Shri Om Birla's Addressal

The Budget Dialogues 2021 organised by National Youth Parliament has brought with itself a new gust of enthusiasm and exhalation. Our young generations got an opportunity to watch and understand the Indian Parliamentary Procedures closely through the medium of this mock parliament.

We need to incorporate our constitution as a basic foundation into the lives of Indian citizens and hence we should emphasize on KYC-Know Your Constitution. Students in schools and universities should know the strength of our constitution as it also informs us about our fundamental rights and duties.

I believe Budget Dialogues 2021 will lead the way for our young generations and play a significant role in strengthening our democracy.

Shri Om Birla,
Hon'ble Speaker of Lok Sabha

**YOUNG

Ankush Kalsia presented Budget for Ministry of Steel

- The budget for Steel Ministry has reduced from 241.29 cr in the financial year 2019-20 to 100.00 cr in 2020-21.
- Lack of capital, lack of technology, low productivity, and inefficiency of public sector units are some of the critical challenges for the ministry.
- Appointment of technocrats instead of bureaucrats in PSUs will increase the efficiency and ultimately help in revenue generation which further strengthens the required infrastructure.
- Lack of capital can be resolved by slowly disinvesting in the PSUs in the upcoming years.

You not only regaled the senior citizens with your melodious songs, but also introduced us to the intricacies of musical ragas. Your musical sessions were so engrossing that several members residing in other cities and abroad also joined the webinars. These musical sessions were greatly appreciated by one and all and reported in several newspapers.
