextually suitable engagement activities for the upper primary, secondary and higher secondary students • Present their ideas
4.	Community based engagement activities – projects, case studies and group work	1430-1545	<ul style="list-style-type: none"> • Identify the school education programs and policies which have local community engagement aspects • Participate effectively in local community service • Explore models of art, craft for entrepreneurship for self-reliance
5.	Education in a non-violent and inclusive climate	1600-1715	<ul style="list-style-type: none"> • Practice global citizenship by welcoming people of diverse backgrounds
6.	Nai Talim Film	1730-1815	<ul style="list-style-type: none"> • Reflect critically, modify perspectives on how experiential learning/work education will help make students lifelong learners • Conclude that work education/experiential learning should be a core and an integral part of the curriculum transaction
Day 4			
1.	B.Ed College Visit – Case Study Method, Work Education Practicum	0900-1015	<ul style="list-style-type: none"> • Transact experiential learning activities with DIET students with the aim of bringing positive changes in themselves, their institutions and their communities
Day 5			
2.	DIET Visit (contd)	1030-1145	-----do-----
3.	School Visit – Activities related to Curricular Inclusions and Work Education	1200-1315	<ul style="list-style-type: none"> • Transact experiential learning activities with school students with the aim of bringing positive changes in themselves, their institutions and their communities
Day 5			
4.	School Visit (contd)	1430-1645	-----do-----
5.	Debriefing on School and DIET Visits	1730-1815	<ul style="list-style-type: none"> • Share transformed perspectives of how experiential learning will ensure that the text matches with the context and learning is relevant to the student; that it will make them lifelong learners

Subject : Workshop on Journalistic skills (पत्रकारिता कार्यशाला)

Journalism is the core function of mass communication , needs expertise in writing skills for designing information for various media. Institute of Mass Communication and Media Technology is running PG and UG courses in media studies and provide adequate training in journalistic writing skills. Institute is also organizing workshops and training programs time to time for students as well as media professionals of Journalism to sharpen their skills and to impart new knowledge according to the changing scenario of media.

A letter to organize a week-workshop on **Journalistic skill** was received from Vishva Sanwad Kendra, Rohtak on 18.11.2017 (copy enclosed). The Institute proposes to organize the one week workshop on the above-said title from February 11-17, 2018 in collaboration with Vishva Sanwad Kendra, Rohtak for students of IMC&MT and outside media professionals. The tentative schedule of the workshop is also attached herewith.

ACCOUNTS BRANCH
K.U. KURUKSHETRA
11 DEC 2017

7-Day Faculty Development Program Schedule and Program Objectives

Session No	Activity	Time	Activity Objectives
Day 1			
1.	Registration	0900-0930	<ul style="list-style-type: none"> Create database of participants who will help and support each other in integrating Experiential Learning activities at DIET and School level
2.	Inauguration	0930-1000	<ul style="list-style-type: none"> Understand the vision and philosophy of the Experiential Learning – Gandhiji's Nai Talim Curriculum
3.	School & Community: Community Engagement Process	1000-1100	<ul style="list-style-type: none"> Experience the skills and knowledge gained and impact on three H's through participating in an experiential learning activity
4.	Gandhiji's Tolstoy Farm and Nai Talim - Gandhiji's ideas on education	1115-1145	<ul style="list-style-type: none"> Understand Gandhiji's aims of education and philosophy behind Nai Talim
5.	Nai Talim Patterns in India	1200-1315	<ul style="list-style-type: none"> Explore which states are already implementing Nai Talim Discuss the Nai Talim/ Experiential Learning success stories in your state
6.	Nai Talim and NCF 2005, NCFTE 2010 and RTE 2009	1430-1545	<ul style="list-style-type: none"> Discuss and present key connections between NCF 2005, RTE 2009, NCFTE 2010 and Nai Talim
7.	Community –Teacher Interactions : Role Play	1600-1700	<ul style="list-style-type: none"> Recap and Reinforce experiential learning activity benefits
Day 2			
1.	Education relating to life – Work Education and its implications	0900-1015	<ul style="list-style-type: none"> Identify aspects relevant to the context of the student from various backgrounds and occupations
2.	Nai Talim for D Ed Curricular areas	1030-1145	<ul style="list-style-type: none"> Devise contextually suitable engagement activities for the student teacher
3.	Nai Talim for D Ed Curriculum	1200-1315	<ul style="list-style-type: none"> Devise contextually suitable engagement activities for the student teacher
4.	PRA and PLA Methods	1430-1545	<ul style="list-style-type: none"> Identify aspects relevant to local community engagement in teacher education
5.	Nai Talim Express	1600-1800	<ul style="list-style-type: none"> Identify aspects relevant to local community engagement in teacher education Identify the process of connecting the text with the child/learner with the local context
Day 3			
1.	Participatory Learning Approaches – Learning through discovery and exploration	0900-1015	<ul style="list-style-type: none"> Identify aspects relevant to local community engagement in teacher education Identify the process of connecting the text with the child/learner with the local context
2.	Discussion on suggested Curricular inclusions in school curriculum – pre-primary and primary	1030-1145	<ul style="list-style-type: none"> Devise contextually suitable engagement activities for the pre-primary and primary students Present their ideas

Session No	Activity	Time	Activity Objectives
3.	Discussion on suggested Curricular inclusions in school curriculum – upper primary, secondary and higher secondary	1200-1315	<ul style="list-style-type: none"> Devised contextually suitable engagement activities for the upper primary, secondary and higher secondary students Present their ideas
4.	Community based engagement activities – projects, case studies and group work	1430-1545	<ul style="list-style-type: none"> Identify the school education programs and policies which have local community engagement aspects Participate effectively in local community service Explore models of art, craft for entrepreneurship for self-reliance
5.	Education in a non-violent and inclusive climate	1600-1715	<ul style="list-style-type: none"> Practice global citizenship by welcoming people of diverse backgrounds
6.	Nai Talim Film	1730-1815	<ul style="list-style-type: none"> Reflect critically, modify perspectives on how experiential learning/work education will help make students lifelong learners Conclude that work education/experiential learning should be a core and an integral part of the curriculum transaction
Day 4			
1.	B.Ed College Visit – Case Study Method, Work Education Practicum	0900-1015	<ul style="list-style-type: none"> Transact experiential learning activities with DIET students with the aim of bringing positive changes in themselves, their institutions and their communities
Day 5			
2.	DIET Visit (contd)	1030-1145	-----do-----
3.	School Visit – Activities related to Curricular Inclusions and Work Education	1200-1315	<ul style="list-style-type: none"> Transact experiential learning activities with school students with the aim of bringing positive changes in themselves, their institutions and their communities
4.	School Visit (contd)	1430-1645	-----do-----
5.	Debriefing on School and DIET Visits	1730-1815	<ul style="list-style-type: none"> Share transformed perspectives of how experiential learning will ensure that the text matches with the context and learning is relevant to the student; that it will make them lifelong learners
Day 6			
6.	Presentations of Field Work		
Day 7			
1.	Feedback form	0900-0930	<ul style="list-style-type: none"> Analyse and share learning from the program that can be applied in the school education and DIET
2.	Village Engagement /Immersion	0930-1315	<ul style="list-style-type: none"> Take part in various rural immersion activities/methodologies to understand the rural community strengths and weakness
3.	Debriefing of Village visit	1430-1630	<ul style="list-style-type: none"> Share ideas on community engagement by student teachers at DIETS and school students
4.	Valediction & Vote of Thanks	1630-1715	---

Cyber Safety and Consumer Awareness Workshop
Sep. 6, 2019

महिला अध्ययन शोध केन्द्र, कुरुक्षेत्र विश्वविद्यालय ने दिनांक 6 सितंबर, 2019 को साइबर पीस फाउंडेशन, दिल्ली तथा ओ.एल.एक्स. के सहयोग से विश्वविद्यालय के छात्र-छात्राओं एवं प्रध्यापकों हेतु साइबर सेफ्टी तथा कंप्यूटर अवेयरनेस पर एक दिवसीय कार्यवाला का आयोजन किया। इस कार्यवाला का मुख्य उद्देश्य इंटरनेट का उपयोग करने वाले युवाओं को इंटरनेट अपराधों के प्रति जागरूक करना था। इस कार्यवाला में विश्वविद्यालय के विभिन्न वैश्विक विभागों के लगभग 250 प्रतिभागियों ने भाग लिया।

कार्यवाला का प्रारम्भ करते हुए महिला अध्ययन शोध केन्द्र की निदेशिका प्रो० सुदेप ने कहा कि देश में तीव्र गति से होने वाले डिजिटलाइजेशन के कारण साइबर अपराधों की संख्या में वृद्धि हुई है। सोशल मीडिया के विभिन्न प्लेटफार्मों पर प्रतिवर्ष जहाँ लाखों नवयुवक विप्रेषण महिलाएँ साइबर बुलिंग का शिकार हो रही हैं वहीं साइबर धोखाधड़ी के कारण लोग करोड़ों रुपये के नुकसान का भी शिकार हो रहे हैं। इन अपराधों का शिकार हम इसलिए हो रहे हैं क्योंकि हमें इंटरनेट के सुरक्षित उपयोग की जानकारी नहीं है तथा आसानी से अपराधियों के झोंसे में आ जाते हैं। अतः इस कार्यवाला के माध्यम से छात्र तथा छात्राएँ स्मार्ट फोन के सुरक्षित उपयोग के संबंध में जानकारी लेकर भविष्य में होने वाले अपराधों से स्वयं को व अपने आस-पास के लोगों को बचा पायेंगे। उन्होंने कहा कि यह जानकारी होना आज के समय में हम सबके लिए अत्यंत महत्वपूर्ण है।

साइबर पीस फाउंडेशन से आये हुए प्रशिक्षकों सुश्री आकांक्षा कपूर तथा कामाक्षी शर्मा ने तकनीकी सत्रों के दौरान जिन विषयों पर प्रतिभागियों को जानकारी दी, वे हैं - सुरक्षित डिजिटल स्पेस का निर्माण, फाउनेशियल साइबर सिव्योरिटी, स्मार्ट सर्फिंग एवं स्मार्टफोन, रिपोर्टिंग डिसिडेंट्स एवं क्राइम तथा साइबर पीस कोर्स आदि।

उन्होंने कहा कि सुरक्षित डिजिटल स्पेस की पर्याप्त जानकारी से साइबर खतरों को पहचानने तथा उनसे बचने की क्षमता का विकास होता है तथा आनलाइन प्राइवैसी की समझ निर्मित होती है जोकि इंटरनेट के उपयोग हेतु सर्वाधिक महत्वपूर्ण है। फाउनेशियल साइबर सिव्योरिटी की जानकारी द्वारा यूजर बैंकों के माध्यम से होने वाले घोटालों अर्थात् बैंक अकाउंट से पैसे का बड़ा लोन देने से बच सकते हैं तथा अपने पैसे को बैंक में बैंकर्स से सुरक्षित रख सकते हैं। उन्होंने स्मार्ट सर्फिंग के बारे में बात करते हुए कहा कि इसकी पर्याप्त जानकारी हमें अनेक तरह के ऑनलाइन खतरों से तो बचाती ही है साथ ही नेट पर हमारे अधिकारों, प्रतिष्ठा तथा सम्मान को भी सुरक्षित रखती है। उन्होंने इंटरनेट के माध्यम से होने वाली धोखाधड़ी, बुलिंग तथा अन्य अपराधों की जानकारी देने के साथ इन अपराधों को दर्ज करने के तरीकों से भी प्रतिभागियों को अवगत कराया। सुश्री आकांक्षा कपूर तथा कामाक्षी शर्मा ने सम्पूर्ण तकनीकी सत्र में इंटरनेट के लाइव उपयोग द्वारा प्रैक्टिकल उदाहरणों की सहायता से समझाया जो कि काफी रोचक रहा। विद्यार्थियों ने अनेक प्रश्नों के माध्यम से उत्साहपूर्वक कार्यवाला में भाग लिया तथा साइबर क्राइम से बचने की वारीकियों को समझा। कार्यवाला के अंत में साइबर पीस फाउंडेशन की टीम का धन्यवाद किया। इस अवसर पर लगभग 250 छात्र-छात्राएँ मौजूद थीं।

About the University

Located in Kurukshetra, the land of the Bhagwadgita, Kurukshetra University is a premier institute of higher learning in India. It is spread over 470 acres of land on the south bank of the Holy Brahmarsarovar. Its foundation stone was laid on 11 January 1957 by Bharat Ratna Dr. Rajendra Prasad, the first President of the Indian Republic. Since then it has aimed at pursuing excellence in teaching and research in the field of science, technology, humanities, social sciences, performing arts and sports etc. Today, Kurukshetra University is offering world-class education to students from throughout India and other countries by providing a learning experience designed to develop intellectual abilities as well as social, moral and ethical values. The University is equipping its students with the skills, insights, attitudes and practical experiences that will enable them to become discerning citizens.

Department of Computer Science & Applications

Kurukshetra University has taken pioneering position in imparting training and education in the field of Computer Science & Applications. Kurukshetra University was the first to foresee the impact that computers would have on the 21st century. To give an impact to the vision and work on it, the university started imparting education in the field of computer science and application way back in 1981 by starting an UGC sponsored computer course and it was the first of its kind in the whole country. In the year 1981, the Department of Computer Science and Applications was established and Kurukshetra University was the first in the country to start a UGC supported one year MCA programme. This was replaced by a two year MCA programme from the academic year 1984-85 onwards. In December 1990, UGC sanctioned the proposal of Department of Computer Science & Applications to update the two-year MCA programme to three-year MCA programme and the same was launched in the session 1991-92. The

department had started two year M.Sc. (Computer software) w.e.f. academic session 1995-96, and M.Tech. in Computer Science & Engineering was also started w.e.f. academic session 1996-97. The department is providing a wide range of hardware and software facilities for students and faculty members under different platforms and processing environments. The department has now blossomed from a humble start in 1981 to a full-fledged education centre providing major courses like Ph.D., M. Tech., M.C.A. & M.Sc. (Comp. Sc.) S/W. Department can now boast of a faculty comprising of 14 faculty members, 05 Computer Labs equipped with state of the art technology and a placement cell providing job opportunities to students.

Major Facilities

The department is equipped with five computer labs. The total number of machines available are approximately 250 comprising of 4 IBM xeon servers, 120 thin clients and i7/i3/Core2 Duo/Dual Core/P-IV machines, Laser printers, network printers and software like ORACLE, Visual studio, Windows, Linux, etc.

The departmental library provides approximately 10,000 books (Text and reference) with a sitting capacity of 60 students.

Theme of Faculty Development Program

Creating a new scalable venture is a challenging and complex task. The road to entrepreneurial success is long, winding and strewn with pitfalls, obstacles and blind turns. The risks of starting a new business are high, as illustrated by the high failure rates for new ventures. However, as is always the case, the rewards, both financial and personal, are commensurate with the risk. This FDP helps participants understand the process, challenges, risks and rewards of starting up a new scalable venture so as to guide the new entrepreneurs to equip them with the tools required to start their own business, improve their chances of successfully starting their own business, generate and assess scalable business ideas, develop creative problem-solving skills required in entrepreneurial businesses, develop a business model and competitive strategy,

form and work successfully in a team, raise money from venture investors, and make a professional investor presentation.

Who Can Attend?

Faculty members/researchers from any department of Universities/Institutes/Colleges. **The number of seats are limited to 35 and will be on first come first serve basis.**

Resource Persons

Eminent speakers from reputed institutions/industries.

Accommodation

The accommodation may be made available on request. The accommodation charges will be borne by the participants.

NATIONAL INSTITUTE OF DESIGN, HARYANA
Autonomous Institute under the DPIIT
Ministry of Commerce & Industry, Government of India
Government Polytechnic Building at Umri,
Kurukshetra, Haryana.

Ref. No. 670 Dated :- 20/08/19

Dear Prof. Ram Viranjan Ji

Subject: - To conduct screen printing activity in your department.

The National Institute of Design, Haryana (Kurukshetra) "NID-H" is a design school in Umri, Kurukshetra, India. The institute functions as an autonomous body under the Department of Industrial Policy and Promotion, Ministry of Commerce and Industry, of the Government of India.

Reference a meeting of our faculty in Visual Communication Design Sh. Manpal Singh Setia and further discussion in detail with Dr. Rakesh Bani, Faculty of Fine Art Department, Kurukshetra on the subject mentioned above.

Visual Communication is conducting the course 'Introduction to Fieldwork' from 13th August to 23rd August 2019 for which we have invited Ms. Kavya Agrawal (Ahmedabad) as visiting faculty.

As per the course requirement, we look forward to conduct the Screen Printing session with collaboration with Kurukshetra University's Fine Art department on 21st August 2019 (Wednesday). Material list was also submitted last week.

We would be grateful for your kind support & guidance.

20/8/19

Prof. D S Kapoor
Officer on Special Duty,
National Institute of Design,

Sub: Proceeding of the workshop on VLSI Design (Three days) was held on
14-16 Nov 19.

The department of Electronic Science organized a workshop on VLSI Design (three days) from 14-16 Nov 19. The FDP was organized smoothly and the list of Speakers/Experts and participants is attached herewith for your information. The final expenditure details towards this FDP are as under :-

(i)	TA and honorarium for speakers	= Rs 84270/-
(ii)	Refreshment including all meals	= Rs 36160/-
(iii)	Accommodation	= Rs 2250/-
(iv)	Contingency	= Rs 53630/-
(v)	Coordinator Remuneration	= Rs 6000/-
(vi)	Remuneration for Accounts Clerk & Peon	= Rs 5000/-
Total Expenditure of the FDP		= Rs 1,87,310/-

An advance of Rs 40,000/- was drawn for FDP out of which the bills of Rs 40,000/- were paid out to various firms. These detail of bills are mentioned and attached.

An amount of Rs 4700/- was received as registration fee (details attached) and the same has been deposited in TEQIP account (receipt of SBI bank dt 19 Nov 19 attached).

About the University

Located in Kurukshetra, the land of the Bhagwadgita, Kurukshetra University is a premier institute of higher learning in India. It is spread over 470 acres of land on the west bank of the Holy Brahmavar. Its foundation stone was laid on 11 January 1957 by Bharat Ratna Dr. Rajendra Prasad, the first President of the Indian Republic. Since then it has aimed at pursuing excellence in teaching and research in the field of science, technology, humanities, social sciences, performing arts and sports etc. Today, Kurukshetra University is offering world-class education to students from throughout India and other countries by providing a learning experience designed to develop intellectual abilities as well as social, moral and ethical values. The University is equipping its students with the skills, insights, attitudes and practical experiences that will enable them to become discerning citizens.

Department of Electronic Science

The Department of Electronic Science was established as one of the departments of Kurukshetra University by funding through Ministry of Electronics and Information Technology (MEITY), formerly Department of Electronics (DOE) in 1990. This Department is running a four semester M.Sc. course in Electronic Science since 1990 with the aim of generating specially trained manpower in the highly sophisticated field of microelectronics, integrated circuit design, fabrication and semiconductor material technology. M.Tech. Course in Microelectronics & VLSI Design was started in 2004 and M.Tech. Course in Nano Science & Technology was started in 2008. All of these courses are job oriented with provision for project work and industrial training.

The department has established active collaboration with a number of national

laboratories. Joint research activities are undertaken with National Physical Laboratory, Delhi, Central Electronics Engineering Research Institute (CEERI), Pilani, Semiconductor Complex Limited (SCL), Mohali and Central Scientific Instrument Organization (CSIO), Chandigarh etc. A number of research scholars are working in areas related to physics and technology of integrated circuits, devices, nanomaterials and simulation.

Major Facilities

The major facilities related to design, simulation and characterisation tools in the department are Cadence, Silvaco T-CAD Suite, Coventorware, Intellisuite, Comsol, Medea, X-Ray Diffraction, Atomic Force Microscopy, UV-Vis Spectroscopy, Surface Profilometer, Particle Size Analyser and Ellipsometer.

In India, there is a strong demand for such trained manpower in the area of micro-electronics and VLSI design.

The CAD Tools available in the department are the State-of-the-art and can provide training as per the Industrial standards.

Theme of the Workshop

The Electronic Science Department is running two PG Programs in the area of Microelectronic & VLSI design. The Micro-electronics and VLSI design are the main areas of research and training aimed towards IC fabrication. The training in these areas helps the students to seek jobs in these highly specialized areas.

These fields have been impacting the human lives and the society as well the other fields of work like automobiles, medicine, energy etc., by providing technological solutions at all levels. By attending this workshop, the teachers, researchers and

students will be benefitted by knowing the latest happenings in these fields.

Who Can Attend?

The contents of the workshop are well suited for the faculty members/researchers/students working in the area of Electronics in Universities / Institutes /Colleges /Industries.

The number of seats are limited to 40 and will be allotted on first come first serve basis.

Resource Persons

Eminent speakers from reputed institutions/industries are being invited to deliver lectures and to hold lab sessions during the workshop.

Accommodation

The accommodation may be made available on request. The accommodation charges will be borne by the participants.

Theme of Faculty Development Program

The Electronic Science Department is running two M.Tech. Programs in the area of Microelectronic & VLSI design and Nano Science and Technology. The courses of Nanoscience and Nanotechnology are being taught in both M.Tech. programs and is the key research area of the department. The Electronic Science department is organizing one-week faculty development program on Nanoscience and Nanotechnology. Nanoscience & Nanotechnology is an inter-disciplinary emerging area that includes almost every scientific discipline such as electronic science, chemistry/biochemistry, pharmaceutical science, biology/microbiology, biotechnology, physics, materials science, computer science and engineering etc. It is rapidly expanding area of research with huge potential to revolutionise human lives and to provide technological solutions to problems in various fields like agriculture, energy, environment, medicine, electronics and engineering.

Who Can Attend?

Faculty members/researchers from electronic science, chemistry /biochemistry, pharmaceutical science, biology/microbiology, biotechnology, physics, materials science, computer science and engineering from Universities/Institutes/Colleges. **The number of seats are limited to 40 and will be on first come first serve basis.**

Dt. 16/9/19

Subject: Financial support for the organization of Faculty Development Programme on "Entrepreneurship Development" (One Week)

The department is going to organise a one week Faculty Development Programme on "Entrepreneurship Development" from 21-25 September, 2019. In this FDP, the delegates/speakers would be invited from various parts of India. The Entrepreneurship Development is a hot topic in India with the slogan 'Make In India' given by our Hon'ble Prime Minister Sh. Narendra Modi. For this workshop, the experts of the field would be invited to deliver lecture/talk on various areas on entrepreneurship development.

The FDP programme has already been scheduled to take place from 21-25 September, 2019 and Tentative FDP schedule with invited speaker is attached herewith. Dr. Pardeep Kumar and Dr. Sanjay Tyagi would be the coordinator(s) of this FDP. The registration fee for participants from industry, academia and research scholars would be Rs. 1000/-, Rs.500/- and Rs.300/- respectively. The registration fee will be nil for the participants of TEQIP institutes. The registration fee collected will be treated as internal revenue generated and will be deposited to TEQIP-III (1.3) account. For smooth organization of this FDP, the department needs financial support from TEQIP-III (1.3). The tentative expenditure (excluding registration amount) of the FDP would be as follows:

(i)	Remuneration of the invited speaker (15) (@5000/-each)	= 75,000.00
(ii)	TADA for speakers (as per university/TEQIP rates)	= 50,000.00
(iii)	Contingency (for conference bag/folders, pen, notepad, banners, certificates, mementos, posters and other required minor items)	= 1,00,000.00
(iv)	Refreshment(Including all meals), Lodging & Boarding (For Resource Persons & Participants)	= 1,00,000.00
(v)	Coordinator(s) Remuneration	= 12,000.00 (@6000/- each)
(vi)	Remuneration for Accounts Clerk & Peon	= 5,000.00
(vii)	Incidental Charges	= 20,000.00
		Total = 3,62,000.00

Kindly sanction an amount of Rs. 3,62,000.00 (Three Lakh Sixty Two Thousand Only) immediately so that the workshop can be organised timely. Also allow to withdraw an advance of Rs. 50,000/-, which is required for preliminary expenditures for this Faculty Development Programme. Kindly allow to re-appropriate the amount within other heads if required. The department purchase committee will consist of (i) Chairman (ii) Dr. Pardeep Kumar and Dr. Sanjay Tyagi for various purchases related to this FDP.

About the University

Located in Kurukshetra, the land of the Bhagwadgita, Kurukshetra University is a premier institute of higher learning in India. It is spread over 470 acres of land on the south bank of the Holy Brahmavar. Its foundation stone was laid on 11 January 1957 by Bharat Ratna Dr. Rajendra Prasad, the first President of the Indian Republic. Since then it has aimed at pursuing excellence in teaching and research in the field of science, technology, humanities, social sciences, performing arts and sports etc. Today, Kurukshetra University is offering world-class education to students from throughout India and other countries by providing a learning experience designed to develop intellectual abilities as well as social, moral and ethical values. The University is equipping its students with the skills, insights, attitudes and practical experiences that will enable them to become discerning citizens.

Department of Electronic Science

The Department of Electronic Science is one of the departments of Kurukshetra University. Kurukshetra established by funding through Ministry of Electronics and Information Technology (MEITY), formerly Department of Electronics (DOE) in 1990. This Department is running a four semester M.Sc. course in Electronic Science since 1990 with the aim of generating specially trained manpower in the highly sophisticated field of microelectronics, integrated circuit design, fabrication and semi-conductor material technology. M.Tech. Course in Microelectronics & VLSI Design was started in 2004 and M.Tech. Course in Nano Science & Technology was started in 2008. All of these courses are job oriented with provision for project work and industrial training.

NITTTR, Chandigarh

In realization of the need for training better quality technicians to meet the large scale industrialization of the country, the ministry of Human Resource Development (the then Ministry of Education), Government of India established four Regional Technical Teachers' Training Institutes (now National Institute of Technical Teachers Training & Research, NITTTR at

Bhopal, Chandigarh, Chennai and Kolkata in 1967. NITTTR, Chandigarh was designed to meet the requirements of developing polytechnic education in the northern region covering the states of Jammu and Kashmir, Himachal Pradesh, Punjab, Haryana, Rajasthan, Uttar Pradesh, Uttrakhand, Delhi and Union Territory of Chandigarh. Since June 2001, this institute has been conducting short term courses in various subjects for faculty of Engineering Colleges in addition to organizing AICTE sponsored Induction Training Programmes. The NITTTR, Chandigarh has rich experience in organizing faculty training programs in the area of Education and Training Programmes, Curriculum Development, Instructional Material Development, Research and Development, Extension Services, Consultancy in Technical Education and Technology areas. The focus areas under consultancy services are research and product development, curriculum development, human resources services, design & testing services and quality assurance.

Scope of FDP

Main objective of this FDP is to educate the young as well as senior faculty members on how to reorient their teaching learning processes to implement Outcome Based Education (OBE) in both letter and spirit. NBA (National Board of Accreditation) has introduced a new process, parameters and criteria for accreditation which increasingly make it mandatory for all academic programs to implement Outcome Based Education (OBE). There is an urgent need of changing our instructional methods for effective delivery of OBE. Articulation of course outcomes for a particular course, various direct and indirect assessment techniques and their evaluation will be covered in detail in this FDP. This program will cover different aspects of the process of accreditation along with improvement in providing quality education through these topics:

- Outcome Based Education
- Curriculum design for OBE

CA/2019/7773
Dt. 16/9/19

Subject: Financial support for the organization of Faculty Development Programme on "Entrepreneurship Development" (One Week)

The department is going to organise a one week Faculty Development Programme on "Entrepreneurship Development" from 21-25 September, 2019. In this FDP, the delegates/speakers would be invited from various parts of India. The Entrepreneurship Development is a hot topic in India with the slogan 'Make In India' given by our Hon'ble Prime Minister Sh. Narendra Modi. For this workshop, the experts of the field would be invited to deliver lecture/talk on various areas on entrepreneurship development.

The FDP programme has already been scheduled to take place from 21-25 September, 2019 and Tentative FDP schedule with invited speaker is attached herewith. Dr. Pardeep Kumar and Dr. Sanjay Tyagi would be the co-ordinator(s) of this FDP. The registration fee for participants from industry, academia and research scholars would be Rs. 1000/-, Rs.500/- and Rs.300/- respectively. The registration fee will be nil for the participants of TEQIP institutes. The registration fee collected will be treated as internal revenue generated and will be deposited to TEQIP-III (1.3) account. For smooth organization of this FDP, the department needs financial support from TEQIP-III (1.3). The tentative expenditure (excluding registration amount) of the FDP would be as follows:

(i)	Remuneration of the invited speaker (15) (@5000/-each)	= 75,000.00
(ii)	TADA for speakers (as per university/TEQIP rules)	= 50,000.00
(iii)	Contingency (for conference bag/folders, pen, notepad, banners, certificates, mementos, posters and other required minor items)	= 1,00,000.00
(iv)	Refreshment(Including all meals), Lodging & Boarding (For Resource Persons & Participants)	= 1,00,000.00
(v)	Coordinator(s) Remuneration	= 12,000.00 (@6000/- each)
(vi)	Remuneration for Accounts Clerk & Peon	= 5,000.00
(vii)	Incidental Charges	= 20,000.00
		Total = 3,62,000.00

Kindly sanction an amount of Rs. 3,62,000.00 (Three Lakh Sixty Two Thousand Only) immediately so that the workshop can be organised timely. Also allow to withdraw an advance of Rs. 50,000/-, which is required for preliminary expenditures for this Faculty Development Programme. Kindly allow to re-appropriate the amount within other heads if required. The department purchase committee will consist of (i) Chairman (ii) Dr. Pardeep Kumar and Dr. Sanjay Tyagi for various purchases related to this FDP.

About the University

Located in Kurukshetra, the land of the Bhagwadgita, Kurukshetra University is a premier institute of higher learning in India. It is spread over 470 acres of land on the south bank of the Holy Brahmasarovar. Its foundation stone was laid on 11 January 1957 by Bharat Ratna Dr. Rajendra Prasad, the first President of the Indian Republic. Since then it has aimed at pursuing excellence in teaching and research in the field of science, technology, humanities, social sciences, performing arts and sports etc. Today, Kurukshetra University is offering world-class education to students from throughout India and other countries by providing a learning experience designed to develop intellectual abilities as well as social, moral and ethical values. The University is equipping its students with the skills, insights, attitudes and practical experiences that will enable them to become discerning citizens.

Department of Computer Science & Applications

Kurukshetra University has taken pioneering position in imparting training and education in the field of Computer Science & Applications. Kurukshetra University was the first to foresee the impact that computers would have on the 21st century. To give an impact to the vision and work on it, the university started imparting education in the field of computer science and application way back in 1981 by starting an UGC sponsored computer course and it was the first of its kind in the whole country. In the year 1981, the Department of Computer Science and Applications was established and Kurukshetra University was the first in the country to start a UGC supported one year MCA programme. This was replaced by a two year MCA programme from the academic year 1984-85 onwards. In December 1990, UGC sanctioned the proposal of Department of Computer Science & Applications to update the two-year MCA programme to three-year MCA programme and the same was launched in the session 1991-92. The

department had started two year M.Sc. (Computer software) w.e.f. academic session 1995-96, and M.Tech. in Computer Science & Engineering was also started w.e.f. academic session 1996-97. The department is providing a wide range of hardware and software facilities for students and faculty members under different platforms and processing environments. The department has now blossomed from a humble start in 1981 to a full-fledged education centre providing major courses like Ph.D., M. Tech., M.C.A. & M.Sc. (Comp. Sc.) S/W. Department can now boast of a faculty comprising of 14 faculty members, 05 Computer Labs equipped with state of the art technology and a placement cell providing job opportunities to students.

Major Facilities

The department is equipped with five computer labs. The total number of machines available are approximately 250 comprising of 4 IBM xeon servers, 120 thin clients and i7/i3/Core2 Duo/Dual Core/P-IV machines, Laser printers, network printers and software like ORACLE, Visual studio, Windows, Linux, etc.

The departmental library provides approximately 10,000 books (Text and reference) with a sitting capacity of 60 students.

Theme of Faculty Development Program

Creating a new scalable venture is a challenging and complex task. The road to entrepreneurial success is long, winding and strewn with pitfalls, obstacles and blind turns. The risks of starting a new business are high, as illustrated by the high failure rates for new ventures. However, as is always the case, the rewards, both financial and personal, are commensurate with the risk. This FDP helps participants understand the process, challenges, risks and rewards of starting up a new scalable venture so as to guide the new entrepreneurs to equip them with the tools required to start their own business, improve their chances of successfully starting their own business, generate and assess scalable business ideas, develop creative problem-solving skills required in entrepreneurial businesses, develop a business model and competitive strategy,

form and work successfully in a team, raise money from venture investors, and make a professional investor presentation.

Who Can Attend?

Faculty members/researchers from any department of Universities/Institutes/Colleges. **The number of seats are limited to 35 and will be on first come first serve basis.**

Resource Persons

Eminent speakers from reputed institutions/industries.

Accommodation

The accommodation may be made available on request. The accommodation charges will be borne by the participants.

**Online Workshop on Strategy for Managing Personal Finance
March 2, 2021**

कुरुक्षेत्र विश्वविद्यालय के महिला अध्ययन शोध केन्द्र द्वारा एसोसिएशन ऑफ म्यूचुअल फंड्स इन इंडिया के सहयोग से व्यक्तिगत वित्त प्रबंधन पर ऑनलाइन कार्यशाला का आयोजन किया गया, जिसमें कुरुक्षेत्र विश्वविद्यालय तथा विभिन्न महाविद्यालयों की लगभग 50 महिला प्राध्यापकों ने भाग लिया। कार्यशाला के उद्देश्यों से परिचित कराते हुए केन्द्र की निदेशिका प्रो० सुदेश ने कहा कि महिलाएं उपयुक्त जानकारी के अभाव में अपनी ही आय तथा वित्त को अपने हिसाब से निवेश नहीं कर पाती हैं। इस कार्यशाला के माध्यम से उन्हें अपनी धनराशी को अपनी जरूरतों को पहचानते हुए सही उत्पादों में निवेश करने में मदद मिलेगी। उन्होंने कहा कि महिला अध्ययन शोध केन्द्र का हमेशा यह प्रयास रहा है कि वह उन विषयों पर कार्यशालाएं आयोजित करे जो समय के दृष्टिकोण से प्रासंगिक हैं। वित्तीय साक्षरता एक ऐसा ही विषय है जिसमें महिलाओं को सामान्यतः जानकारी का अभाव होता है। अतः इस कार्यशाला के माध्यम से महिला प्राध्यापकों को स्वयं की आय एवं वित्त का उचित ढंग से स्वतः ही प्रबंधन करने हेतु प्रशिक्षित किया जायेगा ताकि वे आत्मविश्वास के साथ वित्तीय निर्णय ले सकें।

कार्यशाला का उद्घाटन करते हुए कुरुक्षेत्र विश्वविद्यालय की डीन अकादमिक अफेयर्स प्रो० मंजुला चौधरी ने इस महत्वपूर्ण विषय पर कार्यशाला का आयोजन करने हेतु बधाई दी। उन्होंने कहा कि कोविड महामारी ने हम सभी को बहुत कुछ सिखाया है, इसने संकट के समय में पहले से किए गए वित्त प्रबंधन की महत्ता को भी सिखाया है। अतः प्रशिक्षण हेतु इस विषय का चयन किया जाना आज अत्यंत प्रासंगिक है। हम सभी को बचत एवं निवेश के उचित विकल्पों की समझ पैदा करना आवश्यक है। उन्होंने कहा कि वित्त प्रबंधन के साथ-साथ हमें वित्त के मनोविज्ञान की भी जानकारी होनी चाहिए कि यह वित्त प्रबंधन सिर्फ आयकर से बचने के लिए किया जा रहा है या इसका उद्देश्य सही विनिवेश करना है। परिवार की सोच एवं भविष्य के प्रति दृष्टिकोण उसके निवेश को प्रभावित करती है। अतः इस विषय को भी चर्चा में शामिल किया जाना चाहिए।

कार्यशाला में मुख्यवक्ता श्री सूर्यकांत शर्मा जी रहे जो एसोसिएशन ऑफ म्यूचुअल फंड्स, नार्थ इंडिया में वरिष्ठ सलाहकार हैं। उन्होंने सर्वप्रथम वो चार तरीके बताए जिनके माध्यम से निवेश को सुरक्षित किया जा सकता है। वो हैं – जीवन बीमा, आपात कोष, पूरे परिवार के लिए फ्लोटर पालिसी एवं व्यक्तिगत दुर्घटना कवर। उन्होंने कहा कि अपनी आय में से की जानी वाली बचत को रिटायरमेंट तक प्रतिवर्ष दस प्रतिशत की दर से बढ़ाना चाहिए ताकि बढ़ती मंहगाई के अनुपात में रिटर्न मिल सके। उन्होंने पैसा इकट्ठा करना तथा वेल्थ बनाने में अंतर स्पष्ट करते हुए कहा कि बचत के रूप में पैसा इकट्ठा करने से कोई फायदा नहीं होता, इसलिए हमें अपनी बचत को निवेश करके उससे सही रिटर्न लेने के बारे में सोचना चाहिए। निवेश में निहित रिस्क हमें सही निवेशक नहीं बनने देता, इसलिए इस अनिश्चितता को मैनेज करने के लिए एक मंत्र याद रखना चाहिए 'सोच कर, समझ कर, निवेश कर'। उन्होंने निवेश की बास्केट की जानकारी देते हुए कुछ सरकारी योजनाओं जैसे पीपीएफ, एनएससी, सुकन्या समृद्धि योजना, बांड्स व कुछ गैर सरकारी योजनाओं जैसे सोना, रियल एस्टेट, पेयर मार्केट आदि पर विस्तार से चर्चा की।

एनएसडीएल इगर्वनेंस इन्फ्रास्ट्रक्चर के असिस्टेंट वाइस प्रेसिडेंट श्री अनूप अग्रवाल ने राष्ट्रीय पेंशन योजना की विस्तृत जानकारी दी। उन्होंने बताया कि इस योजना में स्टैकहोल्डर्स कौन-कौन हैं, टैक्स लाभ क्या हैं, इसे कैसे ले सकते हैं, इसमें अकाउंट कैसे खोलना है, इस योजना में रिटर्न कब व कितना मिलेगा आदि। इस योजना के लाभों की चर्चा करते हुए उन्होंने कहा कि वर्तमान समय में सभी को इस योजना में निवेश करना चाहिए।

Program Objectives:

- To create public awareness about the benefits of Intellectual property among all sections of society.
- To stimulate the creation and growth of intellectual property by undertaking relevant measures.
- To have strong and effective laws with regard to IP rights, consistent with international obligations.
- To modernise and strengthen IP administration.
- To catalyse commercialization of IP rights.
- To strengthen the enforcement and adjudicatory mechanisms for combating IP violations and to promote awareness and respect for IP rights.
- Capacity development by strengthening and expanding human resources, institutions for training, research and skill building in IP.

Registration Details:

Interested participants are requested to follow the steps mentioned below in order to register for the workshop:

- Participants registration fee is nil.
- Pre-registration to the programme is through **online** mode only till 12:00 Noon, 12th March 2021.
- Limited seats are available for this programme on a first-come, first-served basis.

Participants are required to fill the registration form using the following link.

<https://forms.gle/gPwfnE4nh6a7JmtL6>

Who Can Apply for Workshop

The programme is interdisciplinary and is open to all the interested participants. Any faculty member, Research Scholar, Student from any university/college and participants from government/private sector working in the field of engineering/business/software development/applied science are eligible to participate.

Chief Guest and Key Note Speaker:

**Ms. Sangeeta Nagar, Scientist ‘F’,
TIFAC**

Schedule:

- There will be two sessions daily. Morning Session will start at 10:30 AM and Evening Session will start at 2:00 PM.
- Inaugural Session will be held on 12/03/2021 at 10:30 AM.
- Attendance norms are strict. Participants are required to attend all the sessions for getting the E-Certificates/ Hard Copy Certificates.
- Further details will be communicated to the selected participants.

ABOUT PROGRAM

Biometric recognition has become a burgeoning research area due to the industrial and government needs for recognition, security and privacy concerns. It has also become centre of focus for many authentication and identification applications in the civil and forensic fields. This is the case of multiple face or fingerprint images captured with low-quality devices, which can be processed with super resolution techniques to reconstruct a high resolution image. Image Processing is considered to be one of the most rapidly evolving areas of research and technology today with growing applications in almost all disciplines of Engineering. Medical imaging, computer vision, remote sensing and space exploration etc. Biometrics & Image Processing technologies continue to stride forward with its wider acceptance and its real need in various new security facets of modern society.

WHO CAN ATTEND THE COURSE

Any faculty member, research scholar, participants from government or private Institution, industries working in the field of engineering/applied sciences are eligible.

REGISTRATION FEE

There is No Fee to Attend the Course, it's totally Free of cost and Limited to first 70 seats. Hard copies of certificates will also be provided to all the Participants.

2. Date and Venue of the Event: March 15th -19th, 2021

3. Aim/Objective of the Event:

Biometric and Pattern recognition become center of focus for many authentication and identification applications in the civil and forensic fields. Image Processing is considered to be one of the most rapidly evolving areas of research and technology today with growing applications in almost all disciplines of Engineering. Biometrics & Image Processing technologies continue to stride forward with its wider acceptance and its real need in various new security facets of modern society. The objective of workshop was to share the current knowledge in the field of biometric and image processing to the participants.

4. Target Group of Participant/Students: Asst. Professors, Research Scholars, S/w Developers, Scientists etc.

5. No. of Participants attended the event: 86

6. No. of Resource Persons delivered the Lectures: 10

7. Interaction/Feedback from the Participants in Brief:

All the participants were highly satisfied from the workshop and praise utmost.

8. Observer report on the Outcome of the Event:

Report on

Geo-Vertex- An international virtual conference to expand your horizons

During October, 29-November 1, 2020

One of the highlights of the year for our student chapter has been 'Geo-Vertex', the international virtual conference our student chapter, which was organized on 29 October – 01 November 2020, in collaboration with the University of Dhaka Geophysical Society. The team of 9 members & more than 400 participants, against 700+ registrations, joined us for the six webinar sessions, one quiz mania, and one strategic problem solving followed by the inaugural and closing ceremony. We had released the brochure and opened the registration portal on the 1st of October itself, and had received a lot of interest in the event. By working in collaboration with the officers of the Dhaka University chapter, we had formed an organizing committee. The inaugural ceremony was graced by our special guest Ms Kathryn Elkins, Student & Early Career Advisor, SEG. We were also joined by the respective Faculty Advisors, Department Chairs, and speakers for the technical sessions. For the strategic problem-solving session, we shared a geophysical problem with the participants, who had registered as teams (participation from 10+ teams of 2-4 members), on the day of the event, and collected their responses by late evening. As mentioned, we had 6 technical sessions by esteemed resource persons. For the two-part quiz competition, we conducted a written quiz session on day 2 of the conference (which saw participation from 120 candidates in geoscience from all over the world), and 35 qualifying participants from this round, were sent to the next round. During this final round, which was conducted on day 3, before the concluding ceremony, there was a live quiz conducted, where the participants could buzz in virtually if they knew the answer to the question asked, and would score points if they answered correctly. Depending on the points gained, the final winners for the quiz competition were decided. Just as we concluded this final round, we announced the winners of the strategic problem-solving competition, as well as the quiz competition. The speakers and the participants of all the events were also present. Geo-Vertex was truly a glorious and memorable experience, and it was made possible because of SEG and how they provide a platform for bringing together leaders and students in Geophysics/Geoscience

Chairman,

LET'S UNITE & EXPLORE

.....
AN INTERNATIONAL VIRTUAL CONFERENCE
TO EXPAND YOUR HORIZONS

15-18 OCTOBER, 2020
REGISTRATIONS ARE NOW OPEN

EVENT SCHEDULE

For the first time, Kurukshetra University Geophysical Society from India (SEG SC) & the University of Dhaka Geophysical Society from Bangladesh (SEG SC) are collaborating to bring you one of the biggest International Virtual Conference “Geo-Vertex” by any student chapter to expand the horizons in geosciences. The sub-theme of this program is to engagement in Geology & Geo resources and Geophysics & Engineering topics. This conference will be comprehended in various segments.

The schedule of every event as follows:-

OCTOBER 15, 2020

4:00 - 5:00 PM (IST, GMT+05:30)
Inauguration ceremony

5:30 - 9:30 PM (IST, GMT+05:30)
Strategic Problem Solving

OCTOBER 16, 2020

4:00 - 5:00 PM (IST, GMT+05:30)

Webinar

Topic:- **Geodynamics of Bangladesh and Its potentiality of great earthquakes: Constraints from GPS**

5:30 - 6:00 PM (IST, GMT+05:30)

Written Quiz Session

6:30 - 7:30 PM (IST, GMT+05:30)

Webinar

Topic:- **Applications of Geospatial Technology for Global Water Security**

OCTOBER 17, 2020

10:00 - 11:00 AM (IST, GMT+05:30)

Webinar

Topic:- **Tectonic Motion: Making the Himalaya**

3:00 - 5:00 PM (IST, GMT+05:30)

Student Oral Presentation

6:30 - 7:30 PM (IST, GMT+05:30)

Webinar

Topic:- **Evaluating the hydrocarbon potential of unconventional reservoirs in Bangladesh**

OCTOBER 18, 2020

10:00 - 11:00 AM (IST, GMT+05:30)

Webinar

Topic:- **Basics of Seismic Processing**

3:00 - 4:00 PM (IST, GMT+05:30)

Webinar

Topic:- **The role of crevasse splays in fluvio-deltaic reservoirs: An analogue study from the Scalby Formation in the Middle Jurassic Ravenscar Group, NE England**

6:30 - 8:30 PM (IST, GMT+05:30)

Live Quiz Competition, Winner announcement, Concluding Ceremony

Our Honorable Speakers

Speaker:- Professor Dr. Syed Humayun Akhter
Topic:- Geodynamics of Bangladesh and its potentiality of great earthquakes: Constraints from GPS

Speaker:- Professor Dr. Bhagwan Singh Chaudhary
Topic:- Applications of Geospatial Technology for Global Water Security

Speaker:- Professor Dr. Ramesh Chandra Patel
Topic:- Tectonic Motion: Making the Himalaya

Speaker:- Professor Dr. Md. Anwar Hossain Bhuiyan
Topic:- Evaluating the hydrocarbon potential of unconventional reservoirs in Bangladesh

Speaker:- Professor Dr. Satybir Singh Teotia
Topic:- Basics of Seismic Processing

Speaker:- Dr. M. Mostafizur Rahman
Topic:- The role of crevasse splays in fluvio-deltaic reservoirs: An analogue study from the Scalby Formation in the Middle Jurassic Ravenscar Group, NE England

Subject: Heartful Campus offerings - Peak Potential Development and life-skills Programs for Students/Faculty in your Esteemed Institution

Dear Sir,

We sincerely appreciate your institution for its pioneering endeavors and achievements in the field of education. As you prepare the youth for a challenging futures in a competitive world, we humbly offer our services for the addition of another crucial dimension to this preparation for life - Peak Potential Development and life-skills Programs with Meditation as foundation for permanent inner change / transformation. With the emergence of new performance metrics such as Emotional Quotient (EQ) and Spiritual Quotient (SQ) to assess adaptability, emotional resilience and aptitude in students, meditation is emerging as an essential life skill. Participation in these programs does not require any prior exposure to meditation nor does it require subscription to any belief system or philosophy and is entirely **FREE OF COST**.

The Heartful Campus Program has been designed by eminent educationists and is in conformity with the UGC_Fit_India_Guidelines.

Program Objectives:-

- To enhance the quality of education by providing practical Heartful tools for bringing about individual inner transformation.
- To offer the youth an aspirational set of values to live by; to help them achieve a balanced life focused on an inner goal and an ethical material life; and contribute to building a better environment in the University and world.
- Inspire bold, free thinkers capable of transforming self and society.
- To promote mental health, stress management for reducing anxiety, depression and suicide rates.

The Heartful Campus Program has already been conducted in 19+ Universities/Colleges.

To start with, senior members of our National Team would like to interact with you and apprise you about the essence of The Heartful Campus Program. It is therefore requested that the name of suitable representative be intimated along with his / her contact details (Mobile no and email) as a Point of Contact (PoC) along with suitable date and time when he/she can be contacted in 2nd week of September 2021 to fix up further meeting with you and other functionaries.

Sincerely Yours,

Dr. Gaurav Saini

Keynote Speaker Sh. Rajiv Sharma addressing the participants

विद्यार्थी अवसरों के प्रति जागरूक रहें : प्रो. दुआ

संवाद न्यूज एजेंसी

कुरुक्षेत्र। कुरुक्षेत्र विश्वविद्यालय के महिला अध्ययन शोध केंद्र ने भारतीय राष्ट्रीय सहकारी संघ, नई दिल्ली (एनसीयूआई) के सहयोग से वेबिनार आयोजित किया। वेबिनार में करीब 150 विद्यार्थियों ने हिस्सा लिया। केंद्र की निदेशिका प्रो. अनिता दुआ ने कहा कि विद्यार्थियों को रोजगार के नए-नए अवसरों के प्रति जागरूक रहना चाहिए।

उन्होंने कहा कि इस वेबिनार का उद्देश्य विद्यार्थियों का सहकारी संस्था के गठन के लिए मार्गदर्शन करना और देश की अर्थव्यवस्था को मजबूत करने के लिए चल रही मुहिम लोकल फॉर वोकल का हिस्सा बनने के लिए प्रेरित करना है। मुख्य वक्ता एनसीयूआई के निदेशक राजीव शर्मा ने सर्वप्रथम संस्था के गठन, उद्देश्यों एवं सिद्धांतों के बारे में बताया। उन्होंने कहा कि यह संस्था समाज के विभिन्न वर्गों को सहकारी संघ मॉडल के गठन के लिए

केयू के महिला अध्ययन शोध केंद्र ने आयोजित किया वेबिनार

जागरूकता एवं प्रशिक्षण प्रदान करती है ताकि वे स्वयं सहकारी संघ स्थापित करने के लिए प्रेरित हो सकें।

उन्होंने गुजरात के अमूल, उत्तर प्रदेश के पराग, हरियाणा के वीटा, हिमाचल प्रदेश के भूटिको तथा कुछ अन्य राज्यों में चल रहे सहकारी उद्यमों का उदाहरण दिया। संघ के उद्देश्यों के बारे में जानकारी देते हुए उन्होंने कहा कि यह युवाओं को कौशल विकास के लिए प्रशिक्षण व ऋण सुविधा उपलब्ध कराता है, स्वयं सहायता समूह के गठन में मदद करता है और स्वयं सहायता समूहों को सहकारी संघ में परिवर्तित करने के लिए भी प्रशिक्षण देता है। केंद्र की उप निदेशिका प्रो. वनिता द्वीगरा ने सभी का धन्यवाद किया। इस अवसर पर केंद्र की शोध अधिकारी डॉ. वंदना दवे, अंजू रानी आदि उपस्थित रहीं।

NATIONAL PHOTOGRAPHY WORKSHOP – GURDEEP DHIMAN – Demonstration and Interactive Session

Department of Fine Arts, Kurukshetra University in collaboration with Kala Uday Society organized a National Photography Workshop by a Visual Artist – Gurdeep Dhiman. The workshop was held for two days in which 'Trends in Contemporary Photography' was discussed. The event was aligned to the theme of 'Azaadi ka Amrit Mahotsav'. The event was followed by the demonstration given by the Visual Artist. Moreover, he talked about the importance of connecting with the surrounding before capturing it. The event was held on October 9, 2021 in the Senate Hall, University Auditorium, Kurukshetra University. The event was presided by Prof. Som Nath Sachdeva (Vice Chancellor). Also, short interactive session was arranged for the students to communicate with the artist in which he shared his journey in the field of photography by mentioning about some selected incidents of his life.

EVENT REPORT

Subject: Report on one-day workshop on the topic 'Entrepreneurial Opportunities & MSME's'

On 21 February 2022 a workshop was organized by Institute of Management Studies regarding 'Entrepreneurship opportunities and MSME's'. The main objectives of the workshop were:

- to acquaint the participants with new avenues of employment,
- to cope up with the rising problem of unemployment,
- to learn ways to set up new entrepreneurial ventures,
- to know about the schemes provided by government to help educate youth in this context.

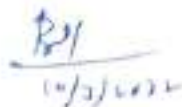

Director, Institute of Management Studies Prof. B.S.Bodla delivered his talk on the topic on entrepreneurial opportunities. He added that there are a large number of opportunities available to the youth for starting their own business like digital marketing, e-commerce, tax filing returns, marketing research, online tutoring, report writing. He also added that in order to become a successful entrepreneur one needs to be hardworking and must have good communication skills & should have the capability of taking calculated risks.

After that Dr. Rakesh Kumar (Head, Deptt. of CSE, Central University, Haryana) shared his views on the topic 'Digital Marketing'. He said that digital marketing is becoming an important source of employment generation in today's world.

Shri Hitesh Gulati, who is the founder of Diversity Ace Business Consultants, gave his views on the topic 'How to start Entrepreneurship'. He said that an important requirement for setting up of new business is removal of fear of failure from one's own & one's parent's mind.

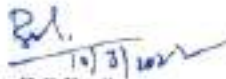

Ms. Meenu Dhiman (Asst. Director, MSME, Karnal) told about various schemes of MSME & also told that which schemes can be put to use by BBA, MBA Students to start their own business.

This Workshop was attended by the students of 6th, 8th and 10th semester. The workshop was convened by Dr. Rajan Sharma.

10/2/2022

Dr. Rajan Sharma in the capacity of convener-workshop conveyed thanks to all the participants & resource persons at the end of the Workshop. Other faculty members namely Dr. Jai Kishan Chandel, Dr. Anil Kumar, Ms. Sangeeta Dhir, Ms. Disha Kakkar, Ms. Meenakshi Godara & Ms. Palak Bajaj also attended the workshop.

The Stage was conducted by MBA students Ms. Muskan & Ms. Mahima. Students were of the view that this workshop is going to be beneficial for them.
